Faculty of Arts

In 1908, the University opened its doors as a Faculty of Arts and Science. That year, we had 45 students and four professors in English, modern languages, history and mathematics.

Today, the Faculty of Arts has a key role in the University’s commitment to the people of Alberta and of Canada. Arts is the largest Faculty in the University and the third largest English-speaking Arts Faculty in the nation. The Faculty’s scholarship and creative work in the humanities, social sciences and fine arts are recognized nationally and internationally. Arts students and professors benefit from one of the top library collections in Canada.

Each year, the Faculty of Arts is entrusted with the education in the liberal and the fine arts of approximately 6,000 undergraduate students, with the specialized advanced education of nearly 800 graduate students, and with the general education of students from other Faculties. The effect of the Faculty’s work is apparent across Canada and in other countries where our graduates work and flourish.

An Arts education at the U of A gives our students the opportunity to develop skills enduringly associated with liberal arts education:

• Analytical, critical and creative thinking
• Effective oral and written expression, and familiarity with other communication
• Critical and reflective reading
• The ability to identify and solve problems
• The ability to pose questions that advance understanding and foster investigation
• The ability to conduct original research and to organize complex information
• The skills associated with learning how to learn; the exercise of independent judgment and ethical decision making
• The experience of setting personal goals, managing time, and developing the self-confidence necessary for success
• A sensitivity to individuals and tolerance of cultural differences in groups
• The desire to cooperate with others in team projects
• An informed openness to the information technologies

Our graduates learn to listen, to hear, to think critically and rationally, to communicate effectively, to work independently and in teams, and to make reasoned value judgments. They are knowledgeable about the past and prepared to examine the future. They approach the dynamic global culture with experience in other languages and in the study of societies and cultures. Our graduates discover their special talents, abilities and values, helping them to lead satisfying lives.

42.2 General Program Information

Courses that are requirements of one program only are listed under the particular degree or certificate program in §§42.3–42.12 and 43.

(1) Course Definitions

a. **Units of Course Weight:** A unit of course weight indicates the instructional credit assigned to a course and is designated by the ★ symbol after the course number and name. Units of course weight form a part of the degree requirements and are also used in calculating a student’s Grade Point Average (GPA) and Faculty Grade Point Average (FGPA).

b. **Two-term Course:** A two-term course is a course with a course weight of ★6 that normally extends over two consecutive University terms.

c. **Term Course:** A term course is a course with a course weight of ★3 that normally extends over one University term.

d. **Junior Course:** Effective September 1990, all courses offered by the Faculty of Arts numbered 199 or lower are junior-level courses. Before that, all courses offered by Arts numbered 299 or lower were junior-level courses. For courses in all other Faculties, the course numbering in effect in that Faculty at the time the course was taken will apply.

e. **Senior Courses:** Those courses numbered 200 to 599.

f. **Normal Course Load:** A normal full academic course load is ★30 during the Fall/Winter.

g. **Courses Extra to the Degree:** Courses successfully completed while registered in a program in the Faculty of Arts which are not being used for degree credit are known as courses extra to the degree. Such courses are, however, included in the assessment of academic standing (see §44.6).

h. **Minimum Passing Grade:** The minimum passing grade in University of Alberta undergraduate courses is a D. The minimum final grade for transfer of courses from other postsecondary institutions is C-.

(2) Options

a. **Arts or Science Options:** Junior English Requirement: Normally, no more than ★6 in junior English may be offered for credit in an undergraduate program. The term “option” where it appears in programs means an Arts or Science course chosen by the student if the necessary prerequisite requirements have been met. An “approved option” in all programs is an option approved by the department directing the program of the students concerned. Also refer to point b.

b. **Non-Arts or Non-Science Options** (i.e., courses not offered by the Faculties of Arts or Science): Students registered in programs in the Faculty of Arts will normally select their courses from those offered by the Faculties of Arts or Science, including the Arts and Science courses offered by Faculté Saint-Jean, the School of Native Studies or Augustana Faculty. Students registered in any program other than the BFA or BMus may take up to ★18 (as options) in Faculties other than Arts and Science. These courses, when taken for credit toward the Arts degree, are subject to the following restrictions:

1) The courses may not be used to satisfy the requirements of a junior English course.
2) Their inclusion in a program is subject to Faculty limitations on the number of junior courses and non-Arts courses that may be offered for credit.
3) The courses must, in each case, carry a minimum unit of course weight of three (★3). Two courses in the same Faculty, each with a weight of ★1.5, will be accepted as the equivalent of one course with a weight of ★3.

Students in the BDes, BFA or BMus programs should refer to the specific program requirements in §§42.6, 42.7, 42.8, and 42.9 for regulations regarding non-Arts or non-Science options permitted (if any) in those programs.

c. **Courses in Christian Theology** offered by St Joseph’s College and St Stephen’s College may be taken as Arts options in all Arts programs.

d. **Selected courses offered by the Faculty of Agriculture, Forestry and Home Economics are applied as Faculty of Arts options rather than non-Arts or Science options. See §44.3.

(3) **Restricted Enrolment Courses:** The Faculty of Arts strives to accommodate all students wishing to enrol in a given course when it is appropriate to their program; however, classes in some courses must, for academic reasons, be restricted in size. If such a course is found to be oversubscribed, priority in registration will be given to those students whose programs may require it (e.g., majors and/or minors) and then to other students as space permits.
42.3 Bachelor of Arts (BA)

**120 required**

This degree is designed to provide students with a diversified education and specialization in at least one subject. Students must complete either a major and minor, or a double major. Also see §43 for Major and Minor Requirements.

**Residence Requirement:** In the **120** to complete the degree, the following must be included:

a. a minimum of **63** offered by the Faculty of Arts;

b. **60** must be successfully completed at the University of Alberta;

c. a minimum of **30** must be taken while registered in the Faculty of Arts; and

d. a minimum of **6** selected from courses offered by the Faculty of Science or used by the Faculty of Science as Science courses (see §184 for appropriate subjects);

e. a minimum of **15** at the senior level applied to the major and a minimum of **6** at the senior level applied to the minor must be completed with courses offered by the Faculty of Arts at the University of Alberta (except Science minors, see §42.3(5)).

**Course Load Requirements:** Students will normally complete **30** in each Fall/Winter period and complete the program in four academic calendar years.

**Program Requirements:** The BA degree requires students to successfully complete **120** including the following:

- **Basic Requirements (**30**)
  - A major subject of concentration and a minor subject of concentration, or two major subjects of concentration. Students who declare a double major are not permitted to declare a minor.

 1. **First Year:** Each year consists of **30** credited to the program. Within the first **30**, students should complete courses from the basic program requirements (junior level recommended) including the **6** junior ENGL requirement.

  Students should enrol, if possible, in a course in the Major Subject(s) in first year. Students are also encouraged to obtain required prerequisite courses early in the program. Students in the BA degree should seek advice and program approval from the Advisor in the Department of their major concentration or if appropriate, the Interdisciplinary Program advisor.

  2. **Basic Requirements:** (See Arts Chart 1.)

  The Basic Requirements (**36**) are designed to give the foundation of a liberal Arts education. It is strongly advised that students complete the following requirements in the first two years of their programs.

  **Note:** No one course may meet more than one of the basic requirements. Senior-level courses in the area of major or minor which meet a basic requirement must also be counted toward the major or minor requirements.

  3. **Major:** Students must declare either a single or a double major. Students who declare a single major must also complete a minor. Students who declare a double major are not permitted to declare a minor. See §42.1 for a list of subjects which may be declared as majors in the BA.

  Each major must include a minimum of **30** to a maximum of **48** at the senior level (i.e., additional courses in the major may not be taken as options). At least **6** must be at the 400-level; some departments may require specific courses and/or more than the specified Faculty minimums. Where a double major is declared, the same Faculty minimums and maximums apply.

---

### Arts Chart 1 Basic Requirements

**Note:** No one course may meet more than one of the basic requirements listed below.

| Junior ENGL (**6**) | **6** from the following: ENGL 111 (**6**), 112 (**6**), 113 (**6**), 114 (**6**). Students who have been granted advanced placement in English may substitute any **6** at the 200-level or higher in ENGL for the core requirement.

| One Language Other than English (LOE) **(6)** | Junior or Senior level

To develop, or improve a student’s facility in a Language Other than English

The core program requirement of a Language other than English consists of **6** at the 100-level or above in one LOE. Students who decide to take an LOE in which they matriculated must take courses numbered 150 or above as they will not be given credit for courses numbered 100 – 149 in that language; these are for beginners only.

Language courses which do not offer as their goal the acquisition of a Language other than English, e.g., those dealing with literature in translation, will not fulfill the LOE requirement. Consult §221, Course Listings, for full course descriptions.

