In 1908, the University opened its doors as a Faculty of Arts and Science. That year, we had 45 students and four professors in English, modern languages, history and mathematics.

Today, the Faculty of Arts has a key role in the University’s commitment to the people of Alberta and of Canada. Arts is the largest faculty in the University and the third largest English-speaking Arts faculty in the nation. The Faculty’s scholarship and creative work in the humanities, social sciences and fine arts are recognized nationally and internationally. Arts students and professors benefit from one of the top library collections in Canada.

Each year, the Faculty of Arts is entrusted with the education in the liberal and the fine arts of nearly 6,000 undergraduate students, with the specialized advanced education of nearly 800 graduate students, and with the general education of students from other faculties. The effect of the Faculty’s work is apparent across Canada and in other countries where our graduates work and flourish.

An Arts education at the U of A gives our students the opportunity to develop skills enduringly associated with liberal arts education:
- Analytical, critical and creative thinking
- Effective oral and written expression, and familiarity with other communication
- Critical and reflective reading
- The ability to identify and solve problems
- The ability to pose questions that advance understanding and foster investigation
- The ability to conduct original research and to organize complex information
- The skills associated with learning how to learn; the exercise of independent judgment and ethical decision making
- The experience of setting personal goals, managing time, and developing the self-confidence necessary for success
- A sensitivity to individuals and tolerance of cultural differences in groups
- The desire to cooperate with others in team projects
- An informed openness to the information technologies

Our graduates learn to listen, to hear, to think critically and rationally, to communicate effectively, to work independently and in teams, and to make reasoned value judgments. They are knowledgeable about the past and prepared to examine the future. They approach the dynamic global culture with experience in other languages and in the study of societies and cultures. Our graduates discover their special talents, abilities and values, helping them to lead satisfying lives.

Your minor can be chosen from the Faculty of Arts as listed above, or from the Faculty of Science (excluding Computing Science) see §42.3(5).

42.2 General Program Information

Courses that are requirements of one program only are listed under the particular degree or certificate program in §§42.3–42.12 and 43.

(1) Course Definitions

a. Units of Course Weight: A unit of course weight indicates the instructional credit assigned to a course and is designated by the symbol after the course number and name. Units of course weight form a part of the degree requirements and are also used in calculating a student’s Grade Point Average (GPA).

b. Two-term Course: A two-term course is a course with a course weight of 4.0 that normally extends over two consecutive University terms.

c. Term Course: A term course is a course with a course weight of 3.0 that normally extends over one University term.

d. Junior Course: Effective September 1990, all courses offered by the Faculty of Arts numbered 199 or lower are junior-level courses. Before that, all courses offered by Arts numbered 299 or lower were junior-level courses. For courses in all other faculties, the course numbering in effect at that time the course was taken will apply.

e. Senior Courses: Those courses numbered 200 to 599.

f. Normal Course Load: A normal full academic course load is 30 during the Fall/Winter.

g. Courses Extra to the Degree: Courses successfully completed while registered in a program in the Faculty of Arts which are not being used for degree credit are known as courses extra to the degree. Such courses are, however, included in the assessment of academic standing (see §44.6).

h. Minimum Passing Grade: The minimum passing grade in undergraduate courses is a 4.0.

(2) Options

a. Arts or Science Options: The term “option” where it appears in programs means an Arts or Science course chosen by the student if the necessary prerequisite requirements have been met. An “approved option” in all programs is an option approved by the department directing the program of the students concerned. Also refer to point b.

b. Non-Arts or Non-Science Options (i.e., courses not offered by the Faculties of Arts or Science): Students registered in programs in the Faculty of Arts will normally select their courses from those offered by the Faculties of Arts or Science, including the Arts and Science courses offered by Faculté Saint-Jean. Students registered in any program other than the BFA or BMus may take up to 18 (as options) in Faculties other than Arts and Science. These courses, when taken for credit toward the Arts degree, are subject to the following restrictions:

1) The courses may not be used to satisfy the requirements of a junior English course.

2) The courses may not be used to meet the requirements of a major.

3) Their inclusion in a program is subject to Faculty limitations on the number of junior courses and non-Arts courses that may be offered for credit.

4) The courses must, in each case, carry a minimum unit of course weight of 3.0. Two courses in the same faculty, each with a weight of 1.5, will be accepted as the equivalent of one course with a weight of 3.0.

Students in the BDes, BFA or BMus programs should refer to the specific program requirements in §§42.6, 42.7, 42.8, and 42.9 for regulations regarding non-Arts or non-Science options permitted (if any) in those programs.

c. Courses in Christian Theology offered by St Joseph’s College and St Stephen’s College may be taken as Arts options in all Arts programs.

(3) Restricted Enrollment Courses: The Faculty of Arts strives to accommodate all students wishing to enrol in a given course when it is appropriate to their program. However, classes in some courses must, for academic reasons, be restricted in size. If such a course is found to be oversubscribed, priority in registration will be given to those students whose programs may require it (e.g., majors and/or minors) and then to other students as space permits.

(4) Junior Courses: No more than 48 may be taken at the junior level except for the BMus program for which the maximum permitted junior level courses are outlined in §42.9.

(5) Junior English Requirement: Normally, no more than 8 in junior English may be offered for credit in an undergraduate program.
### 42.3 Bachelor of Arts (BA)

This degree is designed to provide students with a diversified education and specialization in at least one subject. Also see §43 for Major and Minor Requirements.

**Residence Requirement:** The BA degree is a program of 120 of which

a. a minimum of 66 must be in courses offered by the Faculty of Arts;

b. 60 must be in courses taken at the University of Alberta;

c. a minimum of 30 must be taken while registered as a student in the Faculty of Arts; and

d. a minimum of 6 must be taken in courses offered by the Faculty of Science.

**Course Load Requirements:** Students will normally complete 30 in each Fall/Winter period and will normally complete the program in four academic calendar years.

**Program Requirements:** The BA degree requires students to successfully complete 120 including the following:

- The core program (42)
- A Canadian Content Coordinate course(s) (6)
- A major subject of concentration
- A minor subject of concentration

1. **First Year:** Each year consists of 30 credits to the program. Within the first 30, students should complete junior courses from the core program including ENGL 100 or 101.

To prepare for the Major, students should enrol, if possible, in a course in the Major Subject in first year. Students are also encouraged to obtain required prerequisite courses early in the program. Students in the BA degree should seek advice and program approval from the advisor in the Department of their major concentration.

2. **Core Program Requirements:** (See Arts Chart 1.)

The Core Requirements (42) are designed to give the foundations of a Liberal Arts education, and students are strongly advised to complete the Core in the first two years of their program.

**Note:** Courses used to meet one core requirement cannot be used to meet another core requirement. However, courses used to satisfy a core requirement may be used to satisfy the Canadian Content requirement (if listed in Arts Chart 2). Senior-level courses in the area of major or minor which meet a core requirement will also be counted toward the major or minor requirements.

(3) Canadian Content Courses: (See Arts Chart 2.)

Canadian Content Coordinator: Students’ programs must include at least 1 of 3 from a list of Canadian Content courses. Courses used to meet the Canadian Content requirement may also be used to satisfy a core requirement. Senior-level courses in the area of the major or minor that are used to satisfy the Canadian Content requirement will also be counted toward the major or minor. (See full course descriptions in §201, Course Listings.)

(4) Major: Students must have a major consisting of a minimum of 3.30 to a maximum of 4 at the senior level (i.e., additional courses in the major may not be taken as options). At least 2 of 6 must be at the 400-level; some departments may require more than 3 at the 400-level.

Senior-level courses in the major subject taken as part of the core program requirements or to satisfy the Canadian Content requirement must also count toward the major.

