In 1908, the University opened its doors as a Faculty of Arts and Science. That year, we had 45 students and four professors in English, modern languages, history and mathematics.

Today, the Faculty of Arts has a key role in the University’s commitment to the people of Alberta and of Canada. Arts is the largest Faculty in the University and the third largest English-speaking Arts Faculty in the nation. The Faculty’s scholarship and creative work in the humanities, social sciences and fine arts are recognized nationally and internationally. Arts students and professors benefit from one of the top library collections in Canada.

Each year, the Faculty of Arts is entrusted with the education in the liberal and the fine arts of approximately 6,000 undergraduate students, with the specialized advanced education of nearly 800 graduate students, and with the general education of students from other Faculties. The effect of the Faculty’s work is apparent across Canada and in other countries where our graduates work and flourish.

An Arts education at the U of A gives our students the opportunity to develop skills enduringly associated with liberal arts education:

- Analytical, critical and creative thinking
- Effective oral and written expression, and familiarity with other communication
- Critical and reflective reading
- The ability to identify and solve problems
- The ability to pose questions that advance understanding and foster investigation
- The ability to conduct original research and to organize complex information
- The skills associated with learning how to learn; the exercise of independent judgment and ethical decision making
- The experience of setting personal goals, managing time, and developing the self-confidence necessary for success
- A sensitivity to individuals and tolerance of cultural differences in groups
- The desire to cooperate with others in team projects
- An informed openness to the information technologies

Our graduates learn to listen, to hear, to think critically and rationally, to communicate effectively, to work independently and in teams, and to make reasoned value judgments. They are knowledgeable about the past and prepared to examine the future. They approach the dynamic global culture with experience in other languages and in the study of societies and cultures. Our graduates discover their special talents, abilities and values, helping them to lead satisfying lives.

42 Regulations for Students

Students should review the regulations of the Faculty of Arts in conjunction with the University Regulations and Information for Students §§11 to 27, inclusive.

42.1 Important Dates

(1) Admission to the Faculty of Arts
Refer to §12.7.

(2) Transfer to the Faculty of Arts from Another Faculty in the University
Refer to §12.7.

Students registered in Fall Term in another Faculty may not officially transfer to the Faculty of Arts for Winter Term but may complete an Application for Readmission or Internal Transfer form to transfer to the Faculty of Arts for a subsequent Fall/Winter.

Even though formal transfer for Winter Term cannot be approved, changes in program can sometimes be arranged to maximize transferable credits for later use. Students should contact the Undergraduate Student Services Office for advice (6-5 Humanities, 492-4295, e-mail: arts.undergrad@ualberta.ca).

(3) Course Add, Drop, Withdrawal Deadlines
Refer to §11.

(4) Application to Receive a Degree
Fall Convocation: September 1
Spring Convocation: February 1

Early application is encouraged (October 15 for Spring Convocation, April 15 for Fall Convocation and August 15 for those completing programs in Fall Term) so students can be assured in advance of their final terms that their course selections will make them eligible to convocate.

(5) Other Important Deadlines
Refer to §11.

42.2 Admission and Transfer

The admission and transfer requirements of the Faculty of Arts are in §§15.2 with additional general admission information in §§13 to 14.

(1) Preprofessional Programs: There are no preprofessional programs, as such, in the Faculty of Arts. Students admitted to a Faculty of Arts program who plan to transfer later to a professional program in another Faculty must satisfy Faculty requirements while they are registered in this Faculty. Students planning to transfer should consult the Calendar or Counsellors of the relevant Faculty for advice concerning courses which satisfy the requirements of both programs.

(2) Residence Requirement: Students taking a ★120 program in the Faculty of Arts must have credit in at least ★60 offered by the University of Alberta. Students in a ★123 or ★126 program must have credit in at least ★63 offered by the University. Those in a ★129 or ★132 program must have credit in at least ★66 offered by the University of Alberta. Also refer to §23.2, and the specific program requirements in §43.

(3) Letter of Permission: Following initial admission, students are expected to complete all remaining program requirements at the University of Alberta. For academically justifiable reasons such as planned participation in an Exchange or language Bursary program, or to partake in an international or cultural experience, it is possible to receive a Letter of Permission to take courses at another institution. To apply for a Letter of Permission students must:

a. be eligible to register in a degree program in the Faculty of Arts; and
b. have successfully completed a minimum of ★24 at the University of Alberta; and

c. present “Satisfactory” academic standing (i.e., a GPA of 2.0 or greater).

Approval will not be granted for requests where the student has already received the maximum allowable transfer courses (★60). The Faculty is not obligated to grant transfer credit unless a Letter of Permission was obtained in advance of studying elsewhere. Qualified students should contact the Undergraduate Student Services Office, 6-5 Humanities Centre, to apply for a Letter of Permission. Students who wish to apply for Exchange programs must obtain the appropriate forms from the appropriate office (usually the Education Abroad Program).

(4) Exchange Programs: For students already admitted to a degree program in the Faculty of Arts who are participating in approved programs, credit will be considered on a credit-fail (CR-F) basis only. Grades achieved in such courses will not be included in promotion or graduation average calculations, but are included when assessing admission and transfer to other programs.

42.3 Registration Information

Students register in all programs in the Faculty of Arts using Bear Tracks. Please note the following:

(1) Check deadlines carefully as they are strictly enforced. See §§11 and 22.1.

(2) Student Responsibility: Students are responsible for familiarizing themselves with program requirements and limitations as specified in the Calendar and for ensuring their programs are properly planned in accordance with degree specifications. Please read the Calendar carefully before registering in courses, and if you are in doubt about any regulations pertaining to your program, consult the Undergraduate Student Services Office (6-5 Humanities, 492-4295, e-mail: arts.undergrad@ualberta.ca) for clarification.

(3) Course Load Requirement: Normally, students in the Faculty of Arts take a full course load of ★15 per term during Fall/Winter and may take up to ★6 per term in Spring/Summer. However, it should be noted that in the BA program, there is no requirement that a full course load must be taken; students in that program may elect to carry a reduced course load without Faculty approval. Students in other Arts programs should consult the relevant department entry in §43.4 through 43.11 as well as their Department Advisor for advice on minimum course load requirements for those programs. A student is considered to be a full-time student when carrying a course load of ★9 per term. Students are expected to select an appropriate course load taking into consideration work, family responsibilities, or other outside commitments, as well as regulations pertaining to eligibility for University and Faculty Awards.

In exceptional circumstances, and following completion of the first ★30, acceleration to the maximum of ★18 per term during Fall/Winter and ★9 per term during Spring/Summer may be permitted by the Faculty; however, requests to accelerate are not granted to students who are not in Satisfactory Academic Standing (see §42.6).

As well, students who are not in Satisfactory Academic Standing are normally required by the Faculty to carry a reduced course load (i.e. less than ★15 per term) during the Fall/Winter and may be prohibited from taking Spring/Summer courses until their academic performance improves and satisfactory standing is attained.

Students who have outstanding Fall/Winter deferred examinations to be written during the July deferred examination period (see §23.5.6(6)) are also normally not permitted to register in any Summer Term courses. The successful completion of the outstanding deferred examination(s) must be the priority.

(4) Failure to “drop” a course: Students who do not formally withdraw from a course but who are absent from the final examination without excuse (see §23.5.6) will be given a mark of zero (0) on the final examination. The final grade in the course will then be determined by combining the appropriately weighted term grade and the assigned zero in the final examination, the mathematical result rounded to the lowest whole number. Students who register in a course but do not attend, do not submit term work or write term exams, and do not formally withdraw will receive a grade of F1.

(5) Courses: Faculty of Arts courses are listed in §231, Course Listings, under the following subject headings:
Arts

Students who do not hold credit in prerequisite courses, but who feel they
42.4 Advanced Placement
on successful completion of a placement test. For further particulars, contact the
department offering the senior-level course. These tests are normally conducted
for language courses. Also refer to §§14.2.4, 22.1.4 and 42.5(2)e.