Students who have completed their secondary education in a LOE will be permitted to take **6** option in lieu of the LOE core. Students with prior LOE background who wish further study in that LOE must be placed at the appropriate level or credit will be withheld. Records for these applicants will be reviewed and assessed by the Undergraduate Student Services Office. Students who have facility in a LOE but who cannot provide official transcripts should contact the relevant LOE department for advice about obtaining a waiver for the LOE requirement.

| **6** in the Study of Science

The Study of Science requirement will introduce students to scientific study and foster their appreciation of how scientists approach their subjects. Students must select **6** (normally junior level) from courses offered by the Faculty of Science or recognized by the Faculty of Science as Science courses (see §184)

| **18 Breadth and Diversity**

To acquaint students with and offer them a basic awareness of the variety of disciplines practiced throughout the Faculty of Arts. Students must select **6** (junior or senior level) from each of the following subject(s):

**Group One:**

Courses from Departments and Programs emphasizing the study of the creative process in the arts. Students must take **6** from the following subject(s):

- Art and Design (ART; ART H; DES)
- Drama (DRAMA; TDDES)
- Music (MUSIC)
- Writing (WRITE)

**Group Two:**

Courses from Departments and Programs emphasizing the study of cultures and cultural products. It may not be fulfilled by language acquisition courses at the 100- and 200-level. Students must take **6** from the following subject(s):

- Christian Theology courses at St Joseph’s College (CHRTO) and at St Stephen’s College (CHRTP)
- Comparative Literature (C-LIT)
- East Asian Studies (CHINA; EASIA; JAPAN)
- English and Film Studies (ENGL; FS)
- History and Classics (CLASS; GREEK; HIST; LATIN)
- Modern Languages and Cultural Studies (FREN; GERM; ITAL; LA ST; MLCS; POLISH; PORT; RUSS; SCAND; SLAV; SPAN; UKR)
- Philosophy (PHIL)
- Religious Studies (RELIG)

**Group Three:**

Courses from Departments and Programs emphasizing the study of social systems and interactions. Students must take **6** from the following subject(s):

- Anthropology (ANTHR)
- Community Service Learning (CSL)
- Earth and Atmospheric Studies (EAS; only those courses designated as Arts courses, i.e. with numbers x80)
- Economics (ECON)
- Interdisciplinary Undergraduate (INT D)
- Linguistics (LING)
- Middle Eastern and African Studies (MEAS)
- Political Science (POL S)
- Psychology (PSYCO; only those courses designated as Arts courses)
- Science, Technology and Society (STS)
- Sociology (SOC)
- Women’s Studies (W ST)
in both majors. See §43 for specific requirements by subject. A minimum of ★15 at the senior level toward the major must be completed with coursework offered by the Faculty of Arts at the University of Alberta. Senior-level courses in the major subject(s) taken as part of the basic program requirements must also count toward the major(s). Students must declare their major(s) to the Undergraduate Student Services Office following the accumulation of the 60th unit of course weight of their BA program, though it is to a student’s advantage to declare the major(s) as soon as possible.

(6) Minor: Students who have declared a single major must also declare a minor. See §42.1 for a list of subjects which may be declared as minors in the BA. A minor must include a minimum of ★12 to a maximum of ★42 at the senior level in an approved subject outside the single major. At least ★6 must be at the 300- or 400-level as specified by the department; some departments require specific courses and/or more than the specified Faculty minimums. See §43 for specific requirements by subject. The maximum units of course weight may not be exceeded (i.e., additional courses in the minor may not be taken as options). For Arts minors, a minimum of ★6 at the senior level must be satisfied with coursework offered by the Faculty of Arts at the University of Alberta and for Science minors, a minimum of ★3 at the senior level must be satisfied with course work offered by the Faculty of Science at the University of Alberta. Senior-level courses in the minor, taken as part of the basic program requirements must also be counted toward the minor.

Students who declare a double major are not permitted to also declare a minor.

In addition to the Arts disciplines noted in §42.1, students may also select as their minor an area or discipline from the Faculty of Science, as follows. Students must meet the minor requirements of the Faculty of Science (see §183.1.3(3)) as well as those of the Faculty of Arts; therefore, the requirements are a minimum of ★24 to a maximum of ★36 in the minor subject(s), with no more than ★12 at the junior level and at least ★6 at the 300- or 400-level. A Science minor may consist of Science courses taken from a single department or of courses within an area of concentration:

**Departments (courses from a single department)**
- Biological Sciences
- Chemistry
- Earth and Atmospheric Sciences
- Physics

**Areas of Concentration (courses from those listed for the area)**

**Biological Sciences**
- Biochemistry
- Genetics
- Pharmacology

**Biology**
- Microbiology
- Physiology

**Botany**
- Paleontology
- Zoology

**Entomology**

**Physical Sciences**
- Astronomy
- Chemistry
- Mathematical Physics

**Biochemistry**
- Geophysics
- Physics

**Mathematical Sciences**
- Mathematics
- Statistics
- Computing Science

**Earth Sciences**
- Geophysics
- Paleontology

Students with a major in the Department of Earth and Atmospheric Sciences are not permitted to complete a minor in the same department as their major.

(5) Cross-Listed Courses: Courses listed in more than one major/minor are known as cross-listed courses.

The use of cross-listed courses is especially common in interdisciplinary programs (East Asian Studies; Film Studies; International Studies; Middle Eastern and African Studies; Native Studies; Science Technology and Society; Women’s Studies), but is becoming increasingly common in other areas also (e.g. Religious Studies). Unless otherwise notified by the student, the Undergraduate Student Services Office will apply cross-listed courses to the specific subject discipline. For example, a CLASS course cross-listed with Religious Studies will apply to the CLASS major and no minor (see §42.3(4).), students may opt instead to select two related languages which can be combined as their major subject; a valid minor subject is still required when this option is selected. The following combined language majors are offered: Greek and Latin, Chinese and Japanese, German and Scandinavian, French and Italian, French and Spanish, Italian and Spanish, Russian and Polish, Russian and Ukrainian, Ukrainian and Polish. The following conditions apply:

- a. Students selecting a combined language major should take two languages other than English in the first year, deferring any other basic requirement except the Junior ENGL to do so.
- b. Students majoring in two languages other than English might take a maximum of ★12 at the senior level in each language and normally must include a minimum of ★3 in each language at the 400-level. In all other respects, the requirements for a major is §42.3(3) apply.

(8) Non-Arts or Non-Science Options: A maximum of ★18 may be taken outside the Faculties of Arts and Science as long as the courses do not duplicate courses already offered by these two Faculties (see §42.2(2)). Courses offered by the School of Native Studies will be counted as Arts courses (see §42.2(2) and 43.21). See also §44.3 for a list of courses from the Faculty of Agriculture, Forestry and Home Economics that are applied as Faculty of Arts courses.

(9) Interdisciplinary Programs and Courses: Many programs housed within Departments in the Faculty of Arts have important interdisciplinary components; some are primarily interdisciplinary in orientation. The Associate Dean (Academic) oversees programs that draw on courses from multiple Departments. These include the Individualized Major and Minor (see §43.14), as well as programs in International Studies, Middle Eastern and African Studies, Religious Studies, Science, Technology and Society Studies, and the MA in Humanities Computing that are described elsewhere in this calendar.

The Associate Dean (Academic) is also responsible for certain interdisciplinary (INT D) courses. Of these, INT D 222 and INT D 333 are of special note, for they provide both an introduction to the concepts of disciplines and interdisciplinary as well as an overview of the Faculty of Arts as a whole. These courses are open to all students. Information about these courses and programs is available from the Faculty of Arts Office for Interdisciplinary Studies or the Associate Dean (Academic).

Unless otherwise indicated in the course description, an INT D course may be applied toward either the major or the minor if it appears under the department’s course listings in §221.

(10) Community Service Learning courses: A number of courses in departments and programs across the Faculty of Arts offer community engagement as an option or requirement. Students in Community Service Learning (CSL) courses take part in community-based experiences that link to course content.

The CSL program also oversees CSL 300: Theory and Practice in Community Service Learning, available to students with previous community-based learning and service experience (see §221).

For further information see the CSL link on the Faculty of Arts website www.arts.ualberta.ca

Academic Performance

(1) Academic Performance for Graduation: Students must present credit (with a minimum University of Alberta grade of D or equivalent) in ★120, which satisfy program requirements; present a graduation average of at least 2.0; present an average of at least 2.0 on all courses applied to the major; and present Satisfactory Academic Standing. The graduation average is the quotient of (a) the total number of grade points earned by students in courses credited to the degree, and (b) the total weight of those courses. (Also refer to Academic Standing regulations described in §44.6.) In the case of students who attempted, as part of their program, courses at an institution for which the grades are not precisely equivalent to those of this university, the degree is awarded at the discretion of the Faculty. Courses with final grades less than C- are not transferred from other postsecondary institutions.