Students must declare their major to the Student Programs Office following the accumulation of the 60th unit of course weight of their BA program.

See below for the special conditions applying only to Language Majors taking two languages other than English in the same department.

The Faculty of Arts will accept courses and/or subjects listed in the approved subject combinations found in the department listings in §43, and advice is available from respective department advisors.
(5) **Minor:** Students are required to have a minor consisting of a minimum of \(*12\) to a maximum of \(*42\) at the senior level in an approved subject outside the major. At least \(*6\) must be at the 300- or 400-level as specified by the department; some departments require 400-level courses. The maximum units of course weight may not be exceeded (i.e., additional courses in the minor may not be taken as options). Senior-level courses in the minor, taken as part of the core program requirements or to satisfy the Canadian Content requirement, must also be counted toward the minor.

The Faculty of Arts will accept courses and/or subjects listed in the chart in §42.1 as a minor.

In addition to the Arts disciplines noted in §42.1, students may also select as their minor an area or discipline from the Faculty of Science, as follows. Students must meet the minor requirements of the Faculty of Science (see §163.13(3)) as well as those of the Faculty of Arts; therefore, the requirements are a minimum of \(*24\) to a maximum of \(*36\) in the minor subject(s), with no more than \(*12\) at the junior level and at least \(*6\) at the senior level. A Science minor may consist of Science courses taken from a single department or of courses within an area of concentration:

Students with a major in the Department of Earth and Atmospheric Sciences are not permitted to complete a minor in the same department as their major.

(6) **Cross-Listed Courses:** Courses listed in more than one program are known as cross-listed courses.

The use of cross-listed courses is especially common in interdisciplinary programs (Canadian Studies; East Asian Studies; Film and Media Studies; Globalization; Middle Eastern and African Studies; Native Studies; Society, Science and Technology; Women's Studies) which use courses from a number of departments. It also implies that a cross-listed course taken in a particular department may be applied either to a major or minor in the discipline of that department or toward a major or minor in an interdisciplinary program. However, certain restrictions apply when a major or minor in a departmental discipline is combined with an interdisciplinary major or minor. When this occurs, the cross-listed courses will be applied to the departmental discipline, and students will be required to select another course toward their interdisciplinary subject. For example, a student with a major in Political Science and a minor in Canadian Studies is not permitted to apply Political Science courses to the Canadian Studies minor. Similarly, a student with a major in Women's Studies and a minor in History is not permitted to apply courses in History to the major in Women's Studies.

For further details on cross-listed courses, see the entries for interdisciplinary programs §43.1 to 43.29.

(7) **Junior Courses:** No more than \(*48\) at the junior level are permitted for credit to the program. Students should complete \(*30\) at the junior level before registering in senior-level courses. Students interested in issues of employability should consider INT D 100.

(8) **Double Majors in Languages Other Than English:** Double majors are not generally offered in the BA program. The only exceptions are specified languages other than English in which students may select two related languages which can be combined as their major subject; a valid minor subject is still required. The following double language majors are offered: Greek and Latin, Chinese and Japanese, German and Scandinavian, French and Italian, French and Spanish, Italian and Spanish, Russian and Polish, Russian and Ukrainian, Ukrainian and Polish. The following conditions apply:

a. Students selecting a double language major should take two languages other than English in the first year, deferring another Core Requirement other than ENGL 101 to do so.

b. Students majoring in two languages other than English must take a minimum of \(*12\) at the senior level in each language and normally must include a minimum of \(*3\) in each language at the 400-level. In all other respects, the requirements for a major in §42.3(4) apply.

(9) **Non-Arts or Non-Science Options:** A maximum of \(*18\) may be taken outside the Faculties of Arts and Science as long as the courses do not duplicate courses already offered by these two Faculties (see §42.2(2)). Courses offered by the School of Native Studies will be counted as Arts courses (see §42.2(2) and 43.19).

(10) **Interdisciplinary (INT D) Courses:** Unless otherwise indicated in the course description, an INT D course may be applied toward either the major or the minor if it appears under the department's course listings in §201.

**Note:** Normally, a maximum of \(*3\) at the 400-level in INT D may be applied toward the minor requirement, unless otherwise specified by the Department.

**Academic Performance**

(1) **Academic Performance for Graduation:** Students must present credit (with a minimum grade of 4.0 or equivalent) in \(*120\), which satisfy program requirements; present a graduation average of at least 5.0; and present Satisfactory Standing. The graduation average is the quotient of (a) the total number of grade points earned by students in courses credited to the degree, and (b) the total weight of those courses. (Also refer to Academic Standing regulations described in §44.6.) In the case of students who attempt, as part of their program, courses at an institution for which the grades are not precisely equivalent to those of this university, the degree is awarded at the discretion of the Faculty.

(2) **Degrees With Distinction:** Degrees With Distinction shall be awarded to students who achieve an average of at least 7.5 or better on the last \(*60\) of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree.

**42.4 BA (Criminology)**

**Admission Requirements:** See §15.2.3.

**Program Focus:** This quota program, based in the Department of Sociology, coordinates several disciplines to provide a more thorough analysis of the causes of criminal behavior and the variety of social responses to such conduct. It is a program of \(*120\), with Sociology as the principal subject of concentration. The second subject of concentration is composed of a combination of approved courses from the Departments of Anthropology, Economics, Educational Psychology, History, Native Studies, Philosophy, Political Science, and Psychology. The program is for students with career interests in the criminal justice system and includes two field placements for supervised work experience.

**Registration**

(1) Criminology students are required to consult the Program Director to review proposed coursework before registration for each academic year and in advance of any changes to approved registration.

(2) Students initially admitted into the BA program or transferring from other faculties or other postsecondary institutions effective Fall/Winter 1988 must successfully complete the \(*42\) core program of the BA program as part of the \(*120\) requirement for the BA (Criminology) program.

(3) Normally, students are expected to enrol full time (\(*120\) per year), although exceptions may be considered by the Program Director.

(4) Students must obtain permission of the Director in advance if they wish to interrupt their program but retain their status in the BA (Criminology) program.

**Curriculum**

(1) Students seeking admission to Criminology should include ENGL 101, SOC 100, PSYCO 104 and 105, and a Language other than English in the first year of their postsecondary program.

(2) **Subjects of concentration:** The principal subject is Sociology in which a minimum of \(*30\) is required; a maximum of \(*48\) is permitted. The following Sociology courses must be included in the program: 100 or 300, 225, 327, 399, 499; any three of the following: 321, 420, 421, 422, 423, 424, 425, 426, 428, 429. The second subject is composed of a multidisciplinary combination of courses and requires a minimum of \(*27\) to a maximum of \(*39\). No more than \(*18\) from any second subject department is allowed. The following courses must be included in the
course load of at least 12 per term is completed, unless advance permission was granted for a reduced course load.

(3) attained a minimum grade point average of 6.0;

(4) been recommended by the Department of Sociology.

Non-Promotion

(1) Failure to be promoted for academic reasons is cause for removal from the program.

(2) Affected students may transfer to another program in the Faculty if they meet admission requirements of such a program. All other requirements for the new program must be completed after transferring.

Academic Performance

(1) Academic Performance for Graduation: To qualify for a BA (Criminology), students must have completed all program requirements, achieved a minimum GPA of 6.0 in each academic year of the program, and be recommended by the Department of Sociology.

(2) Degrees With Distinction: See §42.3.

42.5 BA (Honors)

This degree provides specialization in the chosen subject(s), with study in greater depth than is provided in the BA program, and demands a higher standard of performance. Also see §43 for Major and Minor Requirements.

Residence Requirement: The BA Honors degree is a program which normally requires a minimum of 120 (some departments may require more) of which

(1) a minimum of 66 must be in courses offered by the Faculty of Arts;

(2) a minimum of 60 must be in courses taken at the University of Alberta;

(3) a minimum of 30 must be completed while registered in the honors degree program.