42.5 Credit by Special Assessment

Note: See also §14.2.5.
Credit by Special Assessment permits students to receive degree credit in
specified courses without actually registering in and taking courses if the student
can demonstrate an acceptable level of mastery of the course content.
Students admitted to a degree program in the Faculty of Arts may receive
degree credit in a limited number of courses for knowledge or skill obtained in a
non-university context or by private study. “Non-university context” may include
work completed at institutions not accredited for degree purposes or may refer
to periods of work experience that bear relationship to university courses. The
following conditions apply:

(1) Basis of Application

a. Students may apply for Credit by Special Assessment on the basis of
knowledge gained in a “non-university context” following admission to
a degree program.
b. Students may apply for Credit by Special Assessment on the basis of
knowledge gained in “private study” following the successful completion
of a minimum of 12 credits in their degree program.

(2) Limits

a. Departments are not required to offer Credit by Special Assessment in
all courses. Courses which have a significant practical component, such as
laboratory or studio work, or courses requiring substantial writing may
not be eligible for Credit by Special Assessment. The course level, and in
some cases the specific course, to be challenged will be determined
by the Department.
b. A maximum of 12 credits may be obtained through Credit by Special
Assessment, of which no more than 6 credits may be in Language-other-
than-English courses. In the case of Language-other-than-English
courses, only those numbered 150 or higher are open to Credit by Special
Assessment. Where Language-other-than-English courses at the 300-
or 400-level have already been completed, a student may not
subsequently attempt by Special Assessment any courses at a lower (e.g.,
200- or 300-) level.
c. Students may attempt Credit by Special Assessment only once in each
course.
d. The number of attempts to obtain Credit by Special Assessment is
restricted to a maximum of 12. Note: This limits the number of courses
that may be challenged, regardless of results. Cancelled applications
are considered an attempt to obtain credit and will be included in this
maximum.
e. Students seeking credit in a prerequisite to a course in which they intend
to register must complete the Credit by Special Assessment examination
before the start of classes in the advanced course. Similarly, in cases
where “advance placement” in a prerequisite course has been given,
students may also seek Credit by Special Assessment in the prerequisite
course, but must also complete the special assessment examination
before the start of classes in the advanced course.
f. Graduate courses and Honors courses (i.e., those open only to Honors
students and specified as such in the Calendar) cannot be attempted
by Special Assessment.
g. Courses which have previously been audited, or in which the student
has withdrawn, may not subsequently be attempted by Special
Assessment.

(3) Deadline for Completion: The deadline for completion of the examination
and assessment is one month from the date of approval of the application
for Credit by Special Assessment. Students who fail to complete assessment
requirements by the specified deadline will be considered to have cancelled
their application.

(4) Grading

a. In a course attempted by special assessment, the results will be recorded,
either as a letter grade or pass/fail according to the practice in the regular
course.
b. All grades obtained in attempts by special assessment, including failures,
will be recorded on the transcript of the students concerned and will be
computed into the student academic record (i.e., academic standing,
promotion, and graduation requirements).
c. Students may not appeal the results in a course attempted by special assessment.

(5) **Transfer of Credit by Special Assessment:** Students who have obtained credits by special assessment (or similar means) while enrolled in another accredited university, college, Faculty, or school, will be given advance credit in such courses if the course is applicable within the requirements and limitations of the Arts program specified above.

(6) **Fee:** A fee is required for each course in which credit by special assessment is sought, and must be paid before the department concerned undertakes the special assessment. Refer to §22.2 for fee information. **Note:** Amount of this fee is subject to change.

### 42.6 Academic Standing and Graduation

(1) **Academic Standing** for all programs in the Faculty of Arts except BA (Criminology), BDesign, BFA Art and Design, BFA Drama, BMusic, BMusic/BEd and BA Honors, is assessed on the basis of a Faculty grade point average (FGPA). See §23.4.7 and §23.9.2 for information on calculation of FGPA’s and the academic record. For the above programs which do not use the Faculty grade point average as the basis for assessing academic standing, the academic standing, promotion, and graduation regulations will be found in the program descriptions in §§43.4 to 43.11.

Initial assessment and subsequent reassessment of academic standing is based on students’ performance in a minimum of 9 units. If, at the time of review, students have attempted fewer than 9 since the last assessment, the review is deferred and the academic standing assigned at the last review remains in effect until the next review.

Assessment of academic performance is conducted at the end of each student’s registration in both Fall/Winter and Spring/Summer. Students who register for the Spring Term of Spring/Summer prior to receiving notification of the requirement assessment. Transfer of Credit by Special Assessment: Students who are enrolled in full, normal academic load (minimum 30) during the Fall/Winter terms. This is also referred to as the Dean’s Honor List.

**Graduation Requirements**

**Application to Convocate:** Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty of Arts. See §42.7 for information on academic appeal procedures and regulations are available from the Undergraduate Student Services Office, Faculty of Arts (6-5 Humanities), or on the Undergraduate Student Services Office website (www.ualberta.ca/arts/). The following advice is provided for students who have difficulties in the following areas:

a. **Satisfactory Standing (FGPA 2.0 and above):** Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty of Arts. See §42.7 for information on academic appeal regulations.

b. **Marginal Standing (FGPA 1.7 to 1.9 inclusive):** Students receiving the first assessment of marginal standing are required to continue, under academic warning, until the next assessment of marginal standing in order to raise the FGPA to 2.0 or higher. At the time of the next assessment of academic standing, such students:

1) who raise their FGPA to at least 2.0 may continue their studies with satisfactory standing,

2) whose FGPA is less than 2.0, and whose average on the courses taken since the last review is less than 2.0 will be required to withdraw.

3) whose FGPA is less than 2.0 but who have, during the period since the last review, achieved an average of at least 2.0 on all courses attempted, will be permitted one further registration under academic warning in order to raise the FGPA to 2.0. If the FGPA is not raised to 2.0 at the next assessment, the student will be required to withdraw.

**Note:** Students under academic warning are only permitted to interrupt their programs with the prior, written permission from the Associate Dean, Student Programs. If students on academic warning interrupt their programs for more than 12 months without prior approval, readmission will normally not be granted unless the student meets the current readmission criteria.

c. **Unsatisfactory Standing (FGPA 1.6 and below):** Students receiving an unsatisfactory standing are normally required to withdraw from the Faculty of Arts. See §42.7 for information on academic appeal regulations.

Students who are required to withdraw from the Faculty at the end of Fall/Winter cannot register for the following Spring/Summer. Students who register for the Summer Term of Spring/Summer prior to the requirement to withdraw will have their registration cancelled without penalty. Those students who have already registered in Spring Term of Spring/Summer prior to receiving notification of the requirement to withdraw will be permitted to continue until the end of Spring Term, or may choose to withdraw from these Summer/Summer courses.

(3) **Fresh Start Program:** Year 1 and 2 students who have achieved a FGPA between 1.3 and 1.6 may be eligible for admission to the Fresh Start program. Students must be recommended by the Faculty for participation in the Fresh Start program. Further information can be found in §§14.5, 23.8.2 and 220.5.

(4) **Readmission after a Requirement to Withdraw:** Refer to §15.2.11 for information on the regulations pertaining to readmission to the Faculty of Arts after a requirement to withdraw.

A student who has been required to withdraw from the Faculty but is subsequently allowed to continue in the Faculty, due to either the successful completion of postsecondary courses at another institution (described in §15.2.11), or successful appeal of their academic standing described in §42.7, will have the FGPA calculated from the Fall/Winter or Spring/Summer in which readmission of continuation is first granted, not the date of first admission to the Faculty. Such a restart of the FGPA is permitted only once for any student. Thereafter, such students must maintain a FGPA of 2.0 or again be required to withdraw. Continuation on marginal standing below 2.0 is not permitted in such cases. All students who have previously been required to withdraw from the Faculty of Arts are not permitted any subsequent marginal performance.

(5) **Extension to the Graduating Year:** Students who have successfully completed at least 120 but who do not meet program requirements for graduation, and who are otherwise eligible to continue in their program of study, may continue to register until graduation requirements are met.

Students who have successfully completed at least 120 but who have Unsatisfactory standing (i.e. Required to Withdraw), may appeal to be allowed to complete one further Fall/Winter of study in order to meet graduation requirements. If graduation requirements are not met within that Fall/Winter, such students must withdraw and will not be readmitted.