(2) Degrees With Distinction: Degrees With Distinction shall be awarded to students who achieve an average of at least 3.5 or better on the last ★60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree. If the last ★60 of the program at the University of Alberta do not fall entirely within a given Fall/Winter or Spring/Summer, a weighted average is used. Please contact the Undergraduate Student Services Office for further information.
Admission Requirements: See §15.2.3.

Program Focus: This quota program, based in the Department of Sociology, coordinates several disciplines to provide a more thorough analysis of the causes of criminal behavior and the variety of social responses to such conduct. It is a program of 120, with Sociology as the principal subject of concentration. The second subject of concentration is composed of a combination of approved courses from the Departments of Anthropology, Economics, Educational Psychology, History, Native Studies, Philosophy, Political Science, and Psychology. The program is for students with career interests in the criminal justice system and includes two field placements for supervised work experience.

Registration
(1) Criminology students are required to consult the Program Director to review proposed coursework before registration for each academic year and in advance of any changes to approved registration.
(2) Normally, students are expected to enrol full time (≥30 per year), although exceptions may be considered by the Program Director.
(3) Students must obtain permission of the Director in advance if they wish to interrupt their program but retain their status in the BA (Criminology) program.

Curriculum
(1) Students seeking admission to Criminology should include 6 of junior ENGL, SOC 100, PSYCO 104 and 105, and a Language other than English in the first year of their postsecondary program.
(2) Basic Requirements: The basic requirements for the BA Criminology program are the same as those for the BA (see Arts Chart 1): 6 Junior English; 6 Language Other than English; 6 Study of Science; 18 Breadth and Diversity including 6 in each of Groups One, Two and Three.
(3) Subjects of concentration: The principal subject is Sociology in which a minimum of 30 is required; a maximum of 48 is permitted. The following Sociology courses must be included in the program: 100 or 300, 225, 327, 399, 499; any three of the following: 321, 420, 421, 422, 423, 424, 425, 426, 428, 429, 430. The second subject is composed of a multidisciplinary combination of courses and requires a minimum of 24 to a maximum of 39. No more than 18 from any second subject department is allowed. The following courses must be included in the program: PSYCO 104 and 105; any two of the following: PSYCO 223, 233, 281, 339, 435; any four of the following: ANTHR 250, 340, ECON 390, 379; HIST 364, 372; INT D 394; NS 210, 211; PHIIL 368, 382; POL S 328, 390, 429; R SOC 355, 450.
(4) Other coursework required to reach 120 is made up of options and non-Arts and Science options.
(5) The final two years of the program must include the successful completion of SOC 399 and 499. These courses are required as part of the principal subject of concentration and will involve supervised work experience. Students must obtain a minimum grade of B- in each component of SOC 399 and 499 or repeat the entire course. Students should be aware that under the Protection for Persons in Care Act they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

Promotion
To be promoted in each academic year, students must have
(1) maintained a full-course load of 30 unless advance permission was granted for a reduced course load;
(2) attained a minimum grade point average of 2.7;
(3) attained a minimum grade of B- in SOC 399 and 499 as required during the final two years of the program; and
(4) been recommended by the Department of Sociology.

Non-Promotion
(1) Failure to be promoted for academic reasons is cause for removal from the program.
(2) Affected students may transfer to another program in the Faculty if they meet admission requirements of such a program. All other requirements for the new program must be completed after transferring.

Academic Performance
(1) Academic Performance for Graduation: To qualify for a BA (Criminology), students must have completed all program requirements, achieved a minimum GPA of 2.7 in each academic year of the program, and be recommended by the Department of Sociology.
(2) Degrees With Distinction: See §42.3.

42.5 BA (Honors)

This degree provides specialization in the chosen subject(s), with study in greater depth than is provided in the BA program, and demands a higher standard of performance. Also see §63 for Major and Minor Requirements.

Residence Requirement: The BA Honors degree is a program which normally requires a minimum of 120 (some departments may require more) of which
(1) a minimum of 66 must be in courses offered by the Faculty of Arts;
(2) a minimum of 60 must be in courses taken at the University of Alberta;
(3) a minimum of 30 must be completed while registered in the honors degree program.

Course Load Requirements: Honors programs will usually be completed in four consecutive years of study during Fall/Winter. Students in an Honors program are normally required to complete a minimum of 30 each Fall/Winter. However, with the prior approval of the Honors Advisor, a reduced course load may be permitted in extenuating circumstances if a minimum course load of at least 9 per term in each Fall/Winter is completed, unless otherwise noted in §43.1 to 43.3. Advisors must notify the Faculty Office in all such cases. Requests to be permitted to continue in Honors while completing a course load of less than 9 per term in Fall/Winter may be considered by the Honors Committee in exceptional circumstances; however, students will not normally be permitted to continue in an Honors program if less than 9 per term in Fall/Winter are completed. All degree requirements must normally be completed within five academic years of commencing the program.

Program Requirements
The BA Honors degree requires the successful completion of 120 (or more if specified by the department). In each year, Honors students’ programs, and every change of registration, must be approved by the Departmental Advisor signifying the approval of the Department.

(1) Common Requirements of All Honors Programs: 6 approved Junior English; 6 in a Language other than English; 3 chosen from the Humanities; 3 chosen from the Social Sciences; 3 chosen from the Fine Arts; a further 3 chosen from the Humanities, Social Sciences, or Fine Arts; 6 in Natural Science or Formal Studies; 6 from the approved list of Canadian Content courses for the BA degree.
   a. Courses chosen to meet these requirements should be selected from the core requirements lists for the BA degree (see Arts Charts 1 and 2).
   b. The Humanities requirement is not satisfied by the Junior English or Language other than English requirements, but may be satisfied by subsequent courses in these areas.
   c. Courses in the “Social Context of Science and Technology” are not applicable toward the Natural Science or Formal Studies requirement noted above.

(2) Junior Courses: No more than 48 at the junior level are permitted for credit in the program.

(3) Non-Arts or Non-Science Courses: A maximum of 18 in non-Arts or non-Science courses may be taken outside the Faculties of Arts or Science, as long as the courses do not duplicate courses already offered by these two Faculties.

(4) Requirements in the Major Subject: An Honors program in a single discipline will normally require a minimum of 48 in the major subject, as defined by the Department. A minimum of 6 must be at the 400-level; however, some departments may require more. Normally, no more than 60 may be presented in the major subject unless otherwise specified by the Department. Where a maximum has been specified, it may not be exceeded (i.e., additional courses in the subject of concentration may not be taken as options).

(5) Requirements in Combined Honors: For Combined Honors programs, the minimum number of courses in each subject of concentration will be decided through consultation with the Departments concerned in planning the total program; however, a minimum of 36 at the junior and senior level in each discipline will be required in all Combined Honors programs.
At least 3 in each discipline must be at the senior level. More than this may be required in some disciplines to meet specific program requirements. For further information on the requirements of a particular program, see the appropriate Department Calendar statement in §43.

Students should be aware that a Combined Honors program may not qualify them for direct admission to a graduate program in one of the disciplines. Further coursework in one of the disciplines may be required for Graduate Studies.

(6) Minor Subject: Most Honors programs do not have a minor subject requirement; however, where a minor or related subjects are required, these will be specified in the individual department requirements in §43.1 to 43.32. Those programs which do not require a minor normally do permit some options.

(7) Honors Essay: Some departments require the completion of an Honors Essay in addition to specific course requirements. In the case of Combined Honors programs, students may be required to complete an Honors Essay in one or both disciplines, depending on specific departmental requirements. Where both departments require an Honors Essay, students will complete one for each department or may, on special request, be permitted to write a Combined Essay INT D 520 which will meet the requirements of both departments. Students should refer to the specific department entries in §43 to determine which departments offer combined honors programs and require an Honors Essay. Where a Combined Essay is permitted, this will be noted in the Department Calendar entry, and in such cases the following conditions will apply:

a. A combined essay is applicable only to students in combined honors programs.

b. It is applicable only when both departments require an essay and only when both departments agree to a combined essay.

c. The combined essay INT D 520 will meet the essay requirements of both departments.

d. The combined essay will be supervised by, and graded jointly by, the cooperating departments; a single final grade will be submitted.

e. The essay will address the subject matter in both departments equally and in a way that emphasizes the interaction between the two disciplines.