Course Load Requirements: Honors programs will usually be completed in four consecutive years of study during Fall/Winter. Students in an Honors program are normally required to complete a minimum of 30 each Fall/Winter. However, with the prior approval of the Honors Advisor, a reduced course load may be permitted in extenuating circumstances if a minimum course load of at least 9 per term in each Fall/Winter is completed, unless otherwise noted in §43.1 to 43.29. Advisors must notify the Faculty Office in all such cases. Requests to be permitted to continue in Honors while completing a course load of less than 9 per term in Fall/Winter may be considered by the Honors Executive Committee in exceptional circumstances; however, students will not normally be permitted to continue in an Honors program if less than 9 per term in Fall/Winter are completed. All degree requirements must normally be completed within five academic years of commencing the program.

Program Requirements

The BA Honors degree requires the successful completion of 120 (or more if specified by the department). In each year, Honors students’ programs, and every change of registration, must be approved by the Departmental Advisor signifying the approval of the Department.

1. Common Requirements of All Honors Programs

English 101 or equivalent; CP a Language other than English; 3 chosen from the Humanities; 3 chosen from the Social Sciences; 3 chosen from the Fine Arts; a further 3 chosen from the Humanities, Social Sciences, or Fine Arts; 6 in Natural Science or Formal Studies; 6 from the approved list of Canadian Content courses for the BA degree.

a. Courses chosen to meet these requirements should be selected from the core requirements lists for the degree program (see Arts Charts 1 and 2).

b. The Humanities requirement is not satisfied by English 101 or the Language other than English, but may be satisfied by subsequent courses in these areas.

c. Courses in the "Social Context of Science and Technology" are not applicable toward the Natural Science or Formal Studies requirement noted above.

2. Junior Courses: No more than 48 at the junior level are permitted for credit in the program.

3. Non-Arts or Non-Science Courses: A maximum of 18 in non-Arts or non-Science courses may be taken outside the Faculties of Arts or Science, as long as the courses do not duplicate courses already offered by these two Faculties.

4. Requirements in the Major Subject: An Honors program in a single discipline will normally require a minimum of 48 in the major subject, as defined by the Department. A minimum of 36 must be at the 400 level; however, some departments may require more. Normally, no more than 60 may be presented in the major subject unless otherwise specified by the Department. Where a maximum has been specified, it may not be exceeded (i.e., additional courses in the subject of concentration may not be taken as options).

5. Requirements in Combined Honors: For Combined Honors programs, the minimum number of courses in each subject of concentration will be decided through consultation with the Departments concerned in planning the total program; however, a minimum of 36 at the junior and senior level in each discipline will be required in all Combined Honors programs. At least 30 in each discipline must be at the senior level. More than this may be required in some disciplines to meet specific program requirements. For further information on the requirements of a particular program, see the appropriate Department Calendar statement in §43.

Students should be aware that a Combined Honors program may not qualify them for direct admission to a graduate program in one of the disciplines. Further coursework in one of the disciplines may be required for Graduate Studies.

6. Minor Subject: Most Honors programs do not have a minor subject requirement; however, where a minor subject or related subjects are required, these will be specified in the individual department requirements in §43.1 to 43.29. Those programs which do not require a minor normally do permit some options.

7. Honors Essay: Some departments require the completion of an Honors Essay in addition to specific course requirements. In the case of Combined Honors programs, students may be required to complete an Honors Essay in one or both disciplines, depending on specific departmental requirements. Where both departments require an Honors Essay, students will complete one for each department or may, on special request, be permitted to write a Combined Essay INT D 520 which will meet the requirements of both departments. Students should refer to the specific department entries in §42 to determine which departments offer combined honors programs and require an Honors Essay. Where a Combined Essay is permitted, this will be noted in the Department Calendar entry, and in such cases the following conditions will apply:

a. A combined essay is applicable only to students in combined honors programs.

b. It is applicable only when both departments require an essay and only when both departments agree to a combined essay.

c. The combined essay INT D 520 will meet the essay requirements of both departments.

d. The combined essay will be supervised by, and graded jointly by, the cooperating departments; a single final grade will be submitted.

e. The essay will address the subject matter in both departments equally and in a way that emphasizes the interaction between the two disciplines.

8. Cooperative Work Option Within Honors Programs: Cooperative education is based on the principle that, for some students, periods of appropriate

Promotion

(1) To be promoted to the next year, students will normally need a minimum grade point average of 5.5 and Departmental recommendation.

(2) In the case of students who receive a grade of less than 6.0 in any core acting course (i.e., DRAMA 335, 336, 338, 345, 346, 348, 355, 356, 358, 435, 436, 438, 445, 446, 448, 455, 456, 458), or who receive a grade of less than 6.0 in any core design course (i.e., DRAMA 370, 371, 372, 375, 470, 471, 472, 473, 476, 479, 570, 571, 572, 573, 574, 576), or who receive a grade of less than 6.0 in any core technical theatre course (i.e., DRAMA 372, 375, 378, 390, 392, 396, 397, 398, 471, 472, 479, 490, 491, 495, 496, 497, 498, 572, 574, 577, 579), Departmental recommendation for promotion may be withheld.

(3) A student failing to receive Departmental recommendation for promotion at the end of any term of the first or second year of residence, or failing to achieve a minimum CGPA of 5.5 at the end of any Fall/Winter, may be required by the Faculty of Arts to withdraw from the BFA (Drama) program immediately. Students who are required to withdraw may apply for transfer to another program in the Faculty.

(4) Final-year requirements include a minimum grade point average of 5.5 and Departmental recommendation.

(5) Students who fail to meet the final year requirements in the program will be permitted to fulfill this requirement only with the approval of the Dean of Arts on the recommendation of the Department; otherwise, they must withdraw from the program and may apply for transfer to another program in the Faculty.

(6) A Bachelor of Fine Arts program may be interrupted only with Departmental consent.

Residence Requirement

Students must complete the BFA (Acting), BFA (Design) or BFA (Technical Theatre) program as full-time students, in a full course load, at the University of Alberta.

Academic Performance

(1) To qualify for the Bachelor of Fine Arts in Drama, students must have successfully completed the curriculum for the chosen area of specialization; have met all promotion, continuation, final year, and residence requirements; and receive the recommendation of the department.

(2) For the degree of BFA With Distinction, candidates are required to carry a full course load in each of the last two years and obtain a grade point average of 7.5 or higher over those last two years. Students who have taken part of their program at another university may be granted a degree “With Distinction” at the discretion of the Faculty.

42.9 Bachelor of Music (BMus)

Admission Requirements: See §§15.2.8 and 15.2.9. Students who do not pass a theory placement exam may be required to complete MUSIC 100 (extra to the Degree) before enrolling in MUSIC 155.

General Information

The Department of Music offers various programs leading to the degree of Bachelor of Music. Five routes are available: General, Performance, Music History, Composition and Theory, and School Music. The General and the School Music Routes both require 132 to complete the program. The General Route allows students to take various options while the School Music Route prepares students for further training in music education and, in particular, for admission to the BEd After Degree program in Music Education. The Performance Route requires 129 to complete the program and allows students to specialize in performance. The Music History and the Composition and Theory Routes both require 132.

Program Requirements

The required courses, recommended sequencing, and other conditions regarding the BMus program are noted in Chart 3. (Note: The following courses have been approved as specified non-arts options: DAC 160, 165; PAC 355; DANCE 300, 340, 345, 350, 446. All options require Departmental approval.)

Promotion: All Routes

(1) To be eligible to continue, students will normally need a minimum GPA of 5.5 each Fall/Winter.