(6) **First-Class Standing:** First-class standing is awarded to any student, regardless of program, who obtains a GPA of at least 3.5 while enrolled in a full, normal academic load (minimum 30) during the Fall/Winter terms. This is also referred to as the Dean’s Honor List.

**Grades in General**

For students who have difficulties, the Faculty and the University have a number of policies to identify and resolve the issues. Copies of grade appeal and academic appeal procedures and regulations are available from the Undergraduate Student Services Office, Faculty of Arts (6-5 Humanities), or on the Faculty of Arts website (www.ualberta.ca/arts/). The following advice is provided for students who have difficulties in the following areas:

(1) **Academic skills development:** Tutoring assistance in study skills, writing skills or mathematics proficiency is available. Contact the Academic Support Centre regarding Learning Resources, Effective Writing and Computer Resources Programs, see §25.16.

(2) **Grade Evaluation in a particular course—appeals process:** Appeals regarding students’ standing in a particular course must first be directed to the instructor concerned. Frequently, the issue can be resolved at this level. If not, the appeal must then be directed to the Chair of the Department offering the course. Final recourse is available to the Faculty of Arts Grade Appeal Committee which acts as the Faculty’s Academic Appeals Committee. If a final grade is in dispute, in whole or in part because of the grade of the final examination, the student must apply for a formal reappraisal of the exam. The deadlines to initiate a grade appeal with the instructor are February 1 for Fall courses, June 25 for Winter or term Fall/Winter courses, and within 30 calendar days after the publication (i.e., posting) of results in the Department for Spring/Summer courses. Note: that these same deadlines apply for initiating a reappraisal of a final exam. In the event the issue is not resolved with the instructor or Chair, a formal Grade Appeal may be initiated with the Faculty...

43.2 General Program Information

Courses that are requirements of one program only are listed under the particular degree or certificate program in §§43.3–43.12 and 44.

(1) Course Definitions

a. **Units of Course Weight:** A unit of course weight indicates the instructional credit assigned to a course and is designated by the symbol after the course number and name. Units of course weight form a part of the degree requirements and are also used in calculating a student’s Grade Point Average (GPA) and Faculty Grade Point Average (FGPA).

b. **Two-term Course:** A two-term course is a course with a course weight of 6 that normally extends over two consecutive University terms.

c. **Term Course:** A term course is a course with a course weight of 3 that normally extends over one University term.

d. **Junior Course:** Effective September 1990, all courses offered by the Faculty of Arts numbered 199 or lower are junior-level courses. Before that, all courses offered by Arts numbered 299 or lower were junior-level courses. For courses in all other Faculties, the course numbering in effect at the time the course was taken will apply.

e. **Senior Courses:** Those courses numbered 200 to 599.

f. **Normal Course Load:** A normal full academic course load is 15 during the Fall/Winter.

g. **Courses Extra to the Degree:** Courses successfully completed while registered in a program in the Faculty of Arts which are not being used for degree credit are known as courses extra to the degree. Such courses are, however, included in the assessment of academic standing (see §42.6).

h. **Minimum Passing Grade:** The minimum passing grade in University of Alberta undergraduate courses is a D. The minimum final grade for transfer of courses from other postsecondary institutions is C-.

(2) Options

a. **Arts or Science Options:** Junior English Requirement: Normally, no more than 6 in junior English may be offered for credit in an undergraduate program. The term “option” where it appears in programs means an Arts or Science course chosen by the student if the necessary prerequisite
requirements have been met. An "approved option" in all programs is an option approved by the department directing the program of the students concerned. Also refer to point b.

b. Non-Arts or Non-Science Options (i.e., courses not offered by the Faculties of Arts or Science): Students registered in programs in the Faculty of Arts will normally select their courses from those offered by the Faculties of Arts or Science, including the Arts and Science courses offered by Faculté Saint-Jean, the Faculty of Native Studies or Augustana Faculty. Students registered in any program other than the BFA or BMus may take up to 18 credits in other than Arts and Science. These courses, when taken for credit toward the Arts degree, are subject to the following restrictions:

1) The courses may not be used to satisfy the requirements of a major subject in at least one subject. Students must complete either a major and a minor subject of concentration, or a double major. Students who declare a double major are not permitted to declare a minor. See §43.1 for a list of subjects which may be declared as majors in the BA.

Each major must include a minimum of 30 to a maximum of 48 credits at the senior level (i.e., additional courses in the major may not be taken as options). At least 6 credits must be at the 400-level; some departments may require specific courses and/or more than the specified Faculty minimums. Where a double major is declared, the same Faculty minimums and maximums apply in both majors. See §44 for specific requirements by subject. A minimum of 15 credits at the senior level toward the major must be completed with coursework offered by the Faculty of Arts at the University of Alberta.

Senior-level courses in the major subject(s) taken as part of the basic program requirements must also count toward the major(s).

Students must declare their major(s) to the Undergraduate Student Services Office following the accumulation of the 60th unit of course weight of their BA program, though it is to a student’s advantage to declare the major(s) as soon as possible.

(4) Minor: Students who have declared a single major must also declare a minor. See §43.1 for a list of subjects which may be declared as minors in the BA.

A minor must include a minimum of 12 to a maximum of 42 credits at the senior level in an approved subject outside the single major. At least 6 credits must be at the 300- or 400-level as specified by the department; some departments require specific courses and/or more than the specified Faculty minimums. See §44 for specific requirements by subject. The maximum units of course weight may not be exceeded (i.e., additional courses in the minor may not be taken as options). For Arts minors, a minimum of 6 credits at the senior level must be satisfied with coursework offered by the Faculty of Arts at the University of Alberta and for Science minors, a minimum of 9 credits at the senior level must be satisfied with course work offered by the Faculty of Science at the University of Alberta. Senior-level courses in the minor, taken as part of the basic program requirements must also be counted toward the minor.

Students who declare a double major are not permitted to also declare a minor.

In addition to the Arts disciplines noted in §43.1, students may also select their minor area or discipline from the Faculty of Science, as follows. Students must meet the minor requirements of the Faculty of Science [see §193.1(3)] as well as those of the Faculty of Arts; therefore, the requirements are a minimum of 3 to a maximum of 36 in the minor subject(s), with no more than 12 at the junior level and at least 9 at the 300- or 400-level. A Science minor may consist of Science courses taken from a single department or of courses within an area of concentration:

Departments (courses from a single department)
- Biological Sciences
- Chemistry
- Earth and Atmospheric Sciences
- Physics

Areas of Concentration (courses from those listed for the area)
- Biological Sciences
- Biochemistry
- Genetics
- Pharmacology
- Biology
- Microbiology
- Physiology
- Botany
- Palaeontology
- Zoology
- Entomology
- Physical Sciences
- Astronomy
- Chemistry
- Mathematical Physics
- Biochemistry
- Geophysics
- Physics
- Mathematics
- Statistics
- Computing Science
- Earth Sciences
- Geophysics
- Palaeontology

Students with a major in the Department of Earth and Atmospheric Sciences are not permitted to complete a minor in the same department as their major.

43.3 Bachelor of Arts (BA)

*120 required

This degree is designed to provide students with a diversified education and specialization in at least one subject. Students must complete either a major and a minor, or a double major. Also see §44 for Major and Minor Requirements.

Residence Requirement: In the *120 to complete the degree, the following must be included:

a. a minimum of *63 offered by the Faculty of Arts;

b. *60 must be successfully completed at the University of Alberta;

c. a minimum of *30 must be taken while registered in the Faculty of Arts; and

d. a minimum of *6 selected from courses offered by the Faculty of Science or used by the Faculty of Science as course (see *194 for appropriate subjects);

e. a minimum of *15 at the senior level applied to the major and a minimum of *6 at the senior level applied to the minor must be completed with courses offered by the Faculty of Arts at the University of Alberta (except Science minors, see §43.3(6)).

Course Load Requirements: Students will normally complete *30 in each Fall/Winter period and complete the program in four academic calendar years.

Program Requirements: The BA degree requires students to successfully complete *120 including the following:

- Basic Requirements (*36)
- A major subject of concentration and a minor subject of concentration, or two major subjects of concentration. Students who declare a double major are not permitted to declare a minor.