(8) Cooperative Work Option Within Honors Programs: Cooperative education is based on the principle that, for some students, periods of appropriate employment outside the University, when integrated with their academic studies, enhance the benefits students obtain from their academic programs. The work should be of a type that students can reasonably hope to obtain after they graduate, or be suitably related to the content of their academic programs. Cooperative work experience will be wholly additional to and not a substitute for academic courses; it is a valuable enrichment for some students but is not an alternative to normal course work. Accordingly, the existing requirement for 120 hours will be maintained, with a no-credit course number for the evaluation of a report or project resulting from the work experience. Students should be advised that under the Protection for Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. (Refer to §23.8.3.)

a. Admission Requirements: See §15.2.

b. Program Selection: Two forms of cooperative work are available:

1) Full-time employment for not less than three months and not more than one year. Such periods, integrated into the normal academic program, are “work terms.”

2) Part-time employment equivalent in working hours to no less than 3 credits; such employment is a “work assignment.”

c. Registration: Work terms and work assignments must be approved in advance by the Department concerned and the Undergraduate Student Services office. Retroactive approval will not be granted.

d. Withdrawal: Students may withdraw from a cooperative program on completion of a work term or work assignment, or at any time during a normal academic term, and may continue in the academic Honors program or their department without penalty if the requirements of these programs have been met. Further information may be obtained from departments offering such programs.

Promotion and Graduation

(1) Promotion Requirements: Promotion from year to year requires a minimum grade point average of 3.0 on all courses taken during the Fall/Winter or Spring/Summer and the recommendation of the department concerned whose required grade point average for promotion may exceed the Faculty minimum. Where an individual department’s requirements vary from the Faculty minimum, this will be specified in each individual department entry in §43. Students must also meet promotion requirements as outlined in individual department entries during their final year.

(2) Graduation Requirements: In most departments, graduation with Honors requires a graduation average of at least 3.0 with an average of at least 3.3 in all courses in the major subject; however, individual Department recommendations for graduation with Honors may exceed these minimum Faculty requirements. Where an individual department’s requirements vary from the Faculty minimum, this will be specified in each individual department entry in §43. To be eligible to graduate, students must also meet promotion requirements as specified in point (1) above. The graduation average is the quotient of a) the total number of grade points earned by students in courses credited to the degree, and b) the total weight of these courses.

(3) Graduation with First-Class Honors: Departments shall choose one of the following options as their policy for determining First-Class Honors. (Refer to Departmental entries §43.1 to 43.32.):

a. A minimum average of 3.7 on all senior-level courses in the major, and an average of at least 3.5 on all courses in the final year. The final year shall be defined as the last 60.

b. A minimum average of 3.7 on all courses in the two final years in the major and an average of at least 3.5 in all courses in the two final years. The two final years shall be defined as the last 60.

If the last 30 or 60 (whichever is applicable) does not fall exactly within a given Fall/Winter or Spring/Summer, a weighted average is used. Please contact the Undergraduate Student Services Office for further information.

(4) Students who fail to attain the standard necessary to continue in Honors will be required to withdraw from Honors but may transfer to another program in the Faculty if they meet the requirements for that program. After such transfer, they must complete all requirements.

(5) Students who are not recommended for graduation with Honors at the end of their fourth year (i.e., after successfully completing 120) may be granted the BA degree if they have successfully completed 120 which include 6 approved Junior English; 6 from each of the core areas for the BA; the Canadian Content coordinate requirement, and the required minor subject for the BA (see §42.3). In no case shall more than 60 in the major subject be counted as part of the required 120. Students deficient in any respect may be required to take one or more courses.

Departmental recommendation for promotion may be withheld.

(3) A student failing to receive Departmental recommendation for promotion at the end of any term of the second or third year, or failing to achieve a minimum GPA of 2.3 at the end of any Fall/Winter, may be required by the Faculty of Arts to withdraw from the BFA (Drama) program immediately. Students who are required to withdraw may apply for transfer to another program in the Faculty if entrance requirements for the chosen program are met.

(4) Final-year requirements include a minimum grade point average of 2.3 and Departmental recommendation.

(5) Students who fail to meet the final year requirements in the program will be permitted to fulfill this requirement only with the approval of the Dean of Arts on the recommendation of the Department; otherwise, they must withdraw from the program and may apply for transfer to another program in the Faculty.

(6) A Bachelor of Fine Arts program may be interrupted only with Departmental consent.

Residence Requirement
Students must complete the BFA (Acting), BFA (Design) or BFA (Technical Theatre) program as full-time students, in a full course load, at the University of Alberta.

Academic Performance
(1) To qualify for the Bachelor of Fine Arts in Drama, students must have successfully completed the curriculum for the chosen area of specialization; have met all promotion, continuation, final year, and residence requirements; and receive the recommendation of the department.

(2) For the degree of BFA With Distinction, candidates are required to carry a full course load in each of the last two years and obtain a grade point average of 3.5 or higher over those last two years. Students who have taken part of their program at another university may be granted a degree “With Distinction” at the discretion of the Faculty.

42.9 Bachelor of Music (BMus)

Admission Requirements: See §§15.2.8 and 15.2.9. Students who do not pass a theory placement exam may be required to complete MUSIC 100 (extra to the Degree) before enrolling in MUSIC 155.

General Information
The Department of Music offers various programs leading to the degree of Bachelor of Music. Six routes are available: General, Performance, Music History, Composition and Theory, School Music and World Music. The General Route allows students to specialize in performance. The Performance Route allows students for further training in music education and, in particular, for admission to the BEd After Degree program in Music Education. The Performance Route allows students to specialize in performance.

The World Music Route requires 123 to complete the program; and all other routes require 126.

Program Requirements
The required courses, recommended sequencing, and other conditions regarding the BMus program are noted in Chart 3. (Note: The following courses have been approved as specified non-arts options: DAC 160, 165; PAC 355; DANCE 300, 340, 345, 350, 446. All options require Departmental approval.)
Promotion: All Routes

(1) To be eligible to continue, students will normally need a minimum GPA of 2.3 each Fall/Winter.

(2) Successful completion of the program requirements includes a cumulative grade point average of 2.3 on all courses completed in the program.

(3) Students in all routes except World Music are normally required to complete ★33 during Fall/Winter of the first and second years, and ★30 during the third and fourth years. Students in the World Music route are normally required to take ★33 during Fall/Winter of the first year and ★30 during the second, third, and fourth years. A reduced course load to ★24 does not require departmental approval beyond the normal means of signing a withdrawal form, but a course load of less than ★24 requires Faculty approval based on departmental recommendation.

(4) Students who fail to meet the requirements for promotion as outlined in (1) above will be required to withdraw from the BMus program. Such students may transfer to another program in the Faculty of Arts or in another Faculty if the entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be met.

(5) Students who fail to meet the fourth-year requirements in the program will be permitted to fulfill those requirements only with the approval of the Dean of Arts on Departmental recommendation. Otherwise, students must withdraw from the program and, if so desired, transfer to another program in the Faculty of Arts for which they are able to meet entrance and promotion requirements.

(6) A BMus program may be interrupted only with Departmental consent, and continuation will be subject to any conditions, including reauditioning and new program requirements, that may be specified by the Department.

Residence Requirement

(1) Students proceeding toward the BMus degree (General, Music History, Composition and Theory, Performance, World Music, or School Music) must normally have credit in at least ★63 offered by the University of Alberta.

(2) The final year of the program will normally be taken in one regular academic year at the University of Alberta. The Department may recommend to the Associate Dean (Student Programs) exemption from this regulation.

Graduation Requirements: All Routes

(1) To qualify for the Bachelor of Music degree, students must successfully complete relevant curriculum requirements; meet the promotion, final year and residence requirements; and receive Departmental recommendation.

(2) Degrees With Distinction shall be awarded to students who achieve a grade point average of 3.5 or more on all the units of course weight credited to the program and on all the units of course weight in Music. Students who have taken part of their program at another university may be granted a degree “With Distinction” at the discretion of the Faculty.

Promotion in the BMus/BEd Combined Degrees Program

(1) To be eligible to continue in the program, students will normally need a minimum GPA of 2.3 each Fall/Winter.

(2) Successful completion of the program requirements includes a cumulative grade point average of 2.3 on all courses completed in the program.

(3) Students are required to complete at least 133 credits during each Fall/Winter in every year except Year 4 where 24 credits is required. A reduced course load to 24 credits requires only the approval of the Department of Music; a course load of less than 24 credits requires the approval of both Faculties and is based on a recommendation from the Department of Music.

(4) Students who fail to meet the requirements for promotion are required to withdraw from the BMus/BEd Combined Degrees program. Such students may transfer to another program in the Faculty of Arts, the Faculty of Education or another Faculty, if entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be met.