(2) Successful completion of the program requirements includes a cumulative grade point average of 5.5 on all courses completed in the program.

(3) Students are normally required to complete at least 33 during each Fall/Winter (with the exception of the fourth year of the Performance route in which 30 will be taken). A reduced course load to 24 does not require departmental approval beyond the normal means of signing a withdrawal form, but a course load of less than 24 requires Faculty approval based on departmental recommendation.

(4) Students who fail to meet the requirements for promotion as outlined in (1) above will be required to withdraw from the BMus program. Such students may transfer to another program in the Faculty of Arts or in another Faculty if the entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be met.

(5) Students who fail to meet the fourth-year requirements in the program will be permitted to fulfill those requirements only with the approval of the Dean of Arts on Departmental recommendation. Otherwise, students must withdraw from the program and, if so desired, transfer to another program in the Faculty of Arts for which they are able to meet entrance and promotion requirements.

(6) A BMus program may be interrupted only with Departmental consent, and continuation will be subject to any conditions, including reauditioning and new program requirements, that may be specified by the Department.

Residence Requirement

(1) Students proceeding toward the BMus degree (General, Music History, Composition and Theory, Performance, or School Music) must normally have credit in at least 66 offered by the University of Alberta.

(2) The final year of the program will normally be taken in one regular academic year at the University of Alberta. The Department may recommend to the Associate Dean (Student Programs) exemption from this regulation.

Graduation Requirements: All Routes

(1) To qualify for the Bachelor of Music degree, students must successfully complete relevant curriculum requirements; meet the promotion, final year and residence requirements; and receive Departmental recommendation.

(2) Degrees With Distinction shall be awarded to students who achieve a grade point average of 7.5 or more on all the units of course weight credited to the program and on all the units of course weight in Music. Students who have taken part of their program at another university may be granted a degree “With Distinction” at the discretion of the Faculty.

Residence Requirements

(1) Students proceeding toward the BMus/BEd Combined Degree program must normally have credit in at least ★96 offered by the University of Alberta.

(2) Students who take part of their final ★60 at another postsecondary institution must seek the approval of the Department of Music, the Faculty of Arts, and the Faculty of Education.

Graduation Requirements

(1) To qualify for the Bachelor of Music/Bachelor of Education Combined Degree, students must successfully complete relevant curriculum requirements, meet the promotion, final year and residence requirements, and receive the recommendation of the Department of Music, the Faculty of Arts, and the Faculty of Education.

(2) Degrees With Distinction shall be awarded to students who achieve a grade point average of 7.5 or more, both on all of the units of course weight credited to the program and on all of the units of course weight in Music. In the case that transfer or other students have attempted, as part of their program, courses at another institution, the Degree “With Distinction” will be awarded at the discretion of the Faculties.

42.11 After Degree Programs

42.11.1 BA After Another Undergraduate Degree (other than Bachelor of Arts)

Applicants having a first undergraduate degree other than a Bachelor of Arts may be admitted to the BA After Degree programs. All requirements for the degree must be met (see §42.3). The total number of required units of course weight in the After Degree program will vary depending on the degree held and the BA program sought; however, a minimum of ★60 will always be required. In some cases, more than ★60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.
Notes
(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the degree program.
(2) Courses in other Faculties (non-Arts or non-Science options) open to students in the BA program (§42.2(2b) and 42.3(9)) are not permitted for credit in a BA after a previous degree.
(3) The major or minor selected in the After Degree program may be in disciplines already included in the first degree if they are an approved subject for a major or minor (see §42.1 or 42.3(5)) if no more than 80 at the senior level have already been completed in the discipline in question. Where 80 or less in the discipline have been completed, those disciplines may be designated as a major or a minor, and it is expected that additional courses will be taken in those subjects to the maximum allowed as part of the After Degree program. Where more than 80 have already been completed in a discipline, that subject may not be selected as a major or minor for the BA after a previous degree (see point (4) below).
(4) Students who wish to pursue additional studies in a discipline which cannot be selected as a major or minor may apply for admission as a Special Student (see §15.2.15) or to a BA Honors After Degree Program (see §42.11.2) if the academic admission requirements for those programs are met. Alternatively, these areas may be pursued as options in a BA After Degree program to the extent possible within the requirements of the program.
(5) Students applying to a third undergraduate degree will receive no reduction in the units of course weight requirements.

Residence Requirements
(1) A minimum of 66 must be in courses offered by the Faculty of Arts, including courses in Arts disciplines taken as part of the first degree, as well as those completed as part of the After Degree program.
(2) A minimum of 60 must be completed at the University of Alberta.
(3) At least 30 must be completed while registered as a student in the Faculty of Arts.

Academic Performance for Graduation
Students must achieve a minimum grade of 4.0 (or equivalent) in all courses credited to the After Degree program, present a graduation average of at least 5.0, and present "Satisfactory" academic standing. The graduation average is the quotient of (a) the total number of grade points earned in courses credited to the After Degree program and (b) the total weight of those courses. Academic Standing regulations are described in §44.6. In the case of students who attempted, as part of the program, courses at an institution for which the grades are not precisely the equivalent to those of the University of Alberta, the degree will be awarded at the discretion of the Faculty.

Graduation "With Distinction": Degrees With Distinction are awarded in an After Degree program to students who achieve a grade point average of 7.5 or better on the last 60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree.

42.11.2 BA (Honors) After Another Undergraduate Degree
General Information
Requirements of a BA (Honors) degree after another undergraduate degree will vary depending on the degree held and the Honors degree sought. No more than 48 at the junior level may be recognized and/or credited toward the requirements of the Honors After Degree program. In all cases, minimum admission and promotion requirements must be met (see §15.2 and §42.5) and departmental recommendation and Faculty approval for admission must be secured. All core program requirements and all specified departmental requirements must be fulfilled, either through courses recognized from the first degree, or through courses taken as part of the After Degree program. For detailed information, applicants should contact the Departmental Honors Advisor concerned and the Faculty of Arts Student Programs Office.

Graduation
To qualify for a BA (Honors) After Degree, students must meet the promotion and graduation requirements specified for each Department (§43.1.1 to 43.29.1). The graduation average will be calculated on all courses credited to the After Degree program, as well as those courses recognized from the first degree which fulfill program requirements. An Honors After Degree may be awarded with "First-Class Honors" if an average of at least 8.0 is achieved on all courses beyond the junior level in the subject of concentration (including those completed as part of the first degree as well as those credited to the After Degree program), and if an overall average of at least 7.5 is achieved on all courses credited to the After Degree program.

Notes
(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the Honors program.
(2) Courses outside the Faculties of Arts or Science are not normally permitted in a BA Honors after a previous degree.
(3) The major subject of concentration may be the same as in the first degree if it is an Arts subject. Where a department has indicated a maximum total units of course weight permitted in the major, courses in that subject taken as part of the first degree will be included. However, depending on the remaining program requirements, not all courses in the major subject will necessarily be recognized in the previous program if doing so will exceed the maximum.
(4) Students applying to a third undergraduate degree will receive no reduction in the course weight requirements.
(5) The course requirements in an After Degree program are subject to the approval of the Associate Dean (Student Programs).

42.11.3 BFA, BDesign, or BMus After Another Undergraduate Degree
Applicants having a first undergraduate degree may be admitted to the BFA, BDesign, or BMus After Degree programs. All requirements for the degree, as detailed in §42.6, 42.7, 42.8 or 42.9, must be met. The total number of units of course weight in the After Degree program will vary depending on the previous degree held and the After Degree sought. The total required in a BFA (Art and Design) or BDesign After Degree program will normally be 90, but in no case will less than 72 be required. The required number of units of course weight in a BMus (Drama–Acting) program will normally be 98, but in no case will less than 96 be required. The required number of units of course weight in a BFA (Drama–Design) program will normally be 103, but in no case will less than 92 be required. The required number of units of course weight in a BMus After Degree program will normally consist of either 99 in the General or School Music routes, or 96 in the Performance Music route, but in no case will less than 72 be required.