First Year: Each year consists of *30 credited to the program. Within the first *30, students should complete courses from the basic program requirements (junior level recommended) including the *6 junior ENGL requirement.
Arts Chart 1

Basic Requirements

Note: No one course may meet more than one of the basic requirements listed below

### Elimination of Language Requirement

#### Arts Chart (6)

**★6 from the following:** ENGL 111 (★6), 112 (★6), 113 (★6), 114 (★6). Students who have been granted advanced placement in English may substitute any ★6 at the 200-level or higher in ENGL for the core requirement.

#### One Language Other Than English (LOE) ★(6)

**Junior or Senior level**

To develop, or improve a student’s facility in a Language Other than English

The core program requirement of a Language other than English consists of ★6 at the 100-level or above in one LOE. Students who decide to take an LOE in which they matriculated must take courses numbered 150 or above as they will not be given credit for courses numbered 100 – 149 in that language; these are for beginners only.

Language courses which do not offer as their goal the acquisition of a Language other than English, e.g., those dealing with literature in translation, will not fulfill the LOE requirement. Consult §231, Course Listings, for full course descriptions.

Students who have completed their secondary education in a LOE will be permitted to take ★5 in lieu of the LOE core. Students with prior LOE background who wish further study in that LOE must be placed at the appropriate level or credit will be withheld. Records for these applicants will be reviewed and assessed by the Undergraduate Student Services Office. Students who have facility in a LOE but who cannot provide official transcripts should contact the relevant LOE department for advice about obtaining a waiver for the LOE requirement.

### Cross-Listed Courses

The use of cross-listed courses is especially common in interdisciplinary programs (East Asian Studies; Film Studies; International Studies; Middle Eastern and African Studies; Native Studies; Science Technology and Society; Women’s Studies), but is becoming increasingly common in other areas also (e.g. Religious Studies). Unless otherwise notified by the student, the Undergraduate Student Services Office will apply cross-listed courses to the specific subject discipline. For example, a CLASS course cross-listed with Religious Studies will apply to the Classics major or minor unless the student has advised the Undergraduate Student Services Office in writing that it should apply to the Religious Studies portion of his or her program. When students ask that a cross-listed course be applied to their other subject of concentration, that course will then be applied to the minimums and maximums for that other subject.

For further details on cross-listed courses, see the entries for interdisciplinary programs §44.1 to 44.32.

### Junior Courses

**Maximum of ★48 at the junior level are permitted for credit to the program. Students should complete ★30 at the junior level before registering in senior-level courses.**

### Combined Majors in Languages Other Than English

Apart from the option to declare a double major and no minor (see §43.3(3)), students may opt instead to select two related languages which can be combined as their major subject; a valid minor subject is still required when this option is selected. The following combined language majors are offered: Greek and Latin, Chinese and Japanese, German and Scandinavian, French and Italian, French and Spanish, Italian and Spanish, Russian and Polish, Russian and Ukrainian, Ukrainian and Polish. The following conditions apply:

a. Students selecting a combined language major should take two languages other than English in the first year, deferring any other basic requirement except the Junior ENGL to do so.

b. Students majoring in two languages other than English must take a minimum of ★12 at the senior level in each language and normally must include a minimum of ★3 in each language at the 400-level. In all other respects, the requirements for a major in §43.3(3) apply.

### Non-Arts or Non-Science Options

A maximum of ★18 may be taken outside the Faculties of Arts and Science as long as the courses do not duplicate courses already offered by these two Faculties (see §43.2(2)). Courses offered by the Faculty of Native Studies will be counted as Arts courses (see §43.2(2) and 44.21). See also §42.3 for a list of courses from the Faculty of Agricultural, Life and Environmental Sciences that are applied as Faculty of Arts courses.

### Interdisciplinary Programs and Courses

Many programs housed within Departments in the Faculty of Arts have important interdisciplinary components; some are primarily interdisciplinary in orientation. The Associate Dean (Academic) oversees programs that draw on courses from multiple Departments. These include the Individualized Major and Minor (see §44.14), as well as programs in International Studies, Middle Eastern and African Studies, Religious Studies, Science, Technology and Society Studies, and the MA in Humanities Computing that are described elsewhere in this calendar.

The Associate Dean (Academic) is also responsible for certain interdisciplinary (INT D) courses. Of these, INT D 222 and INT D 333 are of special note, for they provide both an introduction to the concepts of disciplines and interdisciplinary as well as an overview of the Faculty of Arts as a whole. These courses are open to all students. Information about these courses and programs is available from the Faculty of Arts Office for Interdisciplinary Studies or the Associate Dean (Academic).

Unless otherwise indicated in the course description, an INT D course may be applied toward either the major or the minor if it appears under the department’s course listings in §231.
(10) **Community Service-Learning courses:** A number of courses in departments and programs across the Faculty of Arts offer community engagement as an option or requirement. Students in Community Service-Learning (CSL) courses take part in community-based experiences that link to course content.

The CSL program also oversees CSL 300: Theory and Practice in Community Service-Learning, available to students with previous community-based learning and service experience (see §231).

For further information see the CSL link on the Faculty of Arts website www.arts.ualberta.ca/csl.

**Academic Performance**

(1) **Academic Performance for Graduation:** Students must present credit (with a minimum University of Alberta grade of D or equivalent) in 120, which satisfy program requirements; present a graduation average of at least 2.0; present an average of at least 2.5 on all courses applied to the major; and present Satisfactory Academic Standing. The graduation average is the quotient of (a) the total number of grade points earned by students in courses credited to the degree, and (b) the total weight of those courses. (Also refer to Academic Standing regulations described in §42.6.) In the case of students who attempted, as part of their program, courses at an institution for which the grades are not precisely equivalent to those of this university, the degree is awarded at the discretion of the Faculty. Courses with final grades less than C- are not transferred from other postsecondary institutions.

(2) **Degrees With Distinction:** Degrees With Distinction shall be awarded to students who achieve an average of at least 3.5 or better on the last 60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree. If the last 60 of the program at the University of Alberta do not fall exactly within a given Fall/Winter or Spring/Summer, a weighted average is used. Please contact the Undergraduate Student Services Office for further information (6-5 Humanities, 492-4295, e-mail: arts.undergrad@ualberta.ca).

43.4 **BA (Criminology)**

**Admission Requirements:** See §115.2.3.

**Program Focus:** This quota program, based in the Department of Sociology, coordinates several disciplines to provide a more thorough analysis of the causes of criminal behavior and the variety of social responses to such conduct. It is a program of 120, with Sociology as the principal subject of concentration. The second subject of concentration is composed of a combination of approved courses from the Departments of Anthropology, Economics, Educational Psychology, History, Native Studies, Philosophy, Political Science, and Psychology. The program is for students with career interests in the criminal justice system and includes two field placements for supervised work experience.

**Registration**

(1) Criminology students are required to consult the Program Director to review proposed coursework before registration for each academic year and in advance of any changes to approved registration.

(2) Normally, students are expected to enrol full time (30 per year), although exceptions may be considered by the Program Director.

(3) Students must obtain permission of the Director in advance if they wish to interrupt their program but retain their status in the BA (Criminology) program.

**Curriculum**

(1) Students seeking admission to Criminology should include 6 of junior ENGL, SOC 100, PSYCHO 104 and 105, and a Language other than English in the first year of their postsecondary program.

(2) **Basic Requirements:** The basic requirements for the BA Criminology program are the same as those for the BA (see Arts Chart 1): 6 Junior English; 6 Language Other than English; 6 Study of Science; 18 Breadth and Diversity including 6 in each of Groups One, Two and Three.

(3) **Subjects of concentration:** The principal subject is Sociology in which a minimum of 30 at the senior level is required; a minimum of 48 at the senior level is permitted. The following Sociology courses must be included in the program: 100 or 300, 225, 327, 399, 498; any three of the following: 201, 220, 221, 222, 223, 242, 245, 249, 252, 255, 259, 260, 325, 327, 339, 423; any four of the following: ANTHR 201, 227, 229, 250, 340; ECON 250, 257, 279; EDPY 442; HIST 384, 388, 389, 372; INT D 394; HECOL 200, 210, 301, 313, 412; NS 200, 210, 211, 240, 340, 442, 485; PHIL 382; POL S 327, 328, 390, SMO 200.

(4) Other coursework required to reach 120 is made up of options and non-Arts and Science options.