(5) Students who fail to meet the fifth-year requirements in the program are permitted to fulfill those requirements only with the approval of the Faculty of Arts and the Faculty of Education upon the recommendation of the Department of Music. Otherwise, students must withdraw from the program, and, if so desired, transfer to another program in the Faculty of Arts or Education for which they are able to meet entrance and promotion requirements.

(6) The BMus/BEd Combined Degrees program may be interrupted only with the prior consent of the Department of Music, the Faculty of Arts, and the Faculty of Education. Readmission and continuation will be subject to any conditions, including readmission and new program requirements, that may be specified by the Department of Music, the Faculty of Arts, and the Faculty of Education.

(7) All qualified Year 3 BMus/BEd Combined Degrees students will be promoted to Year 4 in the Faculty of Education provided that:
   a. a minimum AGPA of 2.3 has been achieved, and
   b. a minimum of 99 applicable to this program has been successfully completed.

   Students in Year 3 must submit an Application for Admission, Readmission or Internal Transfer form to the Faculty of Education by March 1.

   Note: Students in Year 3 who have completed less than 99 toward the BMus/BEd Combined Degrees but have achieved an AGPA of at least 2.3 may select one of two alternatives:
   (1) remain in Year 3 of this program in the Faculty of Arts for one additional year;
   (2) apply to enter one of the other Bachelor of Music routes.

(8) A student who has been assigned a grade of “W” or “NC” in an Education Field Experience course is entitled to a second registration in this course. See also §2.1.3 Reregistration in Courses. Notwithstanding §2.1.3, if a student receives a “W” or “NC” in the second attempt of a Field Experience course, he/she will be required to withdraw from the Combined Degrees program.

Residence Requirements

(1) Students proceeding toward the BMus/BEd Combined Degrees program must normally have credit in at least 90 credits offered by the University of Alberta.

(2) Students who take part of their final 60 credits at another postsecondary institution must seek the approval of the Department of Music, the Faculty of Arts, and the Faculty of Education.

Graduation Requirements

(1) To qualify for the Bachelor of Music/Bachelor of Education Combined Degrees, students must successfully complete relevant curriculum requirements, meet the promotion, final year and residence requirements, and receive the recommendation of the Department of Music, the Faculty of Arts, and the Faculty of Education.

(2) Degrees With Distinction shall be awarded to students who achieve a grade point average of 3.5 or more, both on all of the units of course weight credited to the program and on all of the units of course weight in Music. In the case that transfer or other students have attempted, as part of their program, courses at another institution, the Degree “With Distinction” will be awarded at the discretion of the Faculties.

42.11 After Degree Programs

42.11.1 BA After Another Undergraduate Degree (other than Bachelor of Arts)

Applicants having a first undergraduate degree other than a Bachelor of Arts may be admitted to the BA After Degree programs. All requirements for the degree must be met (see §42.3). The total number of required units of course weight in the After Degree program will vary depending on the degree held and the BA program sought; however, a minimum of 60 will always be required. In some cases, more than 60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.

Notes

(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the degree program.

(2) Courses in other Faculties (non-Arts or non-Science options) open to students in the BA program (and2.2(2)(b) and 3.2(9)) are not permitted for credit in a BA after a previous degree.

(3) The major and minor or double major selected for the After Degree program may be in disciplines already included in the first degree if they are approved major or minor subjects [see §42.1 or 42.3(4)] and if no more than 30 at the senior level have already been completed in the discipline(s) in question. Where 30 or less in the discipline have been completed, those disciplines may be designated as a major, minor, or double major, and it is expected that additional courses will be taken in those subjects to the maximum allowed as part of the After Degree program. Where more than 30 have already been completed in a discipline, that subject may not be selected as a major, minor or part of a double major for the BA after a previous degree [see point (4) below].

(4) Students who wish to pursue additional studies in a discipline which cannot be selected as a major or minor may apply for admission as a Special Student (see §15.2.15) or to a BA Honors After Degree Program (see §42.11.3) if the academic admission requirements for those programs are met. Alternatively, these areas may be pursued as options in a BA After Degree program to the extent possible within the requirements of the program.

Residence Requirements

(1) A minimum of 63 must be in courses offered by the Faculty of Arts, including courses in Arts disciplines taken as part of the first degree, as well as those completed as part of the After Degree program.

(2) A minimum of 60 must be completed at the University of Alberta.

(3) At least 90 credited to the After Degree program must be completed while registered as a student in the Faculty of Arts.

Academic Performance for Graduation

Students must achieve a minimum University of Alberta grade of D (or equivalent) in all courses credited to the After Degree program; present a graduation average of at least 2.0; present an average of at least 2.0 on all courses applied to the major; and present “Satisfactory” academic standing. The graduation average is the quotient of (a) the total number of grade points earned in courses credited to the After Degree program and (b) the total weight of those courses. Academic Standing regulations are described in §44.6. In the case of students who attempted, as part of the program, courses at an institution for which the grades are not precisely the equivalent to those of the University of Alberta, the
degree will be awarded at the discretion of the Faculty. Courses with final grades less than C- are not transferred from other postsecondary institutions.

Graduation “With Distinction”: Degrees With Distinction are awarded in an After Degree program to students who achieve a grade point average of 3.5 or better on the last 80 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree.

42.11.2 BA After Another Bachelor of Arts

Applicants having a first Bachelor of Arts (from this or any other University) may be admitted to a BA After Degree program. All requirements for the BA degree must be met (see §42.3). The total number of required units of course weight in the After Degree program will vary depending on the BA held and the BA program sought; however, a minimum of 80 will always be required. More than 80 may be required depending on the number and applicability of courses completed as part of the first degree. See §42.11.1 for regulations pertaining to Residence Requirements, Academic Performance for Graduation, Graduation “With Distinction” and Notes (1) - (4) which are also applicable to this degree.

42.11.3 BA (Honors) After Another Undergraduate Degree

General Information

Requirements of a BA (Honors) degree after another undergraduate degree will vary depending on the degree held and the Honors degree sought. No more than 48 at the junior level may be recognized and/or credited toward the requirements of the Honors After Degree program. In all cases, minimum admission and promotion requirements must be met (see §15.2 and §14.5) and departmental recommendation and Faculty approval for admission must be secured. All common program requirements and all specified departmental requirements must be fulfilled, either through courses recognized from the first degree, or through courses taken as part of the After Degree program. For detailed information, applicants should contact the Departmental Honors Advisor concerned and the Faculty of Arts Undergraduate Student Services Office.

Graduation

To qualify for a BA (Honors) After Degree, students must meet the promotion and graduation requirements specified for each Department (§43.1 to 43.32). The graduation average will be calculated on all courses credited to the After Degree program, as well as those courses recognized from the first degree which fulfill program requirements. An Honors After Degree may be awarded with “First-Class Honors” if an average of at least 3.7 is achieved on all courses beyond the junior level in the subject of concentration (including those completed as part of the first degree as well as those credited to the After Degree program), and if an overall average of at least 3.5 is achieved on all courses credited to the After Degree program.

Notes

(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the Honors program.

(2) Courses outside the Faculties of Arts or Science are not normally permitted in a BA Honors after a previous degree.

(3) The major subject of concentration may be the same as in the first degree if it is an Arts subject. Where a department has indicated a maximum total units of course weight permitted in the major, courses in that subject taken as part of the first degree will be included. However, depending on the remaining program requirements, not all courses in the major subject will necessarily be recognized from the previous program if doing so will exceed the maximum.

(4) Students applying to a third undergraduate degree will receive no reduction in the course weight requirements.

(5) The course requirements in an After Degree program are subject to the approval of the Associate Dean (Student Programs).

42.11.4 BFA, BDesign, or BMus After Another Undergraduate Degree

Applicants having a first undergraduate degree may be admitted to the BFA, BDesign, or BMus After Degree programs. All requirements for the degree, as detailed in §§42.6, 42.7, 42.8 or 42.9, must be met. The total number of units of course weight in the After Degree program will vary depending on the previous degree held and the After Degree sought. The total required in a BFA (Art and Design) or BDesign After Degree program will normally be 90, but in no case will less than 72 be required. The required number of units of course weight in a BFA (Drama–Acting) program will normally be 97, but in no case will less than 85 be required. The required number of units of course weight in a BFA (Drama–Technical Theatre – Stage Management) program will normally be 120, but in no case will less than 108 be required. The required number of units of course weight in a BFA (Drama–Technical Theatre – Technical Production) program will normally be 126, but in no case will less than 120 be required. The required number of units of course weight in a BMus After Degree program will normally consist of either 99 in the General or School Music routes, or 96 in the Performance Music route, but in no case will less than 72 be required.

Notes

(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the program.

(2) Courses outside the Faculties of Arts or Science are not normally permitted in a BFA, BDesign, or BMus after a previous degree, with the exception of specified degree requirements.

