The Faculty of Arts

Who We Are

We are an innovative Faculty that has been serving students and launching careers since 1908. Our 50,000 alumni make an impact in communities everywhere and contribute greatly to our cultural lives. They enjoy challenging careers in every sector of the economy, including oil and gas, business, government, IT, education and nonprofit organizations.

As one of the university’s largest Faculties, Arts is a highly respected hub of research and creativity by both faculty members and students.

What We Do

The Faculty of Arts supports your discovery and learning by offering almost 900 distinct courses in the social sciences, fine arts, humanities and interdisciplinary studies. Arts is about applying rigorous critical thinking to solve complex problems. You can take courses that will allow you to discover the relationship between literature and texting; the economics of financial markets (e.g., how much risk should be in your portfolio); how people learn a language; and the connection between power, politics and political activism, just to name a few.

Arts is about discovery, exploration and developing research skills. We empower your career with undergraduate, master’s and PhD level degrees, as well as a range of certificate programs to complement your skills and aspirations. We offer more than 60 areas of focus, ranging from industrial design to economics. Our undergraduate degrees offer opportunities for experiential, hands-on learning:

- Arts Work Experience connects you with employers, offering paid work terms related to your area of study.
- In Community Service-Learning courses, you engage in volunteer work in the nonprofit sector and apply classroom knowledge to real world problems.
- Roger S Smith awards allow you to engage in a summer paid research project with a professor in your area of interest.
- In international study abroad programs around the world, including Arts’ own school in Cortona, Italy, you gain global experiences while earning university credits.

Arts students also have access to a large scholarship pool totaling more than $460,000 annually.

Our graduate programs attract outstanding students from around the globe, and their talents greatly enrich our teaching, research and campus communities.

Faculty Awards and Accomplishments

Our track record of excellent research and teaching could not happen without award-winning faculty. Arts is home to six University Cup recipients, which is the highest honour the University of Alberta bestows on its academic staff.

Our reputation is also acknowledged nationally and internationally:

- Award winning teachers, including eight national 3M Teaching Fellowships.
- Global academic ranking systems consistently recognize Faculty of Arts departments as among the best in the world.
- Outstanding researchers with high success rates in national granting competitions, and a higher than national average for SSHRC (Social Sciences and Humanities Research Council) research grants.
- Top ranked scholars with Royal Society of Canada fellows and two members of the Royal Society of Canada’s College of New Scholars, Artists and Scientists.
- 13 Canada Research Chairs and a Canada Council Killam Research Fellowship.

Regulations for Students

Students should review the regulations of the Faculty of Arts in conjunction with the University Regulations and Information for Students Academic Schedule to Code of Applicant Behaviour, inclusive.

Important Dates

1. **Admission to the Faculty of Arts**
   Refer to Admission and Readmission Deadlines.

2. **Transfer to the Faculty of Arts from Another Faculty in the University**
   Refer to Admission and Readmission Deadlines.
   Students registered in Fall Term in another Faculty may not officially transfer to the Faculty of Arts for Winter Term but may complete an Application for Readmission or Internal Transfer form to transfer to the Faculty of Arts for a subsequent Fall/Winter.
   Even though formal transfer for Winter Term cannot be approved, changes in program can sometimes be arranged to maximize transferable credits for later use. Students should contact the Undergraduate Student Services Office for advice (1-17 Humanities, (780) 492-4295, e-mail: arts.undergrad@ualberta.ca).

3. **Course Add, Drop, Withdrawal Deadlines**
   Refer to Academic Schedule.

4. **Application to Receive a Degree**
   Fall Convocation: September 1
   Spring Convocation: February 1
   Early application is encouraged (October 15 for Spring Convocation, April 15 for Fall Convocation and August 15 for those completing programs in Fall Term) so students can be assured in advance of their final terms that their course selections will make them eligible for convocation.

5. **Other Important Deadlines**
   Refer to Major Deadlines from the 2016-2017 Academic Schedule.

Admission and Transfer

See here for admission and transfer requirements for the Faculty of Arts with additional general admission information in Admission to Undergraduate Programs to General Admission Requirements.

1. **Preprofessional Programs:** There are no preprofessional programs, as such, in the Faculty of Arts. Students admitted to a Faculty of Arts program who plan to transfer later to a professional program in another Faculty must satisfy Faculty requirements while they are registered in this Faculty. Students planning to transfer should consult the Calendar or Counsellor of the relevant Faculty for advice concerning courses which satisfy the requirements of both programs.

2. **Residence Requirement:** Students taking a ★120 program in the Faculty of Arts must have credit in at least ★60 offered by the University of Alberta. Students in a ★123 or ★126 program must have credit in at least ★63 offered by the University. Those in a ★129 or ★132 program must have credit in at least ★60 offered by the University of Alberta. Also refer to Residence Requirements, and the specific program requirements in Programs of Study.

3. **Letter of Permission:** Following initial admission, students are expected to complete all remaining program requirements at the University of Alberta. For academically justifiable reasons such as planned participation in an Exchange or language Bursary program, or to partake in an international or cultural experience, it is possible to receive a Letter of Permission to take courses at another institution. To apply for a Letter of Permission students must:
   a. be eligible to register in a degree program in the Faculty of Arts; and
   b. have successfully completed a minimum of ★24 at the University of Alberta; and
   c. present “Satisfactory” academic standing.

   Approval will not be granted for requests where the student has already received the maximum allowable transfer courses (★60). The Faculty is not obligated to grant transfer credit unless a Letter of Permission was obtained in advance of studying elsewhere. Qualified students should contact the Undergraduate Student Services Office, 1-17 Humanities Centre, to apply for a Letter of Permission. Students who wish to apply for

   Exchange programs must obtain the appropriate forms from the appropriate office (usually the Education Abroad Program).

4. **Exchange Programs:** For students already admitted to a degree program in the Faculty of Arts who are participating in approved programs, credit will be considered on a credit-fail (CR-F) basis only. Grades achieved in such courses will not be included in promotion or graduation average calculations, but are included when assessing admission and transfer to other programs.

Registration Information

Students register in all programs in the Faculty of Arts using Bear Tracks. Please note the following:

1. Check deadlines carefully as they are strictly enforced. See Academic Schedule and Registration.

2. **Student Responsibility:** Students are responsible for familiarizing themselves with program requirements and limitations as specified in the Calendar and for ensuring their programs are properly planned in accordance with degree specifications. Please read the Calendar carefully before registering in courses, and if you are in doubt about any regulations pertaining to your program, consult the Undergraduate Student Services Office (1-17 Humanities, 780-492-4295, e-mail: arts.undergrad@ualberta.ca) for clarification.

3. **Course Load Requirement:** Normally, students in the Faculty of Arts take a full course load of ★15 per term during Fall/Winter and may take up to ★6 per term in Spring/Summer. However, it should be noted that in the BA program, there is no requirement that a full course load must be taken; students in that program may elect to carry a reduced course load without Faculty approval. Students in other Arts programs should consult the relevant department entry in BA (Criminology) through After Degree Programs as well as their Department Advisor for advice on minimum course load requirements for those programs. A student is considered to be a full-time student when carrying a course load of ★9 per term.

   Students are expected to select an appropriate course load taking into consideration work, family responsibilities, or other outside commitments, as well as regulations pertaining to eligibility for University and Faculty Awards.

   In exceptional circumstances, and following completion of the first ★30, acceleration to the maximum of ★18 per term during Fall/Winter and ★9 per term during Spring/Summer may be permitted by the Faculty; however, requests to accelerate are not granted to students who are not in Satisfactory Academic Standing (see Academic Standing and Graduation).

   As well, students who are not in Satisfactory Academic Standing are normally required by the Faculty to carry a reduced course load (i.e., less than ★15 per term) during the Fall/Winter and may be prevented from taking Spring/Summer courses until their academic performance improves and satisfactory standing is attained.

   Students who have outstanding Fall/Winter deferred examinations to be written during the July deferred examination period (see Deferred Final Exams) are also normally not permitted to register in any Summer Term courses. The successful completion of the outstanding deferred examination(s) must be the priority.

4. **Failure to “drop” a course:** Students who do not formally withdraw from a course but who are absent from the final examination without excuse (see Absence from Final Exams) will be given a mark of zero (0) on the final examination. The final grade in the course will then be determined by combining the appropriately weighted term grade and the assigned zero in the final examination, the mathematical result rounded to the lowest whole number. Students who register in a course but do not attend, do not submit term work or write term exams, and do not formally withdraw will receive a grade of F1.

5. **Courses:** Faculty of Arts courses are listed in Course Listings, under the following subject headings:
   - Anthropology (ANTHR)
   - American Sign Language (ASL)
   - Arabic (ARAB)
   - Art (ART)
   - Art History (ART H)
   - Chinese (CHINA)
   - Classics (CLASS)
   - Community Service-Learning (CSL)
   - Comparative Literature (CLIT)
   - Danish (DANSK)
   - Design (DES)
Credit by Special Assessment

Note: See also Credit by Special Assessment.