(5) The final two years of the program must include the successful completion of SOC 399 and 499. These courses are required as part of the principal subject of concentration and will involve supervised work experience. Students must obtain a minimum grade of B- in each component of SOC 399 and 499 or repeat the entire course.

Students should be aware that under the **Protection for Persons in Care Act** they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

**Promotion**

To be promoted in each academic year, students must have

(1) maintained a full-course load of 30 unless advance permission was granted for a reduced course load;

(2) attained a minimum grade point average of 2.7;

(3) attained a minimum grade of B- in SOC 399 and 499 as required during the final two years of the program;

(4) been recommended by the Department of Sociology.

**Non-Promotion**

(1) Failure to be promoted for academic reasons is cause for removal from the program.

(2) Affected students may transfer to another program in the Faculty if they meet admission requirements of such a program. All other requirements for the new program must be completed after transferring.

**Academic Performance**

(1) Academic Performance for Graduation: To qualify for a BA (Criminology), students must have completed all program requirements, achieved a minimum GPA of 2.7 in each academic year of the program, and be recommended by the Department of Sociology.

(2) Degrees With Distinction: See §43.3.

43.5 **BA (Honors)**

This degree provides specialization in the chosen subject(s), with study in greater depth than is provided in the BA program, and demands a higher standard of performance. Also see §44 for Major and Minor Requirements.

**Residence Requirement:** The BA Honors degree is a program which normally requires a minimum of 120 (some departments may require more) of which

(1) a minimum of 63 must be in courses offered by the Faculty of Arts;

(2) a minimum of 60 must be in courses taken at the University of Alberta;

(3) a minimum of 30 must be completed while registered in the honors degree program;

(4) a minimum of half the courses required in the major discipline, including any honors thesis, paper or project, must be completed with courses offered by the Faculty of Arts at the University of Alberta.

**Course Load Requirements:** Honors programs will usually be completed in four consecutive years of study during Fall/Winter. Students in an Honors program are normally required to complete a minimum of 30 each Fall/Winter. However, with the prior approval of the Honors Advisor, a reduced course load may be permitted in extenuating circumstances if a minimum course load of at least 9 per term in each Fall/Winter is completed, unless otherwise noted in §44.1 to 44.32. Advisors must notify the Faculty Office in all such cases. Requests to be permitted to continue in Honors while completing a course load of less than 9 per term in Fall/Winter may be considered by the Honors Committee in exceptional circumstances; however, students will not normally be permitted to continue in an Honors program if less than 9 per term in Fall/Winter are completed. All degree requirements must normally be completed within five academic years of commencing the program.
Program Requirements

The BA Honors degree requires the successful completion of 120 (or more if specified by the department). In each year, Honors students’ programs, and every change of registration, must be approved by the Departmental Advisor signifying the approval of the Department.

(1) Basic Requirements common to all Honors Programs: ★6 Junior English; ★6 in one Language other than English; ★6 Study of Science; ★6 chosen from Group 1; ★6 chosen from Group 2; and ★6 chosen from Group 3. See Arts Chart 1 for subjects and courses which meet these requirements. No one course may meet more than one basic requirement; however, courses in the major(s) or voluntary minor that meet basic requirements must also be counted toward the major(s) or minor (if declared).

(2) Junior Courses: No more than ★48 at the junior level are permitted for credit in the program.

(3) Non-Arts or Non-Science Courses: A maximum of ★18 in non-Arts or non-Science courses may be taken outside the Faculties of Arts or Science, as long as the courses do not duplicate courses already offered by these two Faculties.

(4) Requirements in the Major Subject: An Honors program in a single discipline will normally require a minimum of ★36 in the major subject, as defined by the Department. A minimum of ★6 must be at the 400-level; however, some departments may require more. Normally, no more than ★60 may be presented in the major subject unless otherwise specified by the Department. Where a maximum has been specified, it may not be exceeded (i.e., additional courses in the subject of concentration may not be taken as options).

(5) Requirements in Combined Honors: For Combined Honors programs, the minimum number of courses in each subject of concentration will be decided through consultation with the Departments concerned in planning the total program; however, a minimum of ★36 at the junior and senior level in each discipline will be required in all Combined Honors programs. At least ★30 in each discipline must be at the senior level. More than this may be required in some disciplines to meet specific program requirements. For further information on the requirements of a particular program, see the appropriate Department Calendar statement in §44.

Students should be aware that a Combined Honors program may not qualify them for direct admission to a graduate program in one of the disciplines. Further coursework in one of the disciplines may be required for Graduate Studies.

(6) Minor Subject: Most Honors programs do not require a minor subject; however, where a minor or related subjects are required, these will be specified in the individual department requirements in §§44.1 to 44.32. Students in BA Honors programs that do not require a minor may declare a minor if they wish. Declaration of a minor in these programs is strictly voluntary; however, when a student chooses to declare a minor s/he must meet the requirements for that minor as specified in §§44.1 to 44.32. Students should be aware that it may not be practical to declare a minor in all Honors programs, since completion of a voluntary minor will not replace existing requirements for those programs.

(7) Honors Essay: Some departments require the completion of an Honors Essay in addition to specific course requirements. In the case of Combined Honors programs, students may be required to complete an Honors Essay in one or both disciplines, depending on specific departmental requirements. Where both departments require an Honors Essay, students will complete one for each department or may, on special request, be permitted to write a Combined Essay INT D 520 (★6) which will meet the requirements of both departments. Students should refer to the specific department entries in §44 to determine which departments offer combined honors programs and require an Honors Essay. Where a Combined Essay is permitted, this will be noted in the Department Calendar entry, and in such cases the following conditions will apply:
   a. A combined essay is applicable only to students in combined honors programs.
   b. It is applicable only when both departments require an essay and only when both departments agree to a combined essay.
   c. The combined essay INT D 520 (★6) will meet the essay requirements of both departments.
   d. The combined essay will be supervised by, and graded jointly by, the cooperating departments; a single final grade will be submitted.
   e. The essay will address the subject matter in both departments equally and in a way that emphasizes the interaction between the two disciplines.

(8) Cooperative Work Option Within Honors Programs: Cooperative education is based on the principle that, for some students, periods of appropriate employment outside the University, when integrated with their academic studies, enhance the benefits students obtain from their academic programs. The work should be of a type that students can reasonably hope to obtain after they graduate, or be suitably related to the content of their academic programs. Cooperative work experience will be wholly additional to and not a substitute for academic courses; it is a valuable enrichment for some students but is not an alternative to normal course work. Accordingly, the existing requirement for ★120 will be maintained, with a no-credit course number for the evaluation of a report or project resulting from the work experience. Students should be aware that under the Protection for Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.
   a. Admission Requirements: See §15.2.
   b. Program Selection: Two forms of cooperative work are available:
      1) Full-time employment for not less than three months and not more than one year. Such periods, integrated into the normal academic program, are “work terms.”
      2) Part-time employment equivalent in working hours to no less than ★3; such employment is a “work assignment.”
   c. Registration: Work terms and work assignments must be approved in advance by the Department concerned and the Undergraduate Student Services office. Retroactive approval will not be granted.
   d. Withdrawal: Students may withdraw from a cooperative program on completion of a work term or work assignment, or at any time during a normal academic term, and may continue in the academic Honors program of their department without penalty if the requirements of these programs have been met. Further information may be obtained from departments offering such programs.

Promotion and Graduation

(1) Promotion Requirements: Promotion from year to year requires a minimum grade point average of 3.0 on all courses taken during the Fall/Winter or Spring/Summer and the recommendation of the department concerned, whose required grade point average for promotion may exceed the Faculty minimum. Where an individual department’s requirements vary from the Faculty minimum, this will be specified in each individual department entry in §44. Students must also meet promotion requirements as outlined in individual department entries during their final year.

(2) Graduation Requirements: In most departments, graduation with Honors requires a graduation average of at least 3.0 with an average of at least 3.3 in all courses in the major subject; however, individual Department recommendations for graduation with Honors may exceed these minimum Faculty requirements. Where an individual department’s requirements vary from the Faculty minimum, this will be specified in each individual department entry in §44. To be eligible to graduate, students must also meet promotion requirements as specified in point (1) above. The graduation average is the quotient of a) the total number of grade points earned by students in courses credited to the degree, and b) the total weight of those courses.