42.12 Cooperative Education (Work Experience) Program

Students should contact their Department Office to determine if the Department is participating in this program. For those Departments that are participating, students may consult the Department Coordinator, Cooperative Education (Work Experience) for further information on the program including admission requirements. In participating Departments, the Cooperative Education (Work Experience) Program provides students who have completed their third year of study in the Faculty of Arts with an opportunity to apply for an extended, paid work experience. The program lasts for 12 to 16 months, and after completing the reporting requirements, a student may receive university credit for the experience. Academic requirements to be met by students wishing to participate may vary by Department but a minimum Faculty Grade Point Average of at least 2.3 is always required. The completion of the minimum FGPA requirement may not be sufficient to qualify for participation. Additional requirements (i.e., an interview) may also be required at the discretion of the participating Department.

Students should be aware that under the Protection for Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

A student must successfully complete WKEXP 801, 802, and 803 and the final year of their academic program to graduate with the Cooperative Education (Work Experience) Program designation. Students are not permitted to register in any academic courses during the period of work experience, but are considered

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements.

See §42.5 for Faculty regulations concerning the Honors program.

The Honors program offers the exceptional student an opportunity for intensive study in Drama. Because the performed play is the object of exploration, knowledge of dramatic literature, theatre and aesthetics is as essential as familiarity with the creative process of theatre art. The program is therefore flexible enough to embrace both components. Students are encouraged to participate in departmental productions.

Honors in Drama requires a minimum of 68 credits, maximum of 68 in Drama (at the junior and senior levels) including DRAMA 103, 150, 208, 209, 257, 279, 306, 308, 401, 402 (Honors Essay), 406, and 409. DRAMA 402 (Honors Essay) will be completed under the supervision of a full-time faculty member of the Department, will start in the Winter Term of the third year and continue through the fourth year. Due to the nature of the Honors in Drama program, a Combined Honors program in Drama is not normally offered.

Note: The following courses have been approved for cross-listing as applicable to the Honors program in Drama: JAPAN 416, SCAND 353 and 354. See §42.3(5) for regulations pertaining to cross-listed courses.

DRAMA 208, 257, and 279 should be taken in the second year. Further courses are available in acting, community-based theatre, design, directing, dramatic and theatrical theory, improvisation, movement, oral communication, performer-created theatre, playwrighting, production and performance, technical theatre, and theatre history. Students may select Drama options to obtain broad exposure to theatre, or may focus on specific areas of interest.

The sequential nature of the BA (Drama) program requires careful planning of second-, third- and fourth-year choices. As students must obtain prior consent from the Department of Drama each year to register in certain BA Drama courses, students should consult a BA Drama Advisor as early as possible to obtain assistance in selecting their courses.

Drama as a Minor

See §42.3(4).

A minor in Drama requires at least 12 at the senior level, of which 6 must be at the 300-level or above. Some 300-level Drama courses have specific prerequisites or need Departmental consent. (3) Students taking English as a major and Writing as a minor cannot count WRITE courses toward requirements for the major.

Students taking English as a major or as a minor should consult the Department Undergraduate Programs Advisor on their choice of courses. This is important in entering third year.

The major in English is not designed to meet specific requirements for entrance into graduate programs in the Department of English; students desiring such preparation should consult the Associate Chair (Graduate Studies) before enrolling in the third year of the BA program.

**English as a minor:** ★6 of junior English. ★12 at the 200-level or higher of which ★6 must be at the 300-level or the 400-level. Also see §42.3(a) for additional Faculty regulations for minors.

See §42.5 for Faculty regulations concerning the Honors program.

Honors in History requires a minimum of ★48 to a maximum of ★60 in History (including junior courses). In certain circumstances, selected Classics courses are accepted as the equivalent of History courses, subject to the approval of the Honors Advisor in such cases, and, when used in this manner, these courses will be included in the minimum and maximum permitted. Over the course of the Honors program, students should select courses that will provide them with a broad background of historical knowledge ranging widely in place, time, and perspective.

**Required Courses**

(1) A minimum of ★12 at the 400-level in History;

(2) At least ★62 at the senior level in History, including at least ★12 in the area of the Honors essay;

(3) An historiography seminar, HIST 500, is required during the third year;

(4) HIST 501, Honors essay required during the fourth year. Students prepare the Honors essay under the supervision of a member of the Department. The Department may require any student, in addition to submitting the essay, to pass an oral or written examination on the essay subject;

(5) Students must satisfy the Department of their ability to read a Language Other than English. Examinations for that purpose are conducted by the Department. These exams normally are written during the second or third year student status through registration in WKEXP 801, 802, and 803. These are non-graded, non-credit courses that require no class attendance and will appear on the transcript along with the name of the employer.

Following the work term, students returning to school in the fifth year of the program are required to register in a ★3 seminar course and complete an applied research project related to their employment. Students who successfully complete the program requirements will graduate with the Cooperative Education (Work Experience) Program designation on their transcripts and the degree of BA Cooperative English.

Those interested should consult the Department Coop Liaison Officer, or for more information, consult §42.12 (BA Majors) and §42.5 (Honors English) of the University Calendar.

The Cooperative Work Experience Program offers English majors, honors, and combined-honors students job skills training, professional contacts, and financial support in areas of employment related to their studies. Suitable paid employment might include, but is not restricted to, positions with profit and non-profit organizations in the fields of research, publishing, media, marketing, technical writing, public relations, and communications.

While the Coop Liaison Officer will make every effort to assist in developing work term placements, employment is not guaranteed. Students are encouraged to develop positions on their own; however, all work term placements must meet with the approval of the department. Students are eligible to apply to the program during their third year of study and must have completed a minimum of ★72 including ★12 in senior-level ENGL and/or WRITE courses by the beginning of the work term placement.

Admission requires a minimum GPA of 2.7 overall, and 3.0 in ENGL and/or WRITE courses. Twelve- or sixteen-month work terms begin in May or August following the third year of study. During the work term, students maintain full-time student status through registration in WKEXP 801, 802, and 803. These are non-graded, non-credit courses that require no class attendance and will appear on the transcript along with the name of the employer.

Following the work term, students returning to school in the fifth year of the program are required to register in a ★3 seminar course and complete an applied research project related to their employment. Students who successfully complete the program requirements will graduate with the Cooperative Education (Work Experience) Program designation on their transcripts and the degree of BA Cooperative English.

Those interested should consult the Department Coop Liaison Officer, or for more information, consult §42.12 (BA Majors) and §42.5 (Honors English) of the University Calendar.

#### 43.13.1 Major and Minor in Human Geography

**Degree of BA**

See §42.3.

The Department of Earth and Atmospheric Sciences (Faculty of Science) offers a BA major and a minor in Human Geography, as well as an Arts minor for the BSc General Program.

**Major in Human Geography**

The objective of the major is to provide students with

1. a basic understanding of the Earth/Atmosphere/Biosphere system;
2. a balanced assessment of the ways in which the human population has perceived, adapted to, and made use of this system; and
3. a range of skills that will allow students to lay the foundation for careers in earth-science related areas of environmental policy, planning management and conservation.

Students planning to proceed to graduate programs in Geography or professional programs in planning should consult the BA program Advisor in the Department of Earth and Atmospheric Sciences regarding their choice of minor.

A major in Human Geography requires a minimum of \(\star 30\) to a maximum of \(\star 48\) at the senior level in EAS courses and cross-listed courses specified below.

These must include at least \(\star 6\) in EAS Human Geography courses at the 400-level. Other EAS courses that are not Human Geography courses may also be taken as part of the major and will be included in the minimum and maximum, but at least \(\star 18\) of the required minimum of \(\star 30\) must be in Human Geography.

The following courses are required: One of EAS 100, 101 or 102; one of EAS 190, 191 or 192; one of EAS 290, 291 or 294 and 221.

3. (INT D 451 may be counted toward the major in Human Geography.

### 43.14 Individualized Study

Students wishing to pursue a Major or Minor in a topic or theme that spans disciplinary boundaries may be allowed to pursue an "individualized" Major or Minor. Proposals are made to the Associate Dean (Academic) by letter and must include a description of the theme or topic to be pursued and a tentative list of relevant courses from at least three different departments or interdisciplinary programs. If the Associate Dean judges that the proposal has merit, an advisory committee with at least three members, ideally representing different departments or programs contributing to the proposed individualized major or minor will be struck. The Associate Dean and Committee will judge the proposal in terms of three main criteria:

- coherence of the theme and the set of proposed courses;
- significant difference from any existing program at this University;
- the student's overall academic record.

In their proposals, students may suggest possible members for their committees. Any changes subsequent to approval of the program must be approved by a student's Committee and the Associate Dean.