Credit by Special Assessment permits students to receive degree credit in specified courses without actually registering in and taking courses if the student can demonstrate an acceptable level of mastery of the course content. Students admitted to a degree program in the Faculty of Arts may receive degree credit in a limited number of courses for knowledge or skill obtained in a non-university context or by private study. “Non-university context” may include work completed at institutions not accredited for degree purposes or may refer to periods of work experience that bear relationship to university courses. The following conditions apply:

1. Basis of Application
   a. Students may apply for Credit by Special Assessment on the basis of knowledge gained in a “non-university context” following admission to a degree program.
   b. Students may apply for Credit by Special Assessment on the basis of knowledge gained in “private study” following the successful completion of a minimum of 12 credits in their degree program.

2. Limits
   a. Departments are not required to offer Credit by Special Assessment in all courses. Courses which have a significant practical component, such as laboratory or studio work, or courses requiring substantial writing may not be eligible for Credit by Special Assessment. The course level, and in some cases the specific course, to be challenged will be determined by the Department.
   b. A maximum of 12 may be obtained through Credit by Special Assessment, of which no more than 6 may be in Language-other-than-English courses. In the case of Language-other-than-English courses, only those numbered 150 or higher are open to Credit by Special Assessment. Where Language-other-than-English courses at the 300- or 400-level (or higher) have already been completed, a student may not subsequently attempt by Special Assessment any courses at a lower (e.g., 200- or 300-) level.
   c. Students may attempt Credit by Special Assessment only once in each course.
   d. The number of attempts to obtain Credit by Special Assessment is restricted to a maximum of 12. Note: This limits the number of courses that may be challenged, regardless of results. Cancelled applications are considered an attempt to obtain credit and will be included in this maximum.
   e. Students seeking credit in a prerequisite to a course in which they intend to register must complete the Credit by Special Assessment examination before the start of classes in the advanced course. Similarly, in cases where “advance placement” in a prerequisite course has been given, students may also seek Credit by Special Assessment in the prerequisite course, but must also complete the special assessment examination before the start of classes in the advanced course.
   f. Graduate courses and Honors courses (i.e., those open only to Honors students and specified as such in the Calendar) cannot be attempted by Special Assessment.
   g. Courses which have previously been audited, or in which the student has withdrawn, may not subsequently be attempted by Special Assessment.

3. Deadline for Completion: The deadline for completion of the examination and assessment is one month from the date of approval of the application for Credit by Special Assessment. Students who fail to complete assessment requirements by the specified deadline will be considered to have cancelled their application.

4. Grading
   a. In a course attempted by special assessment, the results will be recorded, either as a letter grade or pass/fail according to the practice in the regular course.
   b. All grades obtained in attempts by special assessment, including failures, will be recorded on the transcript of the students concerned and will be computed into the student academic record (i.e., academic standing, promotion, and graduation requirements).
   c. Students may not appeal the results in a course attempted by special assessment.

5. Transfer of Credit by Special Assessment: Students who have obtained credits by special assessment (or similar means) while enrolled in another accredited university, college, Faculty, or school, will be given advance
credit in such courses if the course is applicable within the requirements and limitations of the Arts program specified above.

6. Fee: A fee is required for each course in which credit by special assessment is sought, and must be paid before the department concerned undertakes the special assessment. Refer to Fees Payment Guide for fee information. Note: Amount of this fee is subject to change.

Academic Standing and Graduation

1. Academic Standing for all students registered in the Faculty of Arts is assessed on the basis of a Grade Point Average (GPA) calculated on courses taken in Fall/Winter terms. See Grade Point Average (GPA) and Academic History (Transcript) Records for information on calculation of GPAs and the academic record. See BA (Criminology) to After Degree Programs for detailed academic standing, promotion and graduation regulations for the following programs: BA (Criminology), BDesign, BFA, BMusic, BMusic/BEd, BA(Drama)/BEd Combined program, and BA Honors programs.

Initial assessment and subsequent reassessment of academic standing is based on students’ performance in a minimum of 12 in Fall/Winter Terms. Students who take courses only in Fall or only in Winter Terms are subject to assessment. Courses taken in Spring/Summer Terms are excluded from the assessment. If a student attempts fewer than 9 have been taken since the last review. The GPA is printed on the University of Alberta transcript and final grades are available on the Bear Tracks record that students are responsible to review at the end of each term.

2. Assessment of Academic standing
   a. Satisfactory Standing (GPA 2.0 and above): Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty of Arts.
      Note: Students in the BA Program with a major in Economics are required to maintain a 2.3 GPA each Fall/Winter. Students with an Economics major who earn a GPA in the satisfactory range but less than 2.3 are permitted to continue in the BA program, but are required to select a different major.
      Students who wish to return to the Economics Major must present a GPA of 2.3 on a minimum of 9 in a subsequent Fall/Winter.
   b. Marginal Standing (GPA 1.7 to 1.9 inclusive): Students receiving the first assessment of marginal standing are permitted to continue, under academic warning. Only one period of attendance on Academic Warning will be permitted while registered in the Faculty of Arts. Any subsequent assessment of Marginal Standing will result in a requirement to withdraw.
      Note: Students under academic warning are only permitted to interrupt their programs with the prior, written permission from the Associate Dean (Student Programs). If students on academic warning interrupt their programs for more than 12 months without prior approval, readmission will normally not be granted unless the student meets the current readmission criteria.
   c. Unsatisfactory Standing (GPA 1.6 and below): Students receiving an unsatisfactory standing are required to withdraw from the Faculty of Arts. See Appeals and Assistance for information on academic appeal regulations.
      Students who are required to withdraw from the Faculty at the end of Fall/Winter cannot register for subsequent terms. Registrations for students who register for Summer Term prior to the requirement to withdraw will be cancelled without penalty. Students who have already registered in Spring Term prior to receiving notification of the requirement to withdraw will be permitted to continue until the end of Spring Term, or may choose to withdraw from Spring courses.
   d. Fresh Start Program: Students who have attempted fewer than 60 and who have earned a GPA between 1.3 and 1.6 may be eligible for admission to the Fresh Start program. Students must be recommended by the Faculty for participation in the Fresh Start program. Further information can be found in First- and Second-Year Students with GPAs of 1.3 to 1.6-Admission to Fresh Start Program, Academic Warning, Academic Probation, Required to Withdraw and Fresh Start Program.
   e. Reenrollment after a Requirement to Withdraw: Refer to Postsecondary Applicants for information on the regulations pertaining to reenrollment to the Faculty of Arts after a requirement to withdraw.

3. Probation: Students who have been required to withdraw and who have successfully appealed that decision will be placed on Probation (See also Academic Warning, Academic Probation, Required to Withdraw).
   a. Probationary students complete a minimum of 24 with a GPA of 2.0 or higher.
   b. Probationary students may not take any more than 12 in each of Fall and Winter Terms.
   c. Probationary students may take more than one set of Fall/Winter Terms to complete probation, but courses taken in Spring and Summer are excluded from the assessment.
   d. Probationary students may also be subject to other requirements as specified by the Associate Dean (Student Programs)
      Note: The probationary GPA for students who take longer than one Fall/Winter to complete probationary requirements and who take more than 24 during the period of probation may be based on more than 24. Grades for all courses completed in Fall/Winter Terms during the probationary period are used.

Probationary students who fail to attain the GPA and other requirements for probation as specified by the Associate Dean will fail Probation and will be required to withdraw from the Faculty of Arts without appeal. Only one period of Probation is allowed while registered in the Faculty of Arts. Students who have cleared Probation and whose GPA at the end of a subsequent Fall/Winter falls below 2.0 will not be permitted to continue on Academic Warning, nor will they be allowed a second period of Probation. Such students are required to withdraw from the Faculty of Arts.

4. Extension to the Graduating Year: Students who have successfully completed at least 120 but who do not meet program requirements for graduation, and who are otherwise eligible to continue in their program of study, may continue to register until graduation requirements are met. Students who have successfully completed at least 120 but who have Unsatisfactory standing (i.e., Required to Withdraw) for the first time, may appeal to be allowed to complete additional courses in order to meet graduation requirements. Probationary requirements will be set by the Associate Dean.

7. First-Class Standing: First-class standing is awarded to any student, regardless of program, who earns a GPA of at least 3.5 while enrolled in a full, normal academic load (minimum 30) during the Fall/Winter Terms or on a minimum of 15 in Fall Term (if not enrolled in Winter Term) or in Winter Term (if not enrolled in Fall). This is also referred to as the Dean’s Honors List.

Graduation Requirements

Application to Convocate: Students wishing to receive a Faculty of Arts degree at an upcoming convocation must apply for graduation on Bear Tracks (https://www.beartracks.ualberta.ca) in accordance with the deadlines specified in Academic Schedule. Also see Graduation.

Degree Requirements: These requirements vary from program to program within the Faculty of Arts and are presented with the details of the relevant program in Programs of Study and BA Honors and BA Major/Minor Requirements.