(3) Graduation with First-Class Honors: Departments shall choose one of the following options as their policy for determining First-Class Honors. (Refer to Departmental entries §§44.1 to 44.32.):
   a. A minimum average of 3.7 on all senior-level courses in the major, and an average of at least 3.5 on all courses in the final year. The final year shall be defined as the last ★30.
   b. A minimum average of 3.7 on all courses in the two final years in the major and an average of at least 3.5 in all courses in the two final years. The two final years shall be defined as the last ★60.

   If the last ★30 or ★60 (whichever is applicable) does not fall exactly within a given Fall/Winter or Spring/Summer, a weighted average is used. Please contact the Undergraduate Student Services Office for further information.

(4) Students who fail to attain the standard necessary to continue in Honors will be required to withdraw from Honors but may transfer to another program in the Faculty if they meet the requirements for that program. After such transfer, they must complete all requirements.

(5) Students who are not recommended for graduation with Honors at the end of their fourth year (i.e., after successfully completing ★120) may be granted the BA degree if they have successfully completed ★120 including the basic requirements and the required minor subject for the BA (see §43.3). In no case shall more than ★60 in the major subject be counted as part of the required ★120. Students deficient in any respect may be required to take one or more courses.

h. A Bachelor of Design program may be interrupted only with Departmental consent.

(3) Additional Regulations
a. Students proceeding toward the Bachelor of Design degree must meet Departmental requirements of the Faculty of Arts (§42.2).
b. Students enrolled in the Design program, students are required to take a minimum of 24 during Fall/Winter. The Department may recommend to the Dean exemption from this regulation.
c. A minimum of 12 in the 500-level DES courses and the 400-level ART H (3) program requirement must be taken at the University of Alberta.
d. With the prior approval of the Department, students may substitute for an Arts or Science option in Year 2 or 3 of 3, up to 6 from the following:
   Faculty of Agricultural, Life and Environmental Sciences: HECOL 150, 201, 268, 393, 354, 351, 460, and 462.
   Faculty of Rehabilitation Medicine: REHAB 476

(4) Graduation Requirements
a. To qualify for the Bachelor of Design, students must successfully complete all program requirements. Students must also meet all promotion, final-year and residence requirements, and have Departmental recommendation.
b. Degrees “With Distinction” shall be awarded to students who achieve a grade point average of 3.5 or more, on all units of course weight credited to the program and on all units of course weight in Art and Design credited to the program. Students who have taken part of their program at another university may be granted a degree “With Distinction” at the discretion of the Faculty.

43.9 Bachelor of Music (BMus)

Admission Requirements: See §515.2.8 and 15.2.9. Students who do not pass a theory placement exam may be required to complete MUSIC 100 (extra to the Degree) before enrolling in MUSIC 155.

General Information

The Department of Music offers various programs leading to the degree of Bachelor of Music. Six routes are available: General, Performance, Music History, Composition and Theory, School Music and World Music. The General Route allows students to take various options while the School Music Route prepares students for further training in music education and, in particular, for admission to the BEd After Degree program in Education. The Performance Route allows students to specialize in performance. The World Music Route requires 123 to complete the program; and all other routes require 126.

Program Requirements

The required courses, recommended sequencing, and other conditions regarding the BMus program are noted in Arts Chart 2. (Note: The following courses have been approved as specified non-Arts options: DAC 160, 165; PAC 355; DANCE 340, 345, 350, 446. All options require Departmental approval.)

Promotion: All Routes

(1) To be eligible to continue, students will normally need a minimum GPA of 2.3 each Fall/Winter.

(2) Successful completion of the program requirements includes a cumulative grade point average of 2.3 on all courses completed in the program.

(3) Students in all routes except World Music are normally required to complete 33 during Fall/Winter of the first and second years, and 30 during the third and fourth years. Students in the World Music route are normally required to take 33 during Fall/Winter of the first year and 30 during the second, third, and fourth years. A reduced course load to 24 does not require departmental approval beyond the normal means of signing a withdrawal form, but a course load of less than 24 requires Faculty approval based on departmental recommendation.

(4) Students who fail to meet the requirements for promotion as outlined in (1) above will be required to withdraw from the BMus program. Such students may transfer to another program in the Faculty of Arts or in another Faculty if the entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be met.

(5) Students who fail to meet the fourth-year requirements in the program will be permitted to fulfill those requirements only with the approval of the Dean of Arts on Departmental recommendation. Otherwise, students must withdraw from the program and, if so desired, transfer to another program in the Faculty of Arts for which they are able to meet entrance and promotion requirements.

(6) A BMus program may be interrupted only with Departmental consent, and continuation will be subject to any conditions, including reauditioning and new program requirements, that may be specified by the Department.

1. **Other Requirements All Routes:**
   a. Students entering the BMus program who are not electing a keyboard instrument as a first practical subject will be asked to take a keyboard proficiency examination covering basic technical materials and sight-reading (approximately Grade 4 Conservatory Canada (previously Western Board)). The requirement may be waived upon presentation of a Grade 6 Conservatory Canada certificate, or equivalent, earned within three years prior to entering the program. Students who choose not to take the examination or are unable to pass the examination can satisfy this requirement by successfully completing MUSIC 129 in the first year. The keyboard proficiency requirement must be met by the beginning of the second year in the program.

43.11 After Degree Programs
43.11.1 BA After Another Undergraduate Degree (other than Bachelor of Arts)

Applicants having a first undergraduate degree other than a Bachelor of Arts may be admitted to the BA After Degree programs. All requirements for the degree must be met (see §43.3). The total number of required units of course weight in the After Degree program will vary depending on the degree held and the BA program sought; however, a minimum of ★60 will always be required. In some cases, more than ★60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.

Notes
(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the degree program.
(2) Courses in other Faculties (non-Arts or non-Science options) open to students in the BA program (§43.2(2) and 43.3(8) are not permitted for credit in a BA after a previous degree.
(3) The major and minor or double major selected for the After Degree program...
may be in disciplines already included in the first degree if they are approved major or minor subjects (see §43.1 or 43.3(a)) and if no more than 30 at the senior level have already been completed in the discipline(s) in question. Where 30 or less in the discipline have been completed, those disciplines may be designated as a major, minor, or double major, and it is expected that additional courses will be taken in those subjects to the maximum allowed as part of the After Degree program. Where more than 30 have already been completed in a discipline, that subject may not be selected as a major, minor or part of a double major for the BA after a previous degree (see point (6) below).

(6) Students who wish to pursue additional studies in a discipline which cannot be selected as a major or minor may apply for admission as a Special Student (see §15.2.15) or to a BA Honors After Degree Program (see §43.11.3) if the academic admission requirements for those programs are met. Alternatively, these areas may be pursued as options in a BA After Degree program to the extent possible within the requirements of the program.

Residence Requirements

(1) A minimum of 63 must be in courses offered by the Faculty of Arts, including courses in Arts disciplines taken as part of the first degree, as well as those completed as part of the After Degree program.

(2) A minimum of 60 must be completed at the University of Alberta.

(3) At least 30 credited to the After Degree program must be completed while registered as a student in the Faculty of Arts.

Academic Performance for Graduation

Students must achieve a minimum University of Alberta grade of D (or equivalent) in all courses credited to the After Degree program; present a graduation average of at least 2.0; present an average of at least 2.0 on all courses applied to the major; and present “Satisfactory” academic standing. The graduation average is the quotient of (a) the total number of grade points earned in courses credited to the After Degree program and (b) the total weight of those courses. Academic Standing regulations are described in §42.6. In the case of students who attempted, as part of the program, courses at an institution for which the grades are not precisely the equivalent to those of the University of Alberta, the degree will be awarded at the discretion of the Faculty. Courses with final grades less than C- are not transferred from other postsecondary institutions.

Graduation “With Distinction”: Degrees With Distinction are awarded in an After Degree program to students who achieve a grade point average of 3.5 or better on the last 60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree.