Students must complete a minimum of \(\star 30\) toward their degrees after a program of study for an individualized major or minor has been approved. Thus, students who have completed more than \(\star 90\) may not apply for this program unless they declare some credits extra to their degrees.

Students should note that completion of an Individualized major may not prepare them for direct entry to disciplinary Graduate programs, although it may provide adequate preparation for particular interdisciplinary Graduate programs.

#### 43.14.1 Individualized Major and Minor

See §42.3.

**Individualized Major:** A minimum of \(\star 30\) and a maximum of \(\star 48\) at the senior level in the subject of concentration are required including at least \(\star 6\) at the 400-level. Specific required courses will vary by individual program; however, all students in the Individualized Major program must complete INT D 222 (\(\star 3\)) and INT D 333 (\(\star 3\)) which are required in the program but do not apply to the minimum and maximum required for the major. See §42.3(5) regarding regulations pertaining to use of cross-listed courses.

**Individualized Minor:** A minimum of \(\star 24\) and a maximum of \(\star 42\) in the minor subject of concentration is required, including at least \(\star 6\) at the 300 or 400-level. Specific required courses will vary by individual program; however, all students in the Individualized Minor program must complete INT D 222 (\(\star 3\)) and INT D 333 (\(\star 3\)) which do not apply to the minimum and maximum required for the minor. See §42.3(5) regarding regulations pertaining to use of cross-listed courses.

The Interdisciplinary Program in Science, Technology, and Society offers both a Major and Minor. Information on faculty advisors for this program is available from the Office for Interdisciplinary Studies in the Faculty of Arts or the Associate Dean (Academic) in the Faculty of Arts.

This interdisciplinary major or minor subject of concentration will enable students to apply the approaches of the social sciences and humanities to understand science and technology as human and social activities. It will also enable them to study the impact of science and technology on societies past and present.

The remainder of an Honors student’s program is composed of optional coursework. Courses taken outside the Faculties of Arts and Science may be approved as part of the minor requirement in related areas, or they may be taken as options if their number, in the total program, does not exceed ★18.

Honors students considering graduate study should take senior courses in population and additional coursework in theory and methods beyond that required of Honors students.

Due to the unique nature of the minor requirements in the Honors in Sociology program, a Combined Honors program in Sociology is not normally offered.

Notes

1. 300- and 400-level WRITE Courses (and some 200-level WRITE courses) have specific prerequisites.
2. Students taking English as a major and Writing as a minor cannot count WRITE courses toward requirements for the major.

44 Regulations for Students

Students should review the regulations of the Faculty of Arts in conjunction with the University Regulations and Information for Students §§11 to 27, inclusive.

44.1 Important Dates

1. Admission to the Faculty of Arts
   Refer to §12.6.
2. Transfer to the Faculty of Arts from Another Faculty in the University
   Refer to §12.6.

   Students registered in Fall Term in another Faculty may not automatically transfer to the Faculty of Arts for Winter Term but may complete an Application for Readmission or Internal Transfer form to transfer to the Faculty of Arts for a subsequent Fall/Winter.

   Even though formal transfer for Winter Term cannot be approved, changes in program can sometimes be arranged to maximize transferable credits for later use. Students should contact the Undergraduate Student Services Office for advice.
3. Course Add, Drop, Withdrawal Deadlines
   Refer to §11.
4. Application to Receive a Degree
   Fall Convocation: September 1
   Spring Convocation: February 1

   Early application is encouraged (October 15 for Spring Convocation, April 15 for Fall Convocation and August 15 for those completing programs in Fall Term) so students can be assured in advance of their final terms that their course selections will make them eligible to convocate.
5. Other Important Deadlines
   Refer to §11.

44.2 Admission and Transfer

The admission and transfer requirements of the Faculty of Arts are in §15.2 with additional general information in §§13 to 14.
b. they have already completed a minimum of $\geq 24$ of their program at the University of Alberta;

c. they present "Satisfactory" academic standing (i.e., a FGPA of 2.0 or greater). Approval will not, however, be granted for requests where the student has already received the maximum allowable transfer courses ($\geq 60$). There is no obligation to grant transfer credit unless prior permission has been obtained. Qualified students should contact the Undergraduate Student Services Office, 6-7 Humanities Centre, to obtain the necessary forms and instructions.

(4) Exchange Programs: For students already admitted to a degree program in the Faculty of Arts who are participating in approved international exchange programs, credit will be considered on a credit-fail (CR-F) basis only. Therefore, grades achieved in such courses will not normally be included in promotion or graduation average calculations unless the students declare before participating in the exchange program that they wish these grades to be included. Credit may be granted if a passing grade is achieved.

## 44.3 Registration Information

Students register in all programs in the Faculty of Arts using Bear Tracks. The Registration Procedures booklet distributed with this Calendar contains instructions for using this system. Please note as well the following:

(1) Check deadlines carefully as they are strictly enforced. See §§11 and 22.1.

(2) **Student Responsibility:** Students are responsible for familiarizing themselves with program requirements and limitations as specified in the Calendar and for ensuring their programs are properly planned in accordance with degree specifications. Please read the Calendar carefully before registering in courses, and if you are in doubt about any regulations pertaining to your program, consult the Undergraduate Student Services Office (6-7 Humanities Centre) for clarification.

(3) **Course Load Requirement:** Normally, students in the Faculty of Arts take a full course load of $\geq 15$ per term during Fall/Winter and may take up to $\geq 9$ per term in Spring/Summer. However, it should be noted that in the BA program, there is no requirement that a full course load must be taken; students in that program may elect to carry a reduced course load without Faculty approval. Students in other Arts programs should consult the relevant department entry in §§42.4 through 42.11 as well as their Department Advisor for advice on minimum course load requirements for those programs. A student is considered to be a full-time student when carrying a course load of $\geq 9$ per term. Students are expected to select an appropriate course load taking into consideration work, family responsibilities, or other outside commitments, as well as regulations pertaining to eligibility for University and Faculty Awards.

In exceptional circumstances, and following completion of the first $\geq 30$, acceleration to the maximum of $\geq 18$ per term during Fall/Winter and $\geq 9$ per term during Spring/Summer may be permitted by the Faculty; however, requests to accelerate are not granted to students who are not in Satisfactory Academic Standing (see §44.6).

As well, students who are not in Satisfactory Academic Standing are normally required by the Faculty to carry a **reduced** course load (i.e. less than $\geq 15$ per term) during the Fall/Winter and may be prohibited from taking Spring/Summer courses until their academic performance improves and satisfactory standing is attained. Students who have outstanding Fall/Winter deferred examinations to be written during the July deferred examination period [see §23.5(6)(a)] are also normally not permitted to register in any Summer Term courses. The successful completion of the outstanding deferred examination(s) must be the priority.

(4) **Failure to “drop” a course:** Students who do not formally withdraw from a course but who are absent from the final examination without excuse (see §23.5.6) will be given a mark of zero (0) on the final examination. The final grade in the course will then be determined by combining the appropriately weighted term grade and the assigned zero in the final examination, the mathematical result rounded to the lowest whole number. Students who register in a course but do not attend and do not formally withdraw will receive a grade of F.

(5) **Courses:** Faculty of Arts courses are listed in §221, Course Listings, under the following subject headings:

**Faculté Saint-Jean**

Many Arts courses are also offered in French at Faculté Saint-Jean. Faculté Saint-Jean allows students to pursue university studies in a French environment. The University thus hopes to foster French culture in Alberta and to allow more students to master the two official languages of Canada. For further information, consult the Faculté Saint-Jean section of the Calendar and Course Listings.

## 44.4 Advanced Placement

Students who do not hold credit in prerequisite courses, but who feel they have sufficient knowledge, may be permitted registration in a senior-level course on successful completion of a placement test. For further particulars, contact the department offering the senior-level course. These tests are normally conducted for language courses. Also refer to §§14.2.4, 22.1.4 and 44.5(2)e.
44.5 Credit by Special Assessment

Note: See also §14.2.5.

Credit by Special Assessment permits students to receive degree credit in specified courses without actually registering in and taking courses if the student can demonstrate an acceptable level of mastery of the course content.

Students admitted to a degree program in the Faculty of Arts may receive degree credit in a limited number of courses for knowledge or skill obtained in a non-university context or by private study. "Non-university context" may include work completed at institutions not accredited for degree purposes or may refer to periods of work experience that bear relationship to university courses. The following conditions apply:

(1) Basis of Application
   a. Students may apply for Credit by Special Assessment on the basis of knowledge gained in a "non-university context" following admission to a degree program.
   b. Students may apply for Credit by Special Assessment on the basis of knowledge gained in "private study" following the successful completion of a minimum of 12 credits in their degree program.