Degrees with Distinction and First-Class Honors: For regulations concerning the awarding of Degrees With Distinction, see the requirements for specific programs in Programs of Study. For regulations concerning the awarding of First-Class Honors to students graduating with a Bachelor of Arts degree with Honors, see BA (Honors).

Appeals and Assistance

For students who experience difficulties, the Faculty and the University have a number of policies to identify and resolve the issues. Copies of grade appeal and academic appeal procedures and regulations are available from the Undergraduate Student Services Office, Faculty of Arts (1-17 Humanities), or on the Faculty of Arts website (www.foa.ualberta.ca). The following advice is provided for students who have difficulties in the following areas:

1. Academic skills development: Tutoring assistance in study skills, writing skills or mathematics proficiency is available. Contact the Academic Support Centre regarding Learning Resources, Effective Writing and Computer Resources Programs, see University Student Services. The Centre for Writers also offers writing support to all students (www.cw.arts. ualberta.ca)

2. Grade Evaluation in a particular course: Appeals regarding students’ standing in a particular course must first be directed to the instructor concerned. Frequently, the issue can be resolved at this level.
If not, the appeal must then be directed to the Chair of the Department offering the course. Final recourse is available to the Faculty of Arts Academic and Grade Appeals Committee. If a final grade is in dispute, in whole or in part because of the grade for the final examination, the student must apply for a formal reappraisal of the exam. The deadlines to initiate a grade appeal with the instructor are February 1 for Fall courses, June 25 for Winter or two-term Fall/Winter courses, and within 30 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses. Note: that these same deadlines apply for initiating a reappraisal of a final exam. In the event the issue is not resolved with the instructor or Chair, a formal Grade Appeal may be initiated with the Faculty provided the written appeal is received by the Associate Dean (Student Programs) no later than March 1 for a Fall course, July 25 for Winter or two-term Fall/Winter courses, and within 60 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses.

If the above deadlines are not observed, no further recourse is available. Copies of the complete grade appeal and academic appeal procedures and regulations are available from the Undergraduate Student Services Office, Faculty of Arts (1-17 Humanities), or on the Faculty of Arts website (www.foa.ualberta.ca).

4. Missed examinations: See Absence from Term Work and Absence from Final Exams.
5. Academic Standing or graduation eligibility—appeal process: Students who wish to appeal a ruling affecting their academic standing or graduation eligibility should direct their appeal in the first instance to the Associate Dean (Student Programs). Recourse is then available to the Faculty of Arts Academic and Grade Appeals Committee and the General Faculties Council Academic Appeals Committee, in that order. Further information on such appeals is available in Appeals and Grievances. Also see Academic Standing and Graduation.
6. Academic offences: A breach of the Code of Student Behavior (for example, plagiarism or cheating) may result in serious penalties. For further information, see Code of Student Behaviour.

General Program Information
Courses that are requirements of one program only are listed under the particular degree or certificate program in Bachelor of Arts (BA)-Cooperative Education (Work Experience) Program and BA Honors and BA Major/Minor Requirements.

1. Course Definitions
   a. Units of Course Weight: A unit of course weight indicates the instructional credit assigned to a course and is designated by a ★ symbol after the course number and name. Units of course weight form a part of the degree requirements and are also used in calculating a student's Grade Point Average (GPA).
   b. Two-term Course: A two-term course is a course with a course weight of ★6 that normally extends over two consecutive University terms.
   c. Term Course: A term course is a course with a course weight of ★3 that normally extends over one University term.
   d. Junior Course: Effective September 1990, all courses offered by the Faculty of Arts numbered 199 or lower are junior-level courses. Before that, all courses offered by Arts numbered 299 or lower were junior-level courses. For courses in all other Faculties, the course numbering in effect at the time the course was taken will apply.
   e. Senior Courses: Those courses numbered 200 to 599.
   f. Normal Course Load: A normal full academic course load is ★30 during the Fall/Winter.
   g. Courses Extra to the Degree: Courses successfully completed while registered in a program in the Faculty of Arts which are not being used for degree credit are known as courses extra to the degree. Such courses are, however, included in the assessment of academic standing (see Academic Standing and Graduation).
   h. Minimum Passing Grade: The minimum passing grade in University of Alberta undergraduate courses is a D. The minimum final grade for transfer of courses from other postsecondary institutions is C-.

2. Options
   a. Arts or Science Options: The term “option” where it appears in programs means an Arts or Science course chosen by the student if the necessary prerequisite requirements have been met. An “approved option” in all programs is an option approved by the department directing the program of the students concerned. Also refer to point b.
   b. Non-Arts or Non-Science Options (i.e., courses not offered by the Faculties of Arts or Science): Students registered in programs in the Faculty of Arts will normally select their courses from those offered by the Faculties of Arts or Science, including the Arts and Science courses offered by Faculté Saint-Jean, the Faculty of Native Studies or Aboriginal Studies Faculty. Students registered in any program other than the BFA or BMus may take up to ★18 (as options) in Faculties other than Arts and Science. These courses, when taken for credit toward the Arts degree, are subject to the following restrictions:

After Degree Programs
BA After Another Undergraduate Degree (other than Bachelor of Arts)

Applicants having a first undergraduate degree other than a Bachelor of Arts may be admitted to the BA After Degree programs. All requirements for the degree must be met (see Bachelor of Arts (BA)). The total number of required units of course weight in the After Degree program will vary depending on the degree held and the BA program sought; however, a minimum of ★60 will always be required. In some cases, more than ★60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.

Notes
1. Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the degree program.
2. Courses in other Faculties (non-Arts or non-Science options) open to students in the BA program (Non-Arts or Non-Science Options and Non-Arts or Non-Science Options) are not permitted for credit in a BA after a previous degree.
3. The major and minor or double major selected for the After Degree program may be in disciplines already included in the first degree if they are approved major or minor subjects [see Programs and Certificates or Minor] and if no more than ★30 at the senior level have already been completed in the discipline(s) in question. Where ★30 or less in the discipline have been completed, those disciplines may be designated as a major, minor, or double major, and it is expected that additional courses will be taken in those subjects to the maximum allowed as part of the After Degree program. Where more than ★30 have already been completed in a discipline, that subject may not be selected as a major, minor or part of a double major for the BA after a previous degree [see point (4) below].
4. A minor from a previous degree may be declared as a major in a BA After Degree program if it is an approved discipline and fewer than ★30 have been completed; however, the major(s) declared must be different than the major(s) completed in the previous degree.
5. Students who wish to pursue additional studies in a discipline which cannot be selected as a major or minor may apply for admission as a Special Student (see Special Students) or to a BA Honors After Degree Program (see Academic Performance for Graduation) if the academic
admission requirements for those programs are met. Alternatively, these areas may be pursued as options in a BA After Degree program to the extent possible within the requirements of the program.

Residence Requirements
1. A minimum of 60 must be in courses offered by the Faculty of Arts, including courses in Arts disciplines taken as part of the first degree, as well as those completed as part of the After Degree program.
2. A minimum of 60 must be completed at the University of Alberta.
3. At least 30 credited to the After Degree program must be completed while registered as a student in the Faculty of Arts.

Academic Performance for Graduation
Students must achieve a minimum University of Alberta grade of D (or equivalent) in all courses credited to the After Degree program; present a graduation average of at least 2.0; present an average of at least 2.0 on all courses applied to the major; and present “Satisfactory” academic standing. For a BA major in Economics students must present a graduation average of at least 2.3 and an average of at least 2.3 on all courses applied to the major. The graduation average is the quotient of (a) the total number of grade points earned in courses credited to the After Degree program and (b) the total weight of those courses. Academic Standing regulations are described in Academic Standing and Graduation. In the case of students who attempted, as part of the program, courses at an institution for which the grades are not precisely the equivalent to those of the University of Alberta, the degree will be awarded at the discretion of the Faculty. Courses with final grades less than C- are not transferred from other postsecondary institutions.

Graduation “With Distinction”: Degrees With Distinction are awarded in an After Degree program to students who achieve a grade point average of 3.5 or better on the last 60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree.

BA After Another Bachelor of Arts
Applicants having a first Bachelor of Arts (from this or any other University) may be admitted to a BA After Degree program. All requirements for the BA degree must be met (see Bachelor of Arts (BA)). The total number of required units of course weight in the After Degree program will vary depending on the BA held and the program sought; however, a minimum of 60 will always be required. More than 60 may be required depending on the number and applicability of courses completed as part of the first degree. See BA After Another Undergraduate Degree (other than Bachelor of Arts) for regulations pertaining to Residence Requirements, Academic Performance for Graduation, Graduation “With Distinction” and Notes which are also applicable to this degree.

BA (Honors) After Another Undergraduate Degree

General Information
The total number of required units of course weight in the After Degree program will vary depending on the degree held and the Honors program sought; however, a minimum of 60 will always be required. In some cases, more than 60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.