43.11.2 BA After Another Bachelor of Arts

Applicants having a first Bachelor of Arts (from this or any other University) may be admitted to a BA After Degree program. All requirements for the BA degree must be met (see §43.3). The total number of required units of course weight in the After Degree program will vary depending on the BA held and the BA program sought; however, a minimum of 60 will always be required. More than 60 may be required depending on the number and applicability of courses completed as part of the first degree. See §43.11.1 for regulations pertaining to Residence Requirements, Academic Performance for Graduation, Graduation “With Distinction” and Notes (1) – (4) which are also applicable to this degree.

43.11.3 BA (Honors) After Another Undergraduate Degree

General Information

The total number of required units of course weight in the After Degree program will vary depending on the degree held and the Honors program sought; however, a minimum of 60 will always be required. More than 60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.

No more than 45 at the junior level may be recognized and/or credited toward the requirements of the Honors After Degree program. In all cases, minimum admission and promotion requirements must be met (see §15.2 and 43.5) and departmental recommendation and Faculty approval for admission must be secured. All common program requirements and all specified departmental requirements must be fulfilled, either through courses recognized from the first degree, or through courses taken as part of the After Degree program. For detailed information, applicants should contact the Departmental Honors Advisor concerned and the Faculty of Arts Undergraduate Student Services Office.

Graduation

To qualify for a BA (Honors) After Degree, students must meet the promotion and graduation requirements specified for each department (§44.1 to 44.32). The graduation average will be calculated on all courses credited to the After Degree program, as well as those courses recognized from the first degree which fulfill program requirements. An Honors After Degree may be awarded with “First-Class Honors” if an average of at least 3.7 is achieved on all courses beyond the junior level in the subject of concentration (including those completed as part of the first degree as well as those credited to the After Degree program), and if an overall average of at least 3.5 is achieved on all courses credited to the After Degree program.

Notes

(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the Honors program.

(2) Courses outside the Faculty of Arts or Science are not normally permitted in a BA Honors after a previous degree.

(3) The major subject of concentration may be the same as in the first degree if it is an Arts subject. Where a department has indicated a maximum total units of course weight permitted in the major, courses in that subject taken as part of the first degree will be included. However, depending on the remaining program requirements, not all courses in the major subject will necessarily be recognized from the previous program if doing so will exceed the maximum.

43.11.4 BFA, BDesign, or BMus After Another Undergraduate Degree

Applicants having a first undergraduate degree may be admitted to the BFA, BDesign, or BMus After Degree programs. All requirements for the degree, as detailed in §43.6, 43.7, 43.8 or 43.9, must be met. The total number of units of course weight in the After Degree program will vary depending on the previous degree held and the After Degree sought. The total required in a BFA (Art and Design) After Degree program (see §43.11.4) is 97, but in no case will less than 60 be required. The required number of units of course weight in a BFA (Drama–Acting) program will normally be 97, but in no case will less than 85 be required. The required number of units of course weight in a BFA (Drama–Technical Theatre – Stage Management) program will normally be 120, but in no case will less than 108 be required. The required number of units of course weight in a BFA (Drama–Technical Theatre – Technical Production) program will normally be 126, but in no case will less than 108 be required. The required number of units of course weight in a BMus After Degree program will normally consist of either 90 in the World Music route, or 93 in all other routes, but in no case will less than 66 be required.

Notes

(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the program.

(2) Courses outside the Faculties of Arts or Science are not normally permitted in a BFA, BDesign, or BMus after a previous degree, with the exception of specified degree requirements.

(3) Promotion Requirements: In an After Degree program, students are required to meet the same promotion standards as specified for the respective program in §43.6, 43.7, 43.8, or 43.9.

(4) Graduation Requirements

a. BFA (Art and Design) After Degree: To qualify for the BFA (Art and Design) After Degree, students must successfully complete the required units of course weight specified for the program; meet all promotion, continuation, final year, and residence requirements described in §43.7; and receive Departmental recommendation.

b. BDesign After Degree: To qualify for the BDesign After Degree, students must successfully complete the required units of course weight specified for the program; meet all promotion, continuation, final year, and residence requirements described in §43.6; and receive Departmental recommendation.

c. BMus After Degree: In the After Degree program, students must meet the same graduation requirements as specified for the respective program in §43.8.

(5) Degrees With Distinction

a. BFA (Art and Design) After Degree: Degrees With Distinction are awarded to students who achieve an average of 3.5 or more, on all courses of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program.

b. BDesign After Degree: Degrees With Distinction are awarded to students who achieve an average of 3.5 or more, on all courses of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program.

c. BMus After Degree: Degrees With Distinction are awarded to students who achieve an average of 3.5 or more, on all courses of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program and on all units of course weight credited to the After Degree program.

119
to the After Degree program and on all units of course weight in Music credited to the After Degree program. When transfer or other students have attempted, as part of their program, courses at another institution, the Degree “With Distinction” is awarded at the discretion of the Faculty.

44.12 Cooperative Education (Work Experience) Program

Students should contact their Department Office to determine if the Department is participating in this program. For those Departments that are participating, students may consult the Department Coordinator, Cooperative Education (Work Experience) for further information on the program including admission requirements. In participating Departments, the Cooperative Education (Work Experience) Program provides students who have completed their third year of study in the Faculty of Arts with an opportunity to apply for an extended, paid work experience. The program lasts for 12 to 16 months, and after completing the reporting requirements, a student may receive university credit for the experience. Academic requirements to be met by students wishing to participate may vary by Department but a minimum Faculty Grade Point Average of at least 2.3 is always required. Possession of the minimum FGPA requirement may not be sufficient to qualify for participation. Additional requirements (i.e., an interview) may also be required at the discretion of the participating Department.

Students should be aware that under the Protection for Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

A student must successfully complete WKEXP 801, 802, and 803 and the final year of their academic program to graduate with the Cooperative Education (Work Experience) Program designation. Students are not permitted to register in any academic courses during the period of work experience, but are considered to be full-time students at the University of Alberta for the periods in which they are enrolled in WKEXP courses.

Student participation in the program is voluntary; however, it is not possible to guarantee that all students wishing to participate will be able to do so, as participation is dependent on the availability of suitable work placements. Participating Departments will make every effort to assist in finding suitable employment for those students wishing to take part in the program, but ultimately the responsibility for obtaining suitable employment rests with the student who wishes to participate.

Students choosing to participate should also be aware that participation in the program may result in difficulties in selecting courses for their program, as participating Departments may not have the flexibility to offer desired courses in terms suitable to all students. If particular courses are required or strongly desired, students must plan work terms around the availability of such courses.

Following is the normal sequence of required courses in the Cooperative Education Program:

44. BA Honors and BA Major/Minor Requirements

44.1 Anthropology

44.1.1 Honors in Anthropology

Admission requirements: See §15.2.2.

See §43.5 for Faculty regulations concerning the Honors Program.

The BA with Honors provides broad training in Anthropology and an opportunity to undertake independent work.

Honors in Anthropology requires a minimum of 60 in Anthropology (at the junior and senior level), which must include ANTHR 206, 207, 208, 209 and 400, one of ANTHR 415, 416, 481, or 498; and ANTHR 450, which includes the requirement of an Honors paper. Students are encouraged to take 3 in each of the four anthropological subdisciplines at the 300- or 400-level. The Honors Anthropology program does not have a minor requirement.

All Honors students must consult the Associate Chair (Undergraduate Programs) prior to registering.

Graduation Requirements
Graduation with Honors in Anthropology requires a graduation average of at least 3.0 with an average of at least 3.3 in Anthropology courses. Graduation with First Class Honors requires a minimum GPA of 3.7 on Anthropology courses beyond the junior level and 3.5 or better on all courses in the final year (last 30).

44.1.2 Combined Honors in Anthropology

Students may pursue a Combined Honors program in Anthropology and another discipline.

The common requirements in a Combined Honors program are the same as for other Honors programs (refer to §43.5).

1. At least 30 must be at the senior level
2. ANTHR 206, 207, 208, 209, 400, 450 (which includes the Honors paper), and one of 415, 416, 481, or 498.

Note: A combined Honors Essay (INT D 520) is allowed with permission of the Honors Advisors.

In a Combined Honors program, students must meet the promotion and graduation standards of each Department. The requirements in Anthropology are outlined in §44.1.1.