Notes
(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the program.
(2) Courses outside the Faculties of Arts or Science are not normally permitted in a BFA, BDesign, or BMus after a previous degree, with the exception of specified degree requirements.
(3) Students applying to a third undergraduate degree will receive no reduction in the units-of-course weight requirements.
(4) Promotion Requirements: In an After Degree program, students are required to meet the same promotion standards as specified for the respective program in §42.6, 42.7, 42.8, or 42.9.
(5) Graduation Requirements
a. BFA (Art and Design) After Degree: To qualify for the BFA (Art and Design) After Degree, students must successfully complete the required units of course weight specified for the program; meet all promotion, continuation, final year, and residence requirements described in §42.7; and receive Departmental recommendation.

c. BMus (Drama) After Degree: In the After Degree program, students must meet the same graduation requirements as specified for the respective program in §42.8.

d. BMus After Degree: To qualify for the BMus After Degree, students must successfully complete the curriculum for the chosen route (§42.9) and meet all promotion, continuation, final year, and residence requirements (§42.9).

(b) Degrees With Distinction
a. BFA (Art and Design) After Degree: Degrees With Distinction are awarded to students who achieve an average of 7.5 or more, on all units of course weight credited to the After Degree program and on all units of course weight in Art and Design credited to the After Degree program. 42.12 Cooperative Education (Work Experience) Program

Students should contact their Department Office to determine if the Department is participating in this program. For those Departments that are participating, students may consult the Department Coordinator, Cooperative Education (Work Experience) for further information on the program including admission requirements. In participating Departments, the Cooperative Education (Work Experience) Program provides students who have completed their third year of study in the Faculty of Arts with an opportunity to apply for an extended, paid work experience. The program lasts for 12 to 16 months, and after completing the reporting requirements, a student may receive university credit for the experience. Academic requirements to be met by students wishing to participate may vary by Department but a minimum Faculty Grade Point Average of at least 5.5 is always required. Possession of the minimum FGPA requirement may not be sufficient to qualify for participation. Additional requirements (i.e., an interview) may also be required at the discretion of the participating Department.

Students should be aware that under the Alberta Protection of Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

A student must successfully complete WKEXP 801, 802, and 803 and the final year of their academic program to graduate with the Cooperative Education (Work Experience) Program designation. Students are not permitted to register in any academic courses during the period of work experience, but are considered to be full-time students at the University of Alberta for the periods in which they are enrolled in WKEXP courses.

Student participation in the program is voluntary; however, it is not possible to guarantee that all students wishing to participate will be able to do so, as participation is dependant on the availability of suitable work placements. Participating Departments will make every effort to assist in finding suitable employment for those students wishing to take part in the program, but ultimately the responsibility for obtaining suitable employment rests with the student who wishes to participate.

Students choosing to participate should also be aware that participation in the program may result in difficulties in selecting courses for their program, as participating Departments may not have the flexibility to offer desired courses in terms suitable to all students. If particular courses are required or strongly desired, students must plan work terms around the availability of such courses.

Following is the normal sequence of required courses in the Cooperative Education Program:

See §42.5 for Faculty regulations concerning the Honors program.

The BA Honors in Canadian Studies can be designed around a single disciplinary specialization, or a specialization across two disciplines, or a multidisciplinary topical specialization (e.g., Alberta studies, northern studies).

Specialization in a single discipline, especially History, Political Science, English, French, or French-Canadian, permits a Combined Honors degree in that discipline and Canadian Studies; this pattern should be elected in the first year.

Honors in Canadian Studies requires a minimum of 54 with a primary emphasis on the study of Canada as approved by the Canadian Studies Committee, which must include the following:

- 6 in Canadian history; 6 in Canadian political science; 6 in Canadian literature, selected from courses in English (ENGL), French or French-Canadian (FREN or FR CA), or Comparative Literature (C LIT); 3 Canadian Fine Art; CANST 353, 354, 450, an additional 6 in CANST courses; and CANST 520, the honors essay. The topic for the essay, which is interdisciplinary or cross-disciplinary, will be chosen in consultation with the Honors advisor toward the end of the third year and written during the fourth year under the supervision of at least two faculty members who shall be from different departments.

Language requirement: Students in Canadian Studies must demonstrate competence in written and spoken French by completing 6 at the senior level in French or French-Canadian or 6 of approved senior level Canadian content courses taught in French. Notes

(1) See §42.3(6) for regulations applicable to cross-listed courses. Cross-listed courses may not overlap the student’s minor subject. (2) If the minor selected overlaps requirements noted in points (2) b, c or d, the requirement must be met; however, the course(s) selected will count only toward the minor, and the student will be permitted to substitute an additional 6 in CANST or Canadian Content courses in lieu of that requirement for the major to fulfill the minimum 30 requirement for the major.

An equal number of units of course weight in the other discipline is normally required and course selection must conform to Honors requirements in the respective Departments.

Promotion and Graduation Requirements
In a combined Honors program, students are required to meet the promotion and graduation standards of each discipline. The requirements in Comparative Literature are outlined in §43.5.1.

43.6 Drama

43.6.1 Honors in Drama

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements.

See §42.5 for Faculty regulations concerning the Honors program.

The Honors program offers the exceptional student an opportunity for intensive study in Drama. Because the performed play is the object of exploration, knowledge of dramatic literature, theatre and aesthetics is as essential as familiarity with the creative process of theatre art. The program is therefore flexible enough to embrace both components. Students are encouraged to participate in departmental productions.

Honors in Drama requires a minimum of 48, maximum of 70 in Drama (at the junior and senior levels) including DRAMA 102/150, 353, 379, 508 and 509; and the following Honors core courses: DRAMA 304, 408, 409, and 505 (Tutorial and Essay) which, under the supervision of a full-time Faculty member of the Department, will start in the spring of the third year and continue through the fourth. The Honors seminars DRAMA 405 and 503 are required in addition to normal course requirements. The Honors program in Drama does not have a minor requirement. Due to the nature of the Honors program in Drama, a combined honors program in Drama is not normally offered.

Note: The following courses have been approved for cross-listing as applicable to the Honors program in Drama (see §42.3(6)): JAPAN 416, SCAND 353 and 354.

Promotion Requirements
Promotion from year to year requires a minimum GPA of 6.5 with a grade of 7.0 or better in the Honors core Drama courses and the Honors seminars.

Graduation Requirements
Graduation with Honors in Drama requires a graduation average of at least 6.5 with an average of at least 7.0 in all Drama courses. Graduation with First Class Honors requires a minimum average of at least 8.0 on all Drama courses in the last two years and an average of 7.5 or better on all courses in the two final years (last 60).

43.6.2 Major and Minor in Drama

Degree of BA
See §42.3.

Dr. as a Major
The minimum Faculty requirement for a major concentration is 6 at the 400-level. However, students wishing to concentrate in Drama are required to complete an additional 4 at the 400-level to fulfill the departmental requirement.

A major in Drama requires DRAMA 102 and 150 as foundation courses which should be taken in the first year and which fulfill the requirements for a Fine Arts Core Requirement. At the senior level, the Department requires a minimum of 30 and a maximum of 48 (at least 12 of which must be at the 400-level or above). The program requires core courses in Theatre History (DRAMA 304), Acting (DRAMA 353), and Production (DRAMA 379). All these courses (12) should be taken in the second year, with completion of BA core requirements in the third year. Further courses are available in acting, design, directing, improvisation, oral communication, playwriting, technical theatre, theatre history, and youth drama. Students may select Drama options to obtain broad exposure to theatre, or may focus on specific areas of interest.