No more than 48 at the junior level may be recognized and/or credited toward the requirements of the Honors After Degree program. In all cases, minimum admission and promotion requirements must be met (see Faculty of Arts and BA (Honors)) and departmental recommendation and Faculty approval for admission must be secured. All common program requirements and all specified departmental requirements must be fulfilled, either through courses recognized from the first degree, or through courses taken as part of the After Degree program. For detailed information, applicants should contact the Departmental Honors Advisor concerned and the Faculty of Arts Undergraduate Student Services Office.

Graduation
To qualify for a BA (Honors) After Degree, students must meet the promotion and graduation requirements specified for each Department (Anthropology to Women’s and Gender Studies). The graduation average will be calculated on all courses credited to the After Degree program, as well as those courses recognized from the first degree which fulfill program requirements. An Honors After Degree may be awarded with “First-Class Honors” if an average of at least 3.7 is achieved on all courses beyond the junior level in the subject of concentration (including those completed as part of the first degree as well as those credited to the After Degree program), and if an overall average of at least 3.5 is achieved on all courses credited to the After Degree program.

Notes
1. Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the Honors program.
2. Courses outside the Faculties of Arts or Science are not normally permitted in a BA Honors after a previous degree.
3. The major subject of concentration may be the same as in the first degree if it is an Arts subject. Where a department has indicated a maximum total units of course weight permitted in the major, courses in that subject taken as part of the first degree will be included. However, depending on the remaining program requirements, not all courses in the major subject will necessarily be recognized from the previous program if doing so will exceed the maximum.

BFA, BDesign, or BMus After Another Undergraduate Degree
Applicants having a first undergraduate degree may be admitted to the BFA, BDesign, or BMus After Degree programs. All requirements for the degree, as detailed in Bachelor of Design (BDes), BFA in Art and Design, BFA in Drama, and Bachelor of Music (BMus), must be met. The total number of units of course weight in the After Degree program will vary depending on the previous degree held and the After Degree sought. The total required in a BFA (Art and Design) or BDesign After Degree program will normally be 120, but in no case will less than 90 be required. The required number of units of course weight in a BFA (Drama-Acting) program will normally be 123, but in no case will less than 85 be required. The required number of units of course weight in a BFA (Drama-Design) program will normally be 125, but in no case will less than 117 be required. The required number of units of course weight in a BMus (Drama-Technical Theatre - Stage Management or a Technical Production) program will normally be 120, but in no case will less than 60 be required. The required number of units of course weight in a BMus After Degree program will normally consist of either 90 in the World Music route, or 93 in all other routes, but in no case will less than 60 be required.

Notes
1. Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the program.
2. Courses outside the Faculties of Arts or Science are not normally permitted in a BFA, BDesign, or BMus after a previous degree, with the exception of specified degree requirements.
3. Promotion Requirements: In an After Degree program, students are required to meet the same promotion standards as specified for the respective program in Bachelor of Design (BDes), BFA in Art and Design, BFA in Drama, and Bachelor of Music (BMus).
4. Graduation Requirements
   a. BFA (Art and Design) After Degree: To qualify for the BFA (Art and Design) After Degree, students must successfully complete the required units of course weight specified for the program; meet all promotion, continuation, final year, and residence requirements described in BFA in Art and Design; and receive Departmental recommendation.
   b. BDesign After Degree: To qualify for the BDesign After Degree, students must successfully complete the required units of course weight specified for the program; meet all promotion, continuation, final year, and residence requirements described in Bachelor of Design (BDes); and receive Departmental recommendation.
   c. BFA (Drama) After Degree: In the After Degree program, students must meet the same graduation requirements as specified for the respective program in BFA in Drama.
   d. BMus After Degree: To qualify for the BMus After Degree, students must successfully complete the curriculum for the chosen Route and meet all promotion, continuation, final year, and residence requirements (Bachelor of Music (BMus)).
5. Degrees With Distinction
   a. BFA (Art and Design) After Degree: Degrees With Distinction are awarded to students who achieve an average of 3.5 or more, on all units of course weight credited to the After Degree program and on all units of course weight in Art and Design credited to the After Degree program. When transfer or other students have attempted, as part of
their program, courses at another institution, the Degree “With Distinction” are awarded at the discretion of the Faculty.

b. **BDesign After Degree**: Degrees With Distinction are awarded to students who achieve an average of 3.5 or more, on all units of course weight credited to the After Degree program and on all units of course weight in Art and Design credited to the After Degree program. When transfer or other students have attempted, as part of their program, courses at another institution, the Degree “With Distinction” are awarded at the discretion of the Faculty.

c. **BFA (Drama) After Degree**: In the After Degree program, students are required to meet the same requirements for graduation “With Distinction” as specified in BFA in Drama.

d. **BMus After Degree**: Degrees With Distinction are awarded to students who achieve an average of 3.5 or more, on all units of course weight credited to the After Degree program and on all units of course weight in Music credited to the After Degree program. When transfer or other students have attempted, as part of their program, courses at another institution, the Degree “With Distinction” is awarded at the discretion of the Faculty.

**Arts Co-operative Education (Work Experience) Program**

The Faculty of Arts offers a flexible range of options for students in Arts undergraduate degree programs to add career-related work experience to their degree. These work experience opportunities are normally paid, though alternative forms of compensation may be considered and approved on an individual basis. Any questions should be directed to the Arts Work Experience (AWE) office (artsaleertca.ca or www.arts.ualberta.ca/careers). Specific questions related to students’ academic programs will be referred to an Academic Advisor in Arts Undergraduate Student Services.

**Arts Co-operative Education Program** - The Arts Co-op Program is structured so that students integrate study with periods of paid, skill-building work experience in cooperating employer organizations. Work terms are typically 4 to 8 months in duration. To graduate with the designation of “Arts Co-operative Education Program,” students must successfully complete the following requirements:

i. **WKEXP 801, 802, 803** (with a minimum of one work term during the Fall or Winter Terms).

ii. Required pre- and post-employment career education.

iii. All degree program requirements.

iv. Degree requirements must be completed in a term following the final work term.

v. A minimum cumulative total of 12 months of work experience, and not more than 16 months.

**Individual Work Terms** - Students may also add paid work experience to their degree by registering in individual WKEXP courses. This option allows students to take on single 4- or 8-month work term(s). A student who completes one or more Arts WKEXP course(s) successfully, as well as the required pre- and postemployment career education, but does not complete all the requirements of the Co-op program, will have completion of the courses noted on their transcript, but will receive no other designation.

Note that WKEXP courses require the submission of a report by the student on their work experience and are graded on a CR/NC basis. WKEXP courses do not carry any associated course weight towards degree requirements.

To participate in the Arts Co-op program or individual work terms, apply to the Arts Work Experience office. For more information please visit: www.arts.ualberta.ca/careers.

**Eligibility Requirements:**

- Be a continuing student in a Faculty of Arts undergraduate degree program.
- Normally have completed between ★30 and ★105 at the time of entry.
- Have a minimum Grade Point Average (GPA) of 2.3. Admission is competitive and presentation of the minimum GPA may not be sufficient to qualify for participation.

**Notes:**

- Some Arts disciplines (e.g. Psychology, Planning) run Department Specific Internships. More information about these Internship Programs is available by referencing the associated Department’s Calendar entry or by contacting the Arts Work Experience office (see contact information above).
- Student participation in all Arts Work Experience options is voluntary. It is not possible to guarantee that all students wishing to participate will be able to do so.

- All job opportunities secured by AWE staff are posted. Students who are interested in developing their own job opportunity must have it approved by staff of the Arts Work Experience office. Students may not find a suitable job opportunity, or might not be successful in the job application process. Every effort will be made to assist students in finding suitable job opportunities; however, students who wish to participate are ultimately responsible for securing employment.

- The Work Experience Coordinator maintains contact with the student and the employer designate to ensure the experience for both parties is progressing satisfactorily. If the placement is not satisfactory for either the student or the employer, the internship may be terminated and the student would then return to classes at the next available opportunity.

- Students should not register in academic credit courses for the period(s) during which they participate in work experience. Students are considered to be full-time students at the University of Alberta when enrolled in WKEXP courses.

- Participating students should be aware that adding work experience to their degree may result in challenges enrolling in required courses which may not be available every term.

- Students should be aware that under the Protection of Persons in Care Act, students can be required to satisfy a criminal records check before being allowed to serve a period of work experience. Refer to Requirement for Police Information Checks.

**Certificates**

The Faculty of Arts offers a number of certificates to graduating students which acknowledge formally that students have studied particular themes, within one discipline, or across disciplines. Normally the requirements for the certificates can be completed as part of the requirements for the degree; however, in some cases, a student may need to take more than the minimum required for their degree program in order to qualify for both the degree and the certificate. The following certificates are available:

- **Certificate in Civil-Military Leadership**: available to undergraduate students across the University, regardless of Faculty or program, who are also engaged in Canadian Armed Forces basic Officer or Non-Commissioned Reserve Officer training (see Certificate in Civil - Military Leadership).