(2) Limits
   a. Departments are not required to offer Credit by Special Assessment in all courses. Courses which have a significant practical component, such as laboratory or studio work, or courses requiring substantial writings, may not be eligible for Credit by Special Assessment. The course level, and in some cases the specific course, to be challenged will be determined by the Department.
   b. A maximum of 12 may be obtained through Credit by Special Assessment, of which no more than 6 may be in Language-other-than-English courses. In the case of Language-other-than-English courses, only those numbered 150 or higher are open to Credit by Special Assessment. Where Language-other-than-English courses at the 300- or 400-level (or higher) have already been completed, a student may not subsequently attempt by Special Assessment any courses at a lower (e.g., 200- or 300-) level.
   c. Students may attempt Credit by Special Assessment only once in each course.
   d. The number of attempts to obtain Credit by Special Assessment is restricted to a maximum of 12. Note: This limits the number of courses that may be challenged, regardless of results. Cancelled applications are considered an attempt to obtain credit and will be included in this maximum.
   e. Students seeking credit in a prerequisite to a course in which they intend to register must complete the Credit by Special Assessment examination before the start of classes in the advanced course. Similarly, in cases where "advance placement" in a prerequisite course has been given, students may also seek Credit by Special Assessment in the prerequisite course, but must also complete the special assessment examination before the start of classes in the advanced course.
   f. Graduate courses and Honors courses (i.e., those open only to Honors students and specified as such in the Calendar) cannot be attempted by Special Assessment.
   g. Courses which have previously been audited, or in which the student has withdrawn, may not subsequently be attempted by Special Assessment.

(3) Deadline for Completion: The deadline for completion of the examination and assessment is one month from the date of approval of the application for Credit by Special Assessment. Students who fail to complete assessment requirements by the specified deadline will be considered to have cancelled their application.

(4) Grading
   a. In a course attempted by special assessment, the results will be recorded, either as a letter grade or pass/fail according to the practice in the regular course.
   b. All grades obtained in attempts by special assessment, including failures, will be recorded on the transcript of the students concerned and will be computed into the student academic record (i.e., academic standing, promotion, and graduation requirements).
   c. Students may not appeal the results in a course attempted by special assessment.

(5) Transfer of Credit by Special Assessment: Students who have obtained credits by special assessment (or similar means) while enrolled in another accredited university, college, Faculty, or school, will be given advance credit in such courses if the course is applicable within the requirements and limitations of the Arts program specified above.

(6) Fee: A fee is required for each course in which credit by special assessment is sought, and must be paid before the department concerned undertakes the special assessment. Refer to §22.2 for fee information. Note: Amount of this fee is subject to change.

44.6 Academic Standing and Graduation

(1) Academic Standing for all programs in the Faculty of Arts except BA (Criminology), BDesign, BA Art and Design, BFA Drama, BMusic, BMusic/ BEd and BA Honors, is assessed on the basis of a Faculty grade point average (FGPA). See §23.4(7) and §23.9.2 for information on calculation of FGPA’s and the academic record. For the above programs which do not use the Faculty grade point average as the basis for assessing academic standing, the academic standing, promotion and graduation regulations will be found in the program descriptions in §§42.4 to 42.11.

Initial assessment and subsequent reassessment of academic standing is based on students’ performance in a minimum of 9 credits. If, at the time of review, students have attempted fewer than 9 since the last assessment, the review is deferred and the academic standing assigned at the last review remains in effect until the next review.

Assessment of academic performance is conducted at the end of each student’s registration in both Fall/Winter and Spring/Summer provided that 9 have been attempted since the last review. As well, academic standing is assessed at the end of each student’s program even if less than 9 have been taken since the last review.

The GPA is printed on the University of Alberta transcript. Both averages, GPA and FGPA, are printed on the Statement of Results which are mailed to students at the end of each Fall/Winter and Spring/Summer.

(2) Assessment of Academic standing
   a. Satisfactory Standing (FGPA 2.0 and above): Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty of Arts.
   b. Marginal Standing (FGPA 1.7 to 1.9 inclusive): Students receiving the first assessment of marginal standing are permitted to continue, under academic warning, until the next assessment of academic standing in order to raise the FGPA to 2.0 or higher. At the time of the next assignment of academic standing, such students:
      1) who raise their FGPA to at least 2.0 may continue their studies with satisfactory standing.
      2) whose FGPA is less than 2.0, and whose average on the courses taken since the last review is less than 2.0 will be required to withdraw.
   c. Unsatisfactory Standing (FGPA 1.6 and below): Students receiving an unsatisfactory standing are normally required to withdraw from the Faculty of Arts. See §44.7 for information on academic appeal regulations.

Students who are required to withdraw from the Faculty at the end of Fall/Winter cannot register for the following Spring/Summer. Students who register for the Summer Term of Spring/Summer prior to the requirement to withdraw will have their registration cancelled without penalty. Those students who have already registered in Spring Term of Spring/Summer prior to receiving notification of the requirement to withdraw will be permitted to continue until the end of Spring Term, or may choose to withdraw from those Spring/Summer courses.

(3) Fresh Start Program: Year 1 and 2 students who have achieved a FGPA between 1.3 and 1.6 may be eligible for admission to the Fresh Start program. Students must be recommended by the Faculty for participation in the Fresh Start program. Further information can be found in §§14.5, 23.6.2 and 210.5
(4) Readmission after a Requirement to Withdraw: Refer to §15.2.11 for information on the regulations pertaining to readmission to the Faculty of Arts after a requirement to withdraw.

A student who has been required to withdraw from the Faculty but is subsequently allowed to continue in the Faculty, due to either the successful completion of postsecondary courses at another institution (described in §15.2.11), or successful appeal of their academic standing described in §44.7, will have the FGPA calculated from the Fall/Winter or Spring/Summer in which readmission of continuation is first granted, not the date of first admission to the Faculty. Such a restart of the FGPA is permitted only once for any student. Thereafter, such students must maintain a FGPA of 2.0 or again be required to withdraw. Continuation on marginal standing below 2.0 is not permitted in such cases. All students who have previously been required to withdraw from the Faculty of Arts are not permitted any subsequent marginal performance.

(5) Extension to the Graduating Year: Students who have successfully completed at least *120 but who do not meet program requirements for graduation, and who are otherwise eligible to continue in their program of study, may continue to register until graduation requirements are met. Students who have successfully completed at least *120 but who have Unsatisfactory standing (i.e., Required to Withdraw), may appeal to be allowed to complete one further Fall/Winter of study in order to meet graduation requirements. If graduation requirements are not met within that Fall/Winter, such students must withdraw and will not be re-admitted.

(6) First-Class Standing: First-class standing is awarded to any student, regardless of program, who obtains a GPA of at least 3.5 while enrolled in a full, normal academic load (minimum *30) during the Fall/Winter terms. This is also referred to as the Dean’s Honors List.

Degrees with Distinction and First-Class Honors: For regulations concerning the awarding of Degrees With Distinction, see the requirements for specific programs in §42. For regulations concerning the awarding of First-Class Honors to students graduating with a Bachelor of Arts degree with Honors, see §42.5.

44.7 Appeals and Assistance

For students who have difficulties, the Faculty and the University have a number of policies to identify and resolve the issues. Copies of grade appeal and academic appeal procedures and regulations are available from the Undergraduate Student Services Office, Faculty of Arts (6-7 Humanities.) The following advice is provided for students who have difficulties in the following areas:

(1) Academic skills development: Tutoring assistance in study skills, writing skills or mathematics proficiency is available. Contact the Academic Support Centre regarding Learning Resources, Effective Writing and Computer Resources Programs, see §25.2.

(2) Grade Evaluation in a particular course—appeals process: Appeals regarding students’ standing in a particular course must first be directed to the instructor concerned. Frequently, the issue can be resolved at this level. If not, the appeal must then be directed to the Chair of the Department offering the course. Final recourse is available to the Faculty of Arts Grade Appeal Committee which acts as the Faculty’s Academic Appeals Committee. If a final grade is in dispute, in whole or in part because of the grade for the final examination, the student must apply for a formal reappraisal of the exam. The deadlines to initiate a grade appeal with the instructor are February 1 for Fall courses, June 25 for Winter or two-term Fall/Winter courses, and within 30 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses.

Note: that these same deadlines apply for initiating a reappraisal of a final exam. In the event the issue is not resolved with the instructor or Chair, a formal Grade Appeal may be initiated with the Faculty provided the written appeal is received by the Associate Dean (Student Programs) no later than March 1 for a Fall course, July 25 for Winter or two-term Fall/Winter courses, and within 60 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses.

If the above deadlines are not observed, no further recourse is available.