The sequential nature of the BA (Drama) program requires careful planning of third- and fourth-year choices. As students must obtain prior consent from the Department of Drama each year to register in certain BA Drama courses, students should consult a BA Drama Advisor as early as possible to obtain assistance in selecting their courses.

Dr. as a Minor
See §42.3(5).

A minor in Drama requires at least 12 at the senior level, of which must be at the 400-level. Most 400-level Drama courses have specific prerequisites and need Departmental consent. Students interested in a minor in Drama should take DRAMA 102 and 149 as their Fine Arts Core Requirement and should obtain registration approval from the Department before registering in any Drama course.

Note: The following courses have been approved for cross-listing as applicable to a major or minor in Drama (see §42.3(6)): JAPAN 416, SCAND 353, and SCAND 354. If these courses are in the same subject area as the student’s other area of specialization, they will apply only to the requirements in that discipline, and other courses must be selected to meet the requirements in Drama.

For the degree of BFA in Drama, see §42.8.

Students planning to apply for admission to the Honors program should consult §15.2 for admission requirements. See §42.5 for Faculty regulations concerning the Honors program.

Honors in Economics requires a minimum of 54 and a maximum of 60 in Economics (at the junior and senior levels). The Department offers two different routes or sets of course requirements to obtain Honors in Economics. One route includes advanced training in econometrics and mathematical economics and is appropriate for students contemplating continuing their studies in economics at the graduate level. The other also leads to a specialized degree in economics and requires completion of an honors essay; it is more appropriate for students with different career objectives or contemplating studies in related disciplines after graduation. Students should consult the Department advisor to determine which route to select. Requirements for the two alternatives follow:

Honors Route for Graduate Study in Economics

Additional courses in mathematics (especially MATH 115 and 225), statistics, and computing science are recommended as options. ECON 401, 402 are also highly recommended.

Promotion Requirements

Promotion from year to year requires a GPA of at least 6.5 with an average of at least 7.0 in all Economics courses.

Graduation Requirements

Graduation with Honors in Economics requires a graduation average of at least 6.5 with an average of at least 7.0 in all Economics courses. Graduation with First Class Honors requires an average of at least 8.0 on all senior level Economics courses and a GPA of 7.5 or better on all courses in the final year (last 30).

Students in the Combined Honors program in Economics and Mathematics may not receive credit for ECON 386/387, and should select further mathematics courses from MATH 336, 372, 373, 417, 472, 486.

Each Combined Honors program must have the approval of the Department of Economics and the other discipline. Economics does not require an Honors Essay.
Promotion and Graduation Requirements

In a Combined Honors program, students must meet the promotion and graduation standards of each department. Requirements in Economics are outlined in §43.8.1.

For advice on other courses at the 300- or 400-level, students may consult an advisor in the Department of Economics.

If students majoring in Economics select Statistics as their minor, they should include STAT 265/266 and one of STAT 361 and 377 in the courses they select. For advice on other courses at the 300- or 400-level, students may consult an advisor in the Department of Economics.

43.22.1 Honors in Psychology

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements. Admission into the Honors program is permitted only at the end of the second year (after completion of 60). Final acceptance into the Honors program is dependent upon obtaining written approval from a potential research supervisor prior to August 7.

See §42.5 for Faculty regulations concerning the Honors program.

The Department offers courses leading to the degrees of BA and BSc with Honors in Psychology. Faculty requirements for Honors programs are identical. However, students wishing to emphasize the humanities and social sciences should enrol in the BA program; those wishing to emphasize the physical, biological, and mathematical sciences should enrol in the BSc program.

Although admission into the Honors Psychology program is permitted only in the third year, students are expected to take 30 during the Fall/Winter of each year of study, including the first and second years. Once admitted to the Honors program, exceptions to this requirement must have the prior written approval of the Department and the Faculty. The student’s program of courses must be approved in advance each year by the Honors Psychology Advisor.

These courses may not overlap those used to fulfill the Department’s Computing/Mathematics/Statistics, Natural Science, and Social Science requirements listed above.

Under the supervision of a faculty member in the Department, students undertake a year-long research apprenticeship (PSYCO 390) during the third year, and conduct research and write an empirical thesis (PSYCO 490) during the fourth year. Third-year students present their thesis research proposals, and fourth-year students present the results of their thesis research, at the annual Honors Psychology Conference in April.

**Promotion Requirements**

Promotion from year to year requires a GPA of at least 7.0 with an average of at least 7.0 in all Psychology courses in the Fall/Winter.

**Graduation Requirements**

Graduation with Honors in Psychology requires a graduation average of at least 7.0 with an average of at least 7.0 in all Psychology courses. The requirements in Psychology are the same as described above in §43.22.1, including the specified courses from other departments. Careful planning is required, and consulting the Honors Advisors in both departments is mandatory. The third-year research apprenticeship (PSYCO 390) is also required; however, with special permission, a Combined Honors Essay (INT D 520) may be substituted for the Honors Thesis (PSYCO 490). See §42.5(7) for further information.

**Promotion and Graduation Requirements**

In a Combined Honors program, students must meet the promotion and graduation standards of each Department. The requirements in Psychology are outlined in §43.22.1.

**43.22.3 Major and Minor in Psychology**

**Degree of BA**

See §42.3.

The Department of Psychology offers courses leading to BA and BSc degrees. Students who want to emphasize the humanities and social sciences in their programs should register for the BA and follow one of the sequences suggested in the Faculty of Arts section. Students wishing to emphasize the biological sciences should register for the BSc. However, to ensure a well-rounded background in psychological inquiry, students in the BA program must take Psychology courses from both the Faculties of Arts and Science.

Students selecting Psychology as a major are required to take the following:

1. PSYCO 104 and 105
2. STAT 151 (prerequisite Mathematics 30)
3. ★6 from PSYCO 223, 233, 241, 258
4. ★6 from PSYCO 267, 275, 281
5. ★3 from CMPUT, MATH or STAT (not including STAT 151)
6. ★6 at the 300- or 400-level must be from the courses offered by Arts
7. ★6 at the 300- or 400-level must be from the courses offered by Science
8. At least ★6 must be at the 400-level

Students selecting Psychology as a minor are required to take the following:

1. PSYCO 104 and 105
2. STAT 151 (prerequisite Mathematics 30)
3. ★3 from PSYCO 223, 233, 241, 258
4. ★3 from PSYCO 267, 275, 281
5. ★3 of 300- or 400-level courses offered by Arts

**Note:** Because STAT 151 is a prerequisite or corequisite for several senior courses, it should be taken in Year 1 or 2.

**43.22.4 Cooperative Education (Work Experience) Route**

The Cooperative Education (Work Experience) Route gives students who have completed their third year of study in the Department of Psychology, and who present a Faculty Grade Point Average of at least 5.5, an opportunity for extended, paid work experience. The program lasts for 12 or 16 months, and, after completing the reporting requirements, a student can receive university credit for the experience.

A student must successfully complete WKEXP 961, 962, 963 and PSYCO 411, and the final year of their academic program to graduate with the Cooperative Education (Work Experience) Route designation. Students are not permitted to register in any academic courses during the work experience, but are considered to be full-time students at the University of Alberta for the periods they are enrolled in WKEXP courses.

Students should be aware that under the Alberta Protection of Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

Student participation in the program is voluntary; however, it is not possible to guarantee that all students wishing to participate are able to do so, as participation depends on the availability of suitable work placements. The Department will make every effort to assist in finding suitable employment for those students wishing to take part in the program, but ultimately the responsibility for obtaining suitable employment rests with students who wish to participate.