1. Criminology students are required to consult the Program Director to review proposed coursework before registration for each academic year and in advance of any changes to approved registration.
2. Normally, students are expected to enrol full time (30 per year), although exceptions may be considered by the Program Director.
3. Students must obtain permission of the Director in advance if they wish to interrupt their program but retain their status in the BA (Criminology) program.

Curriculum

Students seeking admission to Criminology should include the following in their first year of postsecondary studies:

- 6 of junior ENGL
- SOC 100 - Introductory Sociology
- PSYCO 104 - Basic Psychological Processes
- PSYCO 105 - Individual and Social Behavior
- a Language other than English

Basic Requirements:

The basic requirements for the BA Criminology program are the same as those for the BA (see Arts Chart 1):
It is recommended that students considering graduate studies take:

- No more than 6 at the junior level may be taken to satisfy the second subject of concentration will involve supervised work experience. Students must obtain a minimum grade of B- in each component of SOC 399 and SOC 499 or repeat the entire course.

Field Placement

The final two years of the program must include the successful completion of SOC 399 and SOC 499. These courses are required as part of the principal subject of concentration and will involve supervised work experience. Students must obtain a minimum grade of B- in each component of SOC 399 and SOC 499 or repeat the entire course.

### Additional Information

Students should be aware that under the Protection for Persons in Care Act, all new employees, volunteers and other people engaged for services by designated agencies (hospitals, nursing homes, group homes, social service agencies, etc.) must complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. In addition, certain other agencies, organizations, and educational facilities may require students to present a Police Information Check prior to entering a practicum, work placement term, internship, or field experience placement.

Students who have concerns related to their ability to provide a clear Police Information Check should consult with the Associate Dean, Student Programs. Students will be informed of the need for a Police Information Check prior to specific internship/practicum/work experience placement. See Requirement for Police Information Checks for more information on the general requirements concerning Police Information Checks and the fees associated with them.

### Promotion

To be promoted in each academic year, students must have:

1. maintained a full-course load of 60 unless advance permission was granted for a reduced course load;
2. attained a minimum grade point average of 2.7;
3. attained a minimum grade of B- in SOC 399 and SOC 409 as required during the final two years of the program; and
4. been recommended by the Department of Sociology.

### Non-Promotion

1. Failure to be promoted for academic reasons is cause for removal from the program.
2. Affected students may transfer to another program in the Faculty if they meet admission requirements of such a program. All other requirements for the new program must be completed after transferring.

### Academic Performance

1. Academic Performance for Graduation: To qualify for a BA (Criminology), students must have completed all program requirements, achieved a minimum GPA of 2.7 in each academic year of the program, and be recommended by the Department of Sociology.
2. Degrees With Distinction: See Bachelor of Arts (BA).

### BA (Honors)

This degree provides specialization in the chosen subject(s), with study in greater depth than is provided in the BA program, and demands a higher standard of performance. Also see BA Honors and BA Major/Minor Requirements for Major and Minor Requirements.

### Residence Requirement:

The BA Honors degree is a program which normally requires a minimum of 120 (some departments may require more) of which:

1. a minimum of 63 must be in courses offered by the Faculty of Arts;
2. a minimum of 60 must be in courses taken at the University of Alberta;
3. a minimum of 30 must be completed while registered in the honors degree program;
4. a minimum of half the courses required in the major discipline, including any honors thesis, paper or project, must be completed with courses offered by the Faculty of Arts at the University of Alberta.

### Course Load Requirements:

Unless otherwise noted in Anthropology to Women’s and Gender Studies, there is no minimum course load requirement for the BA Honors program each year; however, all degree requirements must be completed within five academic years of admission to and initial registration in the program.

### Program Requirements

The BA Honors degree requires the successful completion of 120 (or more if specified by the department). In each year, Honors students’ programs, and every change of registration, must be approved by the Departmental Advisor signifying the approval of the Department.

1. **Basic Requirements common to all Honors Programs:** 6 Junior English, or 3 Junior English and 3 WRS 101; 6 in one Language other than English; 6 Study of Science; 6 chosen from Group 1; 6 chosen from Group 2; and 6 chosen from Group 3. See Arts Chart 1 for subjects courses which meet these requirements. No one course may meet more than one basic requirement; however, courses in the major(s) or voluntary minor that meet basic requirements must also be counted toward the major(s) or minor (if declared).

2. **Junior Courses:** No more than 8 at the junior level are permitted for credit in the program.

3. **Non-Arts or Non-Science Courses:** A maximum of 18 in non-Arts or non-Science courses may be taken outside the Faculties of Arts or Science, as long as the courses do not duplicate courses already offered by these two Faculties.

4. **Requirements in the Major Subject:** An Honors program in a single discipline will normally require a minimum of 48 in the major subject, as defined by the Department. A minimum of 6 must be at the 400-level; however, some departments may require more. Normally, no more than 60 may be presented in the major subject unless otherwise specified by the Department. Where a maximum has been specified, it may not be exceeded (i.e., additional courses in the subject of concentration may not be taken as options).

5. **Requirements in Combined Honors:** For Combined Honors programs, the minimum number of courses in each subject of concentration will be decided through consultation with the Departments concerned in planning the total program; however, a minimum of 86 at the junior and senior
level in each discipline will be required in all Combined Honors programs. At least 30 in each discipline must be at the senior level. More than this may be required in some disciplines to meet specific program requirements. For further information on the requirements of a particular program, see the appropriate Department Calendar statement in BA Honors and BA Major/Minor Requirements. Students should be aware that a Combined Honors program may not qualify them for direct admission to a graduate program in one of the disciplines. Further coursework in one of the disciplines may be required for Graduate Studies.

6. Minor Subject: Most Honors programs do not require a minor subject; however, where a minor or related subjects are required, these will be specified in the individual department requirements in Anthropology to Women's and Gender Studies. Students in BA Honors programs that do not require a minor may declare a minor if they wish. Declaration of a minor in these programs is strictly voluntary; however, when a student chooses to declare a minor they must meet the requirements for that minor as specified in Anthropology to Women's and Gender Studies. Students should be aware that it may not be practical to declare a minor in all Honors programs, since completion of a voluntary minor will not replace existing requirements for those programs.

7. Honors Essay: Some departments require the completion of an Honors Essay in addition to specific course requirements. In the case of Combined Honors programs, students may be required to complete an Honors Essay in one or both disciplines, depending on specific departmental requirements. Where both departments require an Honors Essay, students will complete one for each department or may, on special request, be permitted to write a Combined Essay INT D 520 (*6) which will meet the requirements of both departments. Students should refer to the specific department entries in BA Honors and BA Major/Minor Requirements to determine which departments offer combined honors programs and require an Honors Essay. Where a Combined Essay is permitted, this will be noted in the Department Calendar entry, and in such cases the following conditions will apply:
   a. A combined essay is applicable only to students in combined honors programs.
   b. It is applicable only when both departments require an essay and only when both departments agree to a combined essay.
   c. The combined essay INT D 520 (*6) will meet the essay requirements of both departments.
   d. The combined essay will be supervised by, and graded jointly by, the cooperating departments; a single final grade will be submitted.
   e. The essay will address the subject matter in both departments equally and in a way that emphasizes the interaction between the two disciplines.

8. Cooperative Work Option Within Honors Programs: Cooperative education is based on the principle that, for some students, periods of appropriate employment outside the University, when integrated with their academic studies, enhance the benefits students obtain from their academic programs. The work should be of a type that students can reasonably hope to obtain after they graduate, or be suitably related to the content of their academic programs. Cooperative work experience will be wholly additional to and not a substitute for academic courses; it is a valuable enrichment for some students but is not an alternative to normal course work. Accordingly, the existing requirement for 120 will be maintained, with a no-credit course number for the evaluation of a report or project resulting from the work experience. Students should be aware that under the Protection for Persons in Care Act, all new employees, volunteers and other people engaged for services by designated agencies (hospitals, nursing homes, group homes, social service agencies, etc.) must complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. In addition, certain other agencies, organizations, and educational facilities may require students to present a Police Information Check prior to entering a practicum, work placement term, internship, or field experience placement. Students who have concerns related to their ability to provide a clear Police Information Check should consult with the Associate Dean, Student Programs. Students will be informed of the need for a Police Information Check prior to specific internship/practicum/work experience placement. See Requirement for Police Information Checks for more information on the general requirements concerning Police Information Checks and the fees associated with them.

a. Admission Requirements: See Faculty of Arts.

b. Program Selection: Two forms of cooperative work are available:
   6. Full-time employment for not less than three months and not more than one year. Such periods, integrated into the normal academic program, are "work terms."
   1. Part-time employment equivalent in working hours to no less than 3: such employment is a "work assignment."

c. Registration: Work terms and work assignments must be approved in advance by the Department concerned and the Undergraduate Student Services office. Retroactive approval will not be granted.

d. Withdrawal: Students may withdraw from a cooperative program on completion of a work term or work assignment, or at any time during a normal academic term, and may continue in the academic Honors program of their department without penalty if the requirements of these programs have been met. Further information may be obtained from departments offering such programs.

Promotion and Graduation

1. Promotion Requirements: Promotion from year to year requires a minimum grade point average of 3.0 on all courses taken during the Fall/Winter and the recommendation of the department concerned whose required grade point average for promotion may exceed the Faculty minimum. Where an individual department’s requirements vary from the Faculty minimum, this will be specified in each individual department entry in BA Honors and BA Major/Minor Requirements. Students must also meet promotion requirements as outlined in individual department entries during their final year.

2. Graduation Requirements: In most departments, graduation with Honors requires a grade point average of 3.0 in all courses in the major subject; however, individual Department recommendations for graduation with Honors may exceed these minimum Faculty requirements. Where an individual department’s requirements vary from the Faculty minimum, this will be specified in each individual department entry in BA Honors and BA Major/Minor Requirements. To be eligible to graduate, students must also meet promotion requirements as specified in point (1) above. The graduation average is the quotient of a) the total number of grade points earned by students in courses credited to the degree, and b) the total weight of those courses.

3. Graduation with First-Class Honors: Departments shall choose one of the following options as their policy for determining First-Class Honors. (Refer to Departmental entries Anthropology to Women’s and Gender Studies.)
   a. A minimum average of 3.7 on all senior-level courses in the major, and an average of at least 3.5 on all courses in the final year. The final year shall be defined as the last 30.
   b. A minimum average of 3.7 on all courses in the two final years in the major and an average of at least 3.5 in all courses in the two final years. The two final years shall be defined as the last 60. If the last 30 or 60 ( whichever is applicable) does not fall exactly within a given Fall/Winter or Spring/Summer, a weighted average is used. Please contact the Undergraduate Student Services Office for further information (1-17 Humanities, (780) 492-4295, e-mail: arts. undergrad@ualberta.ca).

4. Students who fail to attain the standard necessary to continue in Honors will be required to withdraw from Honors but may transfer to another program in the Faculty if they meet the requirements for that program. After such transfer, they must complete all requirements.

5. Students who are not recommended for graduation with Honors at the end of their fourth year (i.e., after successfully completing 120) may be granted the BA degree if they have successfully completed 120 including the basic requirements and the required minor subject for the BA (see Bachelor of Arts (BA)). In no case shall more than 60 in the major subject be counted as part of the required 120. Students deficient in any respect may be required to take one or more courses.

BA in Environmental Studies

General Information

The Faculty of Agricultural, Life and Environmental Sciences and the Faculty of Arts have worked together to develop this degree which will educate students

Bachelor of Arts (BA)

★120 required

This degree is designed to provide students with a diversified education and specialization in at least one subject. Students must complete either a major and a minor, or a double major. Also see below for Major and Minor Requirements.

Residence Requirement:

In the ★120 to complete the degree, the following must be included:

1. a minimum of ★63 offered by the Faculty of Arts;
2. ★60 must be successfully completed at the University of Alberta;
3. a minimum of ★30 must be taken while registered in the Faculty of Arts;
4. a minimum of ★6 selected from courses offered by the Faculty of Science or used by the Faculty of Science as Science courses (see Details of Courses for appropriate subjects).
5. a minimum of ★15 at the senior level applied to the major and a minimum of ★6 at the senior level applied to the minor must be completed with courses offered by the Faculty of Arts at the University of Alberta (except Science minors, see below).

Course Load Requirements:

Students will normally complete ★30 in each Fall/Winter period and complete the program in four academic calendar years.

Program Requirements:

The BA degree requires students to successfully complete ★120 including the following:

- Basic Requirements (★36)
- A major subject of concentration and a minor subject of concentration, or two major subjects of concentration. Students who declare a double major are not permitted to declare a minor.

1. First Year: Each year consists of ★30 credited to the program. Within the first ★30, students should complete courses from the basic program requirements. The Faculty recommends that junior (100-) level courses be taken in the first year; and that the English/Writing requirement be completed within the first ★60.

Students should enrol, if possible, in a course in the Major Subject(s) in first year. Students are also encouraged to obtain required prerequisite courses early in the program. Students in the BA degree should seek
advice and program approval from the Advisor in the Department of their major concentration or if appropriate, the Interdisciplinary Program advisor.

2. Basic Requirements (See Arts Chart 1) 

The Basic Requirements (★30) are designed to give the foundation of a liberal Arts education. It is strongly advised that students complete the following requirements in the first two years of their programs.

Note: No one course may meet more than one of the basic requirements.

Senior-level courses in the area of major or minor which meet a basic requirement must also be counted toward the major or minor requirements.

3. Major: Students must declare either a single or a double major. Students who declare a single major must also complete a minor. Students who declare a double major are not permitted to declare a minor. See Programs and Certificates for a list of subjects which may be declared as majors in the BA.

Each major must include a minimum of ★30 to a maximum of ★48 at the senior level (i.e., additional courses in the major may not be taken as options). At least ★6 must be at the 400- level; some departments may require specific courses and/or more than the specified Faculty minimums.

Where a double major is declared, the same Faculty minimums and maximums apply in both majors. See below for specific requirements by subject. A minimum of ★15 at the senior level toward the major must be completed with coursework offered by the Faculty of Arts at the University of Alberta.

Senior-level courses in the major subject(s) taken as part of the basic program requirements must also count toward the major(s). Students must declare their major(s) to the Undergraduate Student Services Office following the accumulation of the 60th unit of course weight of their BA program, though it is to a student’s advantage to declare the major(s) as soon as possible.

4. Minor: Students who have declared a single major must also declare a minor. See Programs and Certificates for a list of subjects which may be declared as minors in the BA.

A minor must include a minimum of ★12 to a maximum of ★42 at the senior level in an approved subject outside the single major. At least ★6 must be at the 300- 400-level as specified by the department; some departments require specific courses and/or more than the specified Faculty minimums. See below for specific requirements by subject. The maximum units of course weight may not be exceeded (i.e., additional courses in the minor may not be taken as options). For Arts minors, a minimum of ★6 at the senior level must be satisfied with coursework offered by the Faculty of Arts at the University of Alberta and for Science minors, a minimum of ★9 at the senior level must be satisfied with coursework offered by the Faculty of Science at the University of Alberta.

Senior-level courses in the minor, taken as part of the basic program requirements must also be counted toward the minor.

Students who declare a double major are not permitted to also declare a minor.

In addition to the Arts and Science disciplines noted in Programs and Certificates (including MATH, PSYCHO and STAT), students may also select a minor from the Faculty of Science from the list below. Students must meet the minor requirements of the Faculty of Arts as well as those of the Faculty of Science. See below for specific requirements by subject. Therefore, the requirements are a minimum of ★24 to a maximum of ★36 in the minor subject(s), including no more than ★12 at the junior level and at least ★6 at the 300-level or higher. A Science minor consists of Science courses taken from one of the following areas:

a. Biological Sciences (see Minors for specific requirements)
b. Chemistry (see Minors for specific requirements)
c. Computing Science (see Minors for specific requirements)
d. Earth and Atmospheric Sciences (see Minors for specific requirements)
e. Mathematics (see Minors for specific requirements)
f. Physical Sciences (see Minors for specific requirements)
g. Physics (see Minors for specific requirements)
h. Statistics

Students taking a Science minor are not permitted to complete a minor in the same department as their major.

5. Cross-Listed Courses: Courses listed in more than one major/minor are known as cross-listed courses. The use of cross-listed courses is especially common in interdisciplinary programs (East Asian Studies; Film Studies; International Studies; Middle Eastern and African Studies; Native Studies; Science Technology and Society; Women’s and Gender Studies), but is becoming increasingly common in other areas also (e.g. Religious Studies). Unless otherwise notified by the student, the Undergraduate Student Services Office will apply cross-listed courses to the specific subject discipline. For example, a CLASS course cross-listed with Religious Studies will apply to the Classics major or minor unless the student has advised the Undergraduate Student Services Office in writing that it should apply to the Religious Studies portion of the student’s program. When students ask that a cross-listed course be applied to their other subject of concentration, that course will then be applied to the minimums and maximums for that other subject. For further details on cross-listed courses, see the entries for interdisciplinary programs below.

6. Junior Courses: Maximum of ★48 at the junior level are permitted for credit to the program. Students should complete ★30 at the junior level before registering in senior-level courses.

7. Combined Major in French and Spanish: Apart from the option to declare a double major in French and Spanish with no minor [see below], students may opt to take these two related languages which can be combined as their major subject; a valid minor subject is still required when this option is selected. The following conditions apply:

a. Students selecting a combined language major should take two languages other than English in the first year, deferring any other basic requirement except the Junior ENGL to do so.

b. Students majoring in two languages other than English must take a minimum of ★12 at the senior level in each language and normally must include a minimum of ★3 in each language at the 400-level. In all other respects, the requirements for a major in the above section apply.