Students choosing to participate should also note that participation in the program may result in difficulties in selecting courses for their program, as the Department may not have the flexibility to offer desired courses in terms suitable to all students. If particular courses are required or strongly desired, students must plan work terms around the availability of such courses.

Following is the normal sequence of required courses in the cooperative education route:

Students completing their preparatory studies at the University of Alberta will be considered enrolled at the University of Alberta during their courses in Russia. Prospective applicants should consult an undergraduate advisor in Slavic and East European Studies.

43.26 Society, Science and Technology

43.26.1 Minor in Society, Science and Technology

This interdisciplinary minor subject of concentration will enable students to apply the approaches of the social sciences and humanities to understand science and technology as human and social activities. It will also enable them to study the impact of science and technology on societies past and present.

A minor in Society, Science and Technology requires ANTHR 230, HIST 294, PHIL 265 and in addition to these three courses, $6 to a maximum of $33 at the senior level in courses identified by the Faculty of Arts as complementary courses. A listing of these courses and the name of the advisor for the Society, Science and Technology minor can be obtained from the Student Program Office of the Faculty.

Students must be aware of all the regulations regarding cross-listed courses in §42.3(6). Also see §42.3(5).

43.27 Sociology

43.27.1 Honors in Sociology

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements.

General program requirements are listed in §42.5. Faculty compulsory core requirements are junior English course (ENGL 100 [recommended] or ENGL 101); Humanities ($3); Fine Arts ($3); Natural Sciences and/or Formal Studies ($6) and Social Sciences (SOC 100 and 101 or 102). A maximum of $54 at the senior level is possible, the additional $12 being made up of any $6 at the senior level and $6 at the 400-level.

Compulsory requirements for a minor are met by a study of subjects in an area or areas related to the student’s interest in Sociology. $30 (at the junior and senior levels) are required; however, without permission of the Associate Chair (Undergraduate), no more than $18 from any single department are allowed.

The remainder of an Honors student’s program is composed of optional coursework. Courses taken outside the Faculties of Arts and Science may be approved as part of the minor requirement in related areas, or they may be taken as options if their number, in the total program, does not exceed $18.

Honors students considering graduate studies should take senior courses in population and additional coursework in theory and methods beyond that required of Honors students.

Due to the unique nature of the minor requirements in the Honors in Sociology program, a Combined Honors program in Sociology is not normally offered.
Note: W ST 305 has been approved for cross-listing as applicable to a major or minor in Sociology (see §43.27.2).

44.2 Admission and Transfer

The admission and transfer requirements of the Faculty of Arts are in §15.2 with additional general admission information in §13 to 14.

(1) Preprofessional Programs: There are no preprofessional programs, as such, in the Faculty of Arts. Students admitted to a Faculty of Arts program who plan to transfer later to a professional program in another faculty must satisfy Faculty requirements while they are registered in this faculty. Students planning to transfer should consult the Calendar or Counsellors of the relevant faculty for advice concerning courses which satisfy the requirements of both programs.

(2) Residence Requirement: Students taking a 120 program in the Faculty of Arts must have credit in at least 60 offered by the University of Alberta. Students in a 123 or 126 program must have credit in at least 63 offered by the University. Those in a 129 or 132 program must have credit in at least 66 offered by the University of Alberta. Also refer to §23.2, and the specific program requirements in §42.

(3) Letter of Permission: Following initial admission, students are expected to complete all requirements at the University of Alberta. However, under academically justifiable special circumstances, students may apply to the Dean for permission to take courses at another institution for application to their program here if:

a. they are degree program students of the Faculty of Arts;

b. they have already completed a minimum of 24 of their program at the University of Alberta;

c. they present “Satisfactory” academic standing (i.e., a FGPA of 5.0 or greater).

Approval will not, however, be granted for requests where the student has already received the maximum allowable transfer courses (60). Requests to take a senior course in the student’s major subject of concentration will be considered only with the written approval of the Department advisor. There is no obligation to grant transfer credit unless prior permission has been obtained. Qualified students should contact the Student Programs Office, 6-7 Humanities Centre, to obtain the necessary forms.

(4) Application to Receive a Degree: Following initial admission, students are expected to complete all requirements at the University of Alberta. However, under academically justifiable special circumstances, students may apply to the Dean for permission to take courses at another institution for application to their program here if:

a. they are degree program students of the Faculty of Arts;

b. they have already completed a minimum of 24 of their program at the University of Alberta;

c. they present “Satisfactory” academic standing (i.e., a FGPA of 5.0 or greater).

Approval will not, however, be granted for requests where the student has already received the maximum allowable transfer courses (60). Requests to take a senior course in the student’s major subject of concentration will be considered only with the written approval of the Department advisor. There is no obligation to grant transfer credit unless prior permission has been obtained. Qualified students should contact the Student Programs Office, 6-7 Humanities Centre, to obtain the necessary forms.

In exceptional circumstances, and following completion of the first 30, acceleration to the maximum of 18 per term during Fall/Winter and 9 per term during Spring/Summer may be permitted by the Faculty; however, requests to accelerate are not granted to students who are not in Satisfactory Academic Standing (see §44.6).

As well, students who are not in Satisfactory Academic Standing are normally required by the Faculty to carry a reduced course load (i.e. less than 15 per term) during the Fall/Winter and may be prohibited from taking Spring/Summer courses until their academic performance improves and satisfactory standing is attained.

(6) Failure to “drop” a course: Students who do not formally withdraw from a course but who are absent from the final examination without excuse (see §23.5.3) will be given a mark of zero (0) on the final examination. The final grade in the course will then be determined by combining the appropriately weighted term grade and the assigned zero in the final examination, the mathematical result rounded to the lowest whole number. Students who register in a course but do not attend and do not formally withdraw will receive a grade of 1.0.

Faculty Saint-Jean

Many Arts courses are also offered in French at Faculté Saint-Jean. Faculté Saint-Jean allows students to pursue university studies in a French environment. The University thus hopes to foster French culture in Alberta and to allow more students to master the two official languages of Canada. For further information, consult the Faculté Saint-Jean section of the Calendar and Course Listings.

44.4 Advanced Placement

Students who do not hold credit in prerequisite courses, but who feel they have sufficient knowledge, may be permitted registration in a senior-level course on successful completion of a placement test. For further particulars, contact the department offering the senior-level course. These tests are normally conducted for language courses. Also refer to §§22.1.4 and 44.5(2)e.

44.5 Credit by Special Assessment

Note: See also §14.2.5.

Credit by Special Assessment permits students to receive degree credit in specified courses without actually registering in and taking courses if the student can demonstrate an acceptable level of mastery of the course content.

Students admitted to a degree program in the Faculty of Arts may receive degree credit in a limited number of courses for knowledge or skill obtained in a non-university context or by private study. "Non-university context" may include work completed at institutions not accredited for degree purposes or in a non-university context or by private study. "Non-university context" may include work completed at institutions not accredited for degree purposes or may refer to periods of work experience that bear relationship to university courses. The following conditions apply:

(1) Basis of Application
a. Students may apply for Credit by Special Assessment on the basis of knowledge gained in a "non-university context" following admission to a degree program.
b. Students may apply for Credit by Special Assessment on the basis of knowledge gained in "private study" following the successful completion of a minimum of ★24 in their degree program.