8. Non-Arts or Non-Science Options: A maximum of ★18 may be taken outside the Faculties of Arts and Science as long as the courses do not duplicate courses already counted by these two Faculties. Courses offered by the Faculty of Native Studies will be counted as Arts courses [see Options and Native Studies (Faculty of Native Studies)]. See also Registration Information for a list of courses from the Faculty of Agricultural, Life and Environmental Sciences that are applied as Faculty of Arts courses.

9. Interdisciplinary Programs and Courses: Many programs housed within Departments in the Faculty of Arts have important interdisciplinary components; some are primarily interdisciplinary in orientation. The Office of Interdisciplinary Studies oversees programs that draw on courses from multiple Departments. These include the Individualized Major and Minor (see Individualized Study), as well as programs in International Studies, Religious Studies, Science, Technology and Society Studies, and the MA in Humanities Computing that are described elsewhere in this calendar.

The Office of Interdisciplinary Studies is also responsible for certain interdisciplinary (INT D) courses. Information about these courses and programs is available from the Faculty of Arts Office for Interdisciplinary Studies.

Unless otherwise indicated in the course description, an INT D course may be applied toward either the major or the minor if it appears under the department’s course listings in Course Listings.

10. Community Service-Learning courses: A number of courses in departments and programs across the Faculty of Arts offer community engagement as an option or requirement. Students in Community Service-Learning (CSL) courses take part in community-based experiences that link to course content.

The CSL program offers its own CSL designated courses (see Course Listings) and a certificate (see Certificate in Community Engagement and Service-Learning).

For further information see the CSL website www.csl.ualberta.ca

Academic Performance

1. Academic Performance for Graduation: Students must present credit (with a minimum University of Alberta grade of D or equivalent) in ★120, which satisfy program requirements; present a graduation average of at least 2.0; present an average of at least 2.0 on all courses applied to the major; and present Satisfactory Academic Standing. For a BA major in Economics, students must present a graduation average of at least 2.3, and an average of at least 2.3 on all courses applied to the major. The graduation average is the quotient of (a) the total number of grade points earned by students in courses credited to the degree, and (b) the total weight of those courses. (Also refer to Academic Standing regulations described in Academic Standing and Graduation.) In the case of students who attempted, as part of their program, courses at an institution for which the grades are not precisely equivalent to those of this university, the degree is awarded at the discretion of the Faculty. Courses with final grades less than C- are not transferred from other postsecondary institutions.
2. **Degrees With Distinction**: Degrees With Distinction shall be awarded to students who achieve an average of at least 3.5 or better on the last 60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree. If the last 60 of the program at the University of Alberta do not fall exactly within a given Fall/Winter or Spring/Summer, a weighted average is used. Please contact the Undergraduate Student Services Office for further information (1-17 Humanities, 780-492-4295, e-mail: arts.undergrad@ualberta.ca).

**Arts Chart 1: Basic Requirements**

Note: No one course may meet more than one of the basic requirements listed below

**Junior English (ENGL)/Writing Studies (WRS) (★6)**

- ★6 from the following:
  - ★6 100-level ENGL
  - OR
  - ★5 100-level ENGL AND ★3 100-level WRS.

Please note that the number of spaces available in WRS in any given year is limited. Required ENGL are literature based.

Students who have been granted advanced placement in English may substitute any ★6 at the 200-level or higher in ENGL for the basic requirement.

**One Language Other than English (LOE) (★6)**

Junior or Senior level

To develop, or improve a student’s facility in a Language Other than English

The core program requirement of a Language other than English consists of ★6 at the 100-level or above in one LOE. Students who decide to take an LOE in which they matriculated must take courses numbered 150 or above as they will not be given credit for courses numbered 100–149 in that language; these are for beginners only.

Language courses which do not offer as their goal the acquisition of a Language other than English, e.g., those dealing with literature in translation, will not fulfill the LOE requirement. Consult Course Listings, Course Listings, for full course descriptions.

Students who have completed their secondary education in a LOE will be permitted to take ★6 option in lieu of the LOE core. Students with prior LOE background who wish further study in that LOE must be placed at the appropriate level or credit will be withheld. Records for these applicants will be reviewed and assessed by the Undergraduate Student Services Office.

Students who have facility in a LOE but who cannot provide official transcripts should contact the relevant LOE department for advice about obtaining a waiver for the LOE requirement.

**★6 in the Study of Science**

The Study of Science requirement will introduce students to scientific study and foster their appreciation of how scientists approach their subjects.

Students must select ★6 from courses offered by the Faculty of Science or recognized by the Faculty of Science as Science courses (see Details of Courses)

**★18 Breadth and Diversity**

To acquaint students with and offer them a basic awareness of the variety of disciplines practised throughout the Faculty of Arts. Students must select ★6 (junior or senior level) from each of the Groups listed below.

Senior-Level Credit Requirement for ECON

STAT 265 and STAT 266 can be presented in lieu of ECON 299 but are not applicable to the overall senior-level credit requirement for ECON.

Notes
1. To have the greatest possible flexibility in their choice of the 300- and 400-level courses required to complete a concentration in Economics, students should complete all the departmental requirements earlier rather than later in their programs. In particular, students should complete the ECON 101 or ECON 102 (or ECON 204); MATH 113; STAT 141 or STAT 151; ECON 299, ECON 281 and ECON 282 requirements as part of their first ★60. Students are urged to take MATH 113 as soon as possible, preferably in their first year.

See Cross-Listed Courses for regulations concerning cross-listed courses.

Students taking English as a major or as a minor should consult the Department Undergraduate Programs Advisor on their choice of courses. This is important in entering third year.

Students planning to apply for admission to the Honors program should consult BA Honors for admission requirements.

See BA (Honors) for Faculty regulations concerning the Honors program.

Honors in History requires a minimum of ★68 to a maximum of ★60 in History (including junior courses). In certain circumstances, selected Classics courses are accepted as the equivalent of History courses, subject to the approval of the Honors Advisor in such cases, and, when used in this manner, these courses will be included in the minimum and maximum permitted. Over the course of the Honors program, students should select courses that will provide them with a broad background of historical knowledge ranging widely in place, time, and perspective.

Required Courses

1. A minimum of ★9 at the 400-level in History;
2. At least ★42 at the senior level in History, including at least ★12 in the area of the Honors essay;
3. An historiography seminar, HIST 500, is required during the third year;

5. Students must satisfy the Department of their ability to read a Language Other than English. Examinations for that purpose are conducted by the Department. These exams normally are written during the second or third year and must be passed for completion of degree. Honors History students who already have ★6 in one senior-level Language Other than English will be exempt from the language exam.

The Department of History and Classics strongly recommends that students avoid undue concentration in any one field of History. Students are urged to take courses in different chronological eras, in different geographical areas, and among different themes; these include:
1. Chronological Eras: Ancient History, Medieval History (to 1500), Early Modern History (1450–1800) and Modern History (1750 to the present);
2. Geographical Areas: Africa and the Middle East, Asia, Canada, Europe (including Britain), Latin America, and the United States;
3. Thematic Fields: the History of Science, Medicine and Technology; the History of Religion; Women and Gender; and Perspectives on Empire.

Promotion Requirements
Promotion from year to year requires a GPA of at least 3.3 with an average of at least 3.3 in all History courses in the Fall/Winter.

Graduation Requirements
Graduation with Honors in History requires a graduation average of at least 3.3 with an average of at least 3.3 in all History courses. Graduation with First Class Honors requires an average of at least 3.7 on all History courses taken in the last two years and an average of at least 3.5 or better on all courses in the two final years (last ★60).

Combined Honors in History and Classics
Students may pursue a Combined Honors program in History and Classics. This degree requires a minimum of ★42 (at the junior and senior levels) in History and ★36 (at the junior and senior levels) in Classics.

The common requirements in a Combined Honors program are the same as for other Honors programs (see BA (Honors)).

Requirements in History
1. HIST 500 (★6) Historiography seminar is required in the third year.
2. HIST 501 (★6) Honors Essay is normally required in the fourth year. However, with the Advisor’s approval, this may be replaced with ★6 in History if the student will be completing an Honors Essay in the other discipline. With special permission, a Combined Honors Essay may also be permitted in lieu of HIST 501 [see Honors Essay]. Consult the Honors Advisor for further information.
3. Additional units of course weight in History as needed to achieve the minimum of ★42 required; at least ★36 must be at the senior level, and at least ★6 must be at the 400-level. HIST 500 and HIST 501 are counted toward the minimum units of course weight required. Advisor approval of course selection is required.

Students must satisfy the second language requirements of the BA Honors History program, see Honors in History.

Promotion and Graduation Requirements
In a combined Honors program, students must meet the promotion and graduation standards of each discipline, see Honors in History.