(2) Limits
a. Departments are not required to offer Credit by Special Assessment in all courses. Courses which have a significant practical component, such as laboratory or studio work, or courses requiring substantial writing may not be eligible for Credit by Special Assessment.
b. A maximum of ★12 may be obtained through Credit by Special Assessment, of which no more than ★6 may be in Language-other-than-English courses. In the case of Language-other-than-English courses, only those numbered 150 or higher are open to Credit by Special Assessment. Where Language-other-than-English courses at the 300- or 400-level (or higher) have already been completed, a student may not subsequently attempt by Special Assessment any courses at a lower (e.g., 200- or 300-) level.
c. Students may attempt Credit by Special Assessment only once in each course.
d. The number of attempts to obtain Credit by Special Assessment is restricted to a maximum of ★12. Note: This limits the number of courses that may be challenged, regardless of results. Cancelled applications are considered an attempt to obtain credit and will be included in this maximum.
e. Students seeking credit in a prerequisite to a course in which they intend to register must complete the Credit by Special Assessment examination before the start of classes in the advanced course. Similarly, in cases where "advance placement" in a prerequisite course has been given, students may also seek Credit by Special Assessment in the prerequisite course, but must also complete the special assessment examination before the start of classes in the advanced course.
f. Graduate courses and Honors courses (i.e., those open only to Honors students and specified as such in the Calendar) cannot be attempted by Special Assessment.

g. Courses which have previously been audited, or in which the student has withdrawn, may not subsequently be attempted by Special Assessment.

(3) Deadline for Completion: The deadline for completion of the examination and assessment is one month from the date of approval of the application for Credit by Special Assessment. Students who fail to complete assessment requirements by the specified deadline will be considered to have cancelled their application.

(4) Grading
a. In a course attempted by special assessment, the results will be recorded, either as a numeric grade or pass/fail according to the practice in the regular course.
b. All grades obtained in attempts by special assessment, including failures, will be recorded on the transcript of the students concerned and will be computed into the student academic record (i.e., academic standing, promotion, and graduation requirements).
c. Students may not appeal the results in a course attempted by special assessment.

(5) Transfer of Credit by Special Assessment: Students who have obtained credits by special assessment (or similar means) while enrolled in another university, college, faculty, or school, will be given advance credit in such courses if the course is applicable within the requirements and limitations of the Arts program.

(6) Fee: A fee is required for each course in which credit by special assessment, is sought, and must be paid before the department concerned undertakes the special assessment. Refer to §22.2 for fee information. Note: Amount of this fee is subject to change.

44.6 Academic Standing and Graduation

(1) Academic Standing
a. Students admitted to the Bachelor of Arts degree program are assessed on the basis of a Faculty grade point average (FGPA) of 5.0. See §23.4(7) and §23.9.2 for information on calculation of FGPA’s and the academic record. For the above programs which do not use the Faculty grade point average as the basis for assessing academic standing, the academic standing, promotion and graduation regulations will be found in the program descriptions in §§42.4 to 42.11.

Initial assessment and subsequent reassessment of academic standing is based on students’ performance in a minimum of ★5. If, at the time of review, students have attempted fewer than ★9 since the last assessment, the review is deferred and the academic standing assigned at the last review remains in effect until the next review.

Assessment of academic performance is conducted at the end of each student’s registration in both Fall/Winter and Spring/Summer provided that ★9 have been attempted since the last review. As well, academic standing is assessed at the end of each student’s program even if less than ★9 have been taken since the last review.

The GPA is printed on the University of Alberta transcript. Both averages, GPA and FGPA, are printed on the Statement of Results which are mailed to students at the end of each Fall/Winter and Spring/Summer.

(2) Assessment of Academic standing
a. Satisfactory Standing (FGPA 5.0 and above): Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty of Arts.

b. Marginal Standing (FGPA 4.5 to 4.9 inclusive): Students receiving the first assessment of marginal standing are permitted to continue, under academic warning, until the next assessment of academic standing in order to raise the FGPA to 5.0 or higher. At the time of the next assessment of academic standing, such students will:
   1) who raise their FGPA to at least 5.0 may continue their studies with satisfactory standing.
   2) whose FGPA is less than 5.0, and whose average on the courses taken since the last review is less than 5.0 will be required to withdraw.
   3) whose FGPA is less than 5.0 but who have, during the period since the last review, achieved an average of at least 5.0 on all courses attempted, will be permitted one further registration (under academic warning) in order to raise the FGPA to 5.0. If the FGPA is not raised to 5.0 at the next assessment, the student will be required to withdraw.
(3) Readmission after a Requirement to Withdraw: Refer to §15.2.11 for information on the regulations pertaining to readmission to the Faculty of Arts after a requirement to withdraw. Students who have previously been required to withdraw from the Faculty but is subsequently allowed to continue in the Faculty, due to either the successful completion of postsecondary courses at another institution (described in §15.2.11), or successful appeal of their academic standing described in §44.7, will have the FGPA calculated from the Fall/Winter or Spring/Summer in which readmission of continuation is first granted, not the date of first admission to the Faculty. Such a restart of the FGPA is permitted only once for any student. Thereafter, such students must maintain a FGPA of 5.0 or again be required to withdraw. Continuation on marginal standing below 5.0 is not permitted in such cases. All students who have previously been required to withdraw from the Faculty of Arts are not permitted any subsequent marginal performance.

(4) Extension to the Graduating Year: Students who have successfully completed at least 120 but who do not meet program requirements for graduation, and who are otherwise eligible to continue in their program of study, may continue to register until graduation requirements are met. Students who have successfully completed at least 120 but who have Unsatisfactory standing (i.e., Required to Withdraw), may appeal to be allowed to complete one further Fall/Winter of study in order to meet graduation requirements. If graduation requirements are not met within that Fall/Winter, such students must withdraw and will not be readmitted.

Graduation Requirements

Application to Convocate: Students wishing to receive a Faculty of Arts degree at an upcoming convocation must obtain an Application for Degree from the Faculty Office and submit in accordance with the deadlines specified in §11. Also see §23.7.

Degree Requirements: These requirements vary from program to program within the Faculty of Arts and are presented with the details of the relevant program in §442 and 43.

Degrees with Distinction and First-Class Honors: For regulations concerning the awarding of Degrees With Distinction, see the requirements for specific programs in §42. For regulations concerning the awarding of First-Class Honors to students graduating with a Bachelor of Arts degree with Honors, see §42.5.

44.7 Appeals and Assistance

For students who have difficulties, the Faculty and the University have a number of policies to identify and resolve the issues. Copies of grade appeal and academic appeal procedures and regulations are available from the Student Programs Office, Faculty of Arts (6-7 Humanities.) The following advice is provided for students who have difficulties in the following areas:

(1) Academic skills development: Tutoring assistance in study skills, writing skills or mathematics proficiency is available. Contact the Academic Support Centre regarding Learning Resources, Effective Writing and Computer Resources Programs, see §25.1.7.

(2) Grade Evaluation in a particular course—appeals process: Appeals regarding students’ standing in a particular course must first be directed to the instructor concerned. Frequently, the issue can be resolved at this level. If not, the appeal must then be directed to the Chair of the Department offering the course. Final recourse is available to the Faculty of Arts Grade Appeal Committee which acts as the Faculty’s Academic Appeals Committee. If a final grade is in dispute, in whole or in part because of the grade for the final examination, the student must apply for a formal reappraisal of the exam. The deadlines to initiate a grade appeal with the instructor are February 1 for Fall courses, June 25 for Winter or two-term Fall/Winter courses, and within 30 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses. Note: that these same deadlines apply for initiating a reappraisal of a final exam. In the event the issue is not resolved with the instructor or Chair, a formal Grade Appeal may be initiated with the Faculty provided the written appeal is received by the Associate Dean (Student Programs) no later than March 1 for a Fall course, July 25 for Winter or two-term Fall/Winter courses, and within 60 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses.

If the above deadlines are not observed, no further recourse is available.

Copies of the complete grade appeal and academic appeal procedures and regulations are available from the Student Programs Office, Faculty of Arts (6-7 Humanities).