Major and Minor in History

Cooperative Education (Work Experience) Route

The Cooperative Education (Work Experience) Route gives students who have completed their third year of study in the BA Planning Major, including successful completion of HGP 310 and HGP 315 (or equivalent), and who present a Faculty Grade Point Average of at least 2.3, an opportunity for extended, paid work experience. The placement lasts for four, eight or 12 months, and, after completing the reporting requirements, a student can receive university credit for the experience. The Work Experience designation will appear on the degree parchments of students who have successfully completed the placement. During the placement, students are considered full-time students of the University. Work experience courses have no weight and are graded credit/no credit, and recorded on the student's transcript. The Work Experience Program Advisor maintains contact at approximately threemonth intervals with the student and the person designated by the employer to be responsible for the student’s progress. This arrangement ensures satisfaction on all sides. If the review shows the situation is not satisfactory, the placement may be terminated and the student would then return to classes at the next available opportunity. The graduation requirement for the Work Experience program designation includes successful completion of a least WKEXP 801 and WKEXP 802 plus HGP 401. HGP 401 must be taken in the term immediately following completion of the WKEXP period. If required by the employer, the student’s written report and oral presentation in HGP 401 may be classified confidential. The employer also assesses the student’s performance during the placement. Based on the student’s written report and oral presentation, and the report from the employer, students are awarded a grade in HGP 401. Interested students should see the HGP Work Experience Advisor in the Department of Earth and Atmospheric Sciences for more information.

However, students wishing to emphasize the humanities and social sciences should enrol in the BA program; those wishing to emphasize the physical, biological, and mathematical sciences should enrol in the BSc program. Either program is appropriate for students considering postgraduate training in psychology or in other fields that require these research skills.

Although admission into the Honors Psychology program is normally in the third year, students are expected to take a minimum of ★24 during the Fall/Winter of each year of study, including the first and second years. Once admitted to the Honors program, exceptions to this requirement must have the
prior written approval of the Department and the Faculty. The student’s program of courses must be approved in advance each year by the Honors Psychology Advisor.

These courses may not overlap those used to fulfill the Department’s Computing/Mathematics/Statistics, Natural Science, and Social Science requirements listed above.

Under the supervision of a faculty member in the Department, students undertake a year-long research apprenticeship (PSYCO 399) during the third year, and conduct research and write an empirical thesis (PSYCO 480) during the fourth year. Third-year students present their thesis research proposals, and fourth-year students present the results of their thesis research, at the annual Honors Psychology Conference in April.

Combined Honors in Psychology

Students may pursue a Combined Honors program in Psychology and in another discipline. The common requirements in a Combined Honors program are the same as for other Honors programs (see BA (Honors)).

The requirements in Psychology are the same as described above in Honors In Psychology, including the specified courses from other departments. Careful planning is required, and consulting the Honors Advisors in both departments is mandatory. The third-year research apprenticeship (PSYCO 399) is also required; however, with special permission, a Combined Honors Essay (INT D 520) may be substituted for the Honors Thesis (PSYCO 490). See Honors Essay for further information.

Promotion and Graduation Requirements

In a Combined Honors program, students must meet the promotion and graduation standards of each Department. The requirements in Psychology are outlined in Honors In Psychology.

Major and Minor in Psychology

Degree of BA

See Bachelor of Arts (BA).

The Department of Psychology offers courses leading to BA and BSc degrees. Students who want to emphasize the humanities and social sciences in their programs should register for the BA and follow one of the sequences suggested in the Faculty of Arts section. Students wishing to emphasize the biological sciences should register for the BSc. However, to ensure a well-rounded background in psychological inquiry, students in the BA program must take Psychology courses from both the Faculties of Arts and Science.

Students selecting Psychology as a major are required to take the following:
- PSYCO 104 - Basic Psychological Processes
- PSYCO 105 - Individual and Social Behavior
- STAT 141 - Introduction to Statistics OR
- STAT 151 - Introduction to Applied Statistics

- ★3 from CMPUT, MATH or STAT (not including STAT 141 or STAT 151)
- ★6 at the 300- or 400-level must be from the PSYCO courses offered by Arts
- ★6 at the 300- or 400-level must be from the PSYCO courses offered by Science
- At least ★6 must be at the 400-level

★6 from
- PSYCO 223 - Lifespan Developmental Psychology
- PSYCO 239 - Abnormal Psychology
- PSYCO 241 - Social Psychology

★6 from
- PSYCO 258 - Cognitive Psychology
- PSYCO 275 - Brain and Behavior
- PSYCO 282 - Behavior Modification

★6 from
- PSYCO 104 - Basic Psychological Processes
- PSYCO 105 - Individual and Social Behavior
- STAT 141 - Introduction to Statistics OR
- STAT 151 - Introduction to Applied Statistics OR
Cooperative Education (Work Experience) Route

The Cooperative Education (Work Experience) Route is offered to students in the BA Honors Psychology program or the BA program with a major in Psychology. Students who present a Faculty Grade Point Average of at least 2.3 are eligible for the program, an opportunity for extended, paid work experience. The paid work experience is normally undertaken after completion of a minimum of 15 credits at the 200- or 300-level, and not more than 15 credits at the 400-level. Students who are approved to enter this stream and find an internship placement are registered for a continuous sequence of Arts Psychology Work Experience courses (WKEXP 961, WKEXP 962, WKEXP 963) starting in May or September.

During the program, students are considered full-time students of the University. Work experience courses have no weight and are graded credit/no credit, and recorded on the student’s transcript; students are not permitted to register in any academic courses during the Work Experience Program. The Work Experience Program Advisor maintains contact with the student and the person designated by the employer to be responsible for the student’s progress. This arrangement ensures satisfaction on all sides. If the placement is not satisfactory for either party, the internship may be terminated and the student would then return to classes at the next available opportunity. The graduation requirement for the Work Experience program designation includes successful completion of WKEXP 961, WKEXP 962, and WKEXP 963 (12 to 16 continuous months) plus PSYCO 411. PSYCO 411 must be taken in the first term immediately following completion of the WKEXP period. The employer also assesses the student’s performance during the work term.

Students should be aware that under the Protection for Persons in Care Act, all new employees, volunteers and other people engaged for services by designated agencies (hospitals, nursing homes, group homes, social service agencies, etc.) must complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. In addition, certain other agencies, organizations, and educational facilities may require students to present a Police Information Check prior to entering a practicum, work placement term, internship, or field experience placement.

Students who have concerns related to their ability to provide a clear Police Information Check should consult with the Work Experience Program Advisor prior to specific period of internship/practicum placement. See Requirement for Police Information Checks for more information on the general requirements concerning Police Information Checks and the fees associated with them.

Interested students should see the Work Experience Advisor in the Department of Psychology for more information.

Such students may transfer to another program in the Faculty of Arts, except the BFA (Art and Design) program, if the entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be completed. Readmission to the BDes or BFA program will only be considered following completion of ★24 in coursework that will meet program requirements in one Fall/Winter with a GPA of 2.7 and a successful portfolio submission. Only one readmission to the BDes or BFA program following a recommendation not to continue will be considered.

Bachelor of Music (BMus)

Admission Requirements:
See Bachelor of Music (General) and Bachelor of Music (Performance) and Bachelor of Music (Composition and Theory). Students who do not pass a theory placement exam may be required to complete MUSIC 100 (extra to the Degree) before enrolling in MUSIC 155.

General Information

The Department of Music offers various programs leading to the degree of Bachelor of Music. Three routes are available: General, Performance, and Composition and Theory. The General Route allows students to take various options, the Performance Route allows students to specialize in performance, and the Composition and Theory Route allows students to specialize in composition.

Program Requirements

The required courses, recommended sequencing, and other conditions regarding the BMus program are noted in Arts Chart 2. (Note: The following course has been approved as a Music option: CHRTC 381. The following courses have been approved as specified non-arts options: DAC 160, DAC 165; PAC 355; DANCE 340, DANCE 345, DANCE 350, DANCE 448. All options require Departmental approval.)
Promotion: All Routes
1. To be eligible to continue, students will normally need a minimum GPA of 2.3 each Fall/Winter.

3. Students in all routes are normally required to complete 33 during Fall/Winter of the first and second years, and 30 during the third and fourth years. A reduced course load to 24 does not require departmental approval beyond the normal means of signing a withdrawal form, but a course load of less than 24 requires Faculty approval based on departmental recommendation.
4. Students who fail to meet the requirements for promotion as outlined in (1) above will be required to withdraw from the BMus program. Such students may transfer to another program in the Faculty of Arts or in another Faculty if the entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be met.
5. Students who fail to meet the fourth-year requirements in the program will be permitted to fulfill those requirements only with the approval of the Dean of Arts on Departmental recommendation. Otherwise, students must withdraw from the program and, if so desired, transfer to another program in the Faculty of Arts for which they are able to meet entrance and promotion requirements.
6. A BMus program may be interrupted only with Departmental consent, and continuation will be subject to any conditions, including reauditioning and new program requirements, that may be specified by the Department.

Residence Requirement
1. Students proceeding toward the BMus degree (General, Composition and Theory, and Performance) must normally have credit in at least 63 offered by the University of Alberta.