44.1.3 Major and Minor in Anthropology

Degree of BA

Honors in Drama requires a minimum of 48, maximum of 66 in Drama (at the junior and senior levels) including DRAMA 102, 149, 208, 209, 257, 279, 306, 341, 342, 360, 361, 368, 401, 402 (Hons Essay), 406, 408, DRAMA 402 (Hons Essay), will be completed under the supervision of a full-time faculty member of the Department, will start in the Winter Term of the third year and continue through the fourth year. Due to the nature of the Honors in Drama program, a Combined Honors program in Drama is not normally offered.

At the senior level, the Department requires a minimum of 30 and a maximum of 48 (at least 12 of which must be at the 400-level or above). The program requires core courses in Theatre History or Theory (DRAMA 206 plus two of 209, 301, 302, 305, 308, 327, 409), Acting (DRAMA 257), and Production (DRAMA 279). Students may select Drama options to obtain broad exposure to theatre, or may focus on specific areas of interest.

The sequential nature of the BA (Drama) program requires careful planning of second-, third-, and fourth-year choices. As students must obtain prior consent from the Department of Drama each year to register in certain BA Drama courses, students should consult a BA Drama Advisor as early as possible to obtain assistance in selecting their courses.

Each Combined Honors program must have the approval of the Department of Economics and the other discipline. Economics does not require an Honors Essay.

Note: 400-level AREC courses approved as Arts options will be applied as senior level ECON, but will not fulfill 400-level ECON requirements.

Promotion and Graduation Requirements

In a Combined Honors program, students must meet the promotion and graduation standards of each department. Requirements in Economics are outlined in §44.8.1.

44.8.3 Major and Minor in Economics

Degree of BA

See §43.3.

For students majoring in Economics, the following courses are required: ECON 101 and 102 (or 204), MATH 113 or equivalent, STAT 141 or equivalent, ECON 299, ECON 281, 282 and ECON 384, 385, and either ECON 399 or ECON 407 and 408.

Notes:

(1) To have the greatest possible flexibility in their choice of the 300- and 400-level courses required to complete a concentration in Economics, students should complete all the departmental requirements earlier rather than later in their programs. In particular, students should complete the ECON 101 and 102 (or 204), MATH 113, STAT 141, ECON 299 and 282 requirements as part of their first year. Students are urged to take MATH 113 as soon as possible, preferably in their first year.

(2) MATH 113 and STAT 141, meet the requirements for 6 credits from the Faculty of Science.

For students taking Economics as a minor, the following courses are required: ECON 101, 102, 281 and 9 credits at the 200-level or above, of which at least 6 credits must be at the 300-level or above. Also see §43.3(4).

If students majoring in Economics select Mathematics as their second subject, they should include MATH 113, 115, MATH 120 or 125 and MATH 225, and MATH 214, 215 in their course selection. For advice on other courses at the 300- or 400-level, students may consult an Advisor in the Department of Mathematics.

If students majoring in Economics select Statistics as their minor, they should include STAT 265 in the courses that they select. For advice on other courses at the 300- or 400-level, students may consult an Advisor in the Department of Economics.

See §43.3(5) for regulations concerning cross-listed courses.

Students taking English as a major or as a minor should consult the Department Undergraduate Programs Advisor on their choice of courses. This is important in entering third year.

The major in English is not designed to meet specific requirements for entrance into graduate programs in the Department of English and Film Studies; students desiring such preparation should consult the Associate Chair (Graduate Studies) before enrolling in the third year of the BA program.

**English as a major:** **6** of junior English. **12** at the 200-level or higher of which **6** must be at the 300-level or the 400-level. #### 44.9.4 Cooperative Education (Work Experience) Route

The Cooperative Work Experience Program offers English majors, honors, and combined-honors students job skills training, professional contacts, and financial support in areas of employment related to their studies. Suitable paid employment might include, but is not restricted to, positions with profit and non-profit organizations in the fields of research, publishing, media, marketing, technical writing, public relations, and communications.

While the Coop Liaison Officer will make every effort to assist in developing work term placements, employment is not guaranteed. Students are encouraged to develop positions on their own; however, all work term placements must meet with the approval of the department. Students are eligible to apply to the program during their third year of study and must have completed a minimum of **72** including **12** in senior-level ENGL and/or WRITE courses by the beginning of the work term placement.

Admission requires a minimum GPA of 2.7 overall, and 3.0 in ENGL and/or WRITE courses. Twelve- or sixteen-month work terms begin in May or August following the third year of study. During the work term, students maintain full-time student status through registration in WKEXP 801, 802, and 803. These are non-graded, non-credit courses that require no class attendance and will appear on the transcript along with the name of the employer.

Following the work term, students returning to school in the fifth year of the program are required to register in a **3** seminar course and complete an applied research project related to their employment. Students who successfully complete the program requirements will graduate with the Cooperative Education (Work Experience) Program designation on their transcripts and the degree of BA Cooperative English.

Those interested should consult the Department Coop Liaison Officer, or for more information, consult §43.12 (BA Majors) and §43.5 (Honors English) of the University Calendar.

5. Students must satisfy the Department of their ability to read a Language Other than English. Examinations for that purpose are conducted by the Department. These exams normally are written during the second or third year and must be passed for completion of degree. Honors History students who already have 6 in one senior-level Language Other than English will be exempt from the language exam.

The Department of History and Classics strongly recommends that students avoid undue concentration in any one field of History. Students are urged to take courses in different chronological eras, in different geographical areas, and among different themes; these include:

1. Chronological Eras: Ancient History, Medieval History (to 1500), Early Modern History (1450–1800) and Modern History (1750 to the present);

44.13.1 Major and Minor in Human Geography

Degree of BA

See §43.3. The Department of Earth and Atmospheric Sciences (Faculty of Science) offers a BA major and a minor in Human Geography, as well as an Arts minor for the BSc General Program.

Major in Human Geography

The objective of the major is to provide students with
(1) a basic understanding of the Earth/Atmosphere/Biosphere system;
(2) a balanced assessment of the ways in which the human population has perceived, adapted to, and made use of this system; and
(3) a range of skills that will allow students to lay the foundation for careers in earth-science related areas of environmental policy, planning management and conservation.

Students planning to proceed to graduate programs in Geography or professional programs in planning should consult the BA program advisor in the Department of Earth and Atmospheric Sciences regarding their choice of minor.

A major in Human Geography requires a minimum of ★30 to a maximum of ★48 at the senior level in EAS courses and cross-listed courses specified below.

These must include at least ★6 in EAS Human Geography courses at the 400-level. Earth and Atmospheric Sciences Human Geography courses are those denoted by a second digit of 9 in the course number, e.g., EAS X9X. Other EAS courses that are not Human Geography courses may also be taken as part of the major and will be included in the minimum and maximum, but at least ★18 of the required minimum of ★30 must be in Human Geography.

The following courses are required: One of EAS 100, 101 or 102; one of EAS 190, 191 or 192; one of EAS 290, 291 or 294 and 221.

Notes

(1) Cross-listed courses in the Faculty of Arts that may be counted toward the major in Human Geography: ANTH 223; PHIL 355; POL S 422; SOC 251. See §43.3(5) for Faculty of Arts regulations pertaining to cross-listed courses.
(2) Students may take EAS courses other than those listed as Arts courses for credit towards the degree, providing that a majority of the units of course weight in EAS are for Arts courses (i.e., courses designated as EAS X9X).
(3) Students who major in Human Geography may not choose Earth and Atmospheric Sciences as their minor.

Minor in Human Geography

A minor in Human Geography requires a minimum of ★12 and a maximum of ★42 at the senior level in EAS Human Geography courses, including at least ★6 at the 300- or 400-level. Human Geography courses are those denoted by a second digit of 9 in the course number, e.g., EAS X9X.

44.14 Individualized Study

Students wishing to pursue a Major or Minor in a topic or theme that spans disciplinary boundaries may be allowed to pursue an “individualized” Major or Minor. Proposals are made to the Associate Dean (Academic) by letter and must include a description of the theme or topic to be pursued and a tentative list of relevant courses from at least three different departments or interdisciplinary programs. If the Associate Dean judges that the proposal has merit, an advisory committee with at least three members, ideally representing different departments or programs contributing to the proposed individualized major or minor will be struck. The Associate Dean and Committee will judge the proposal in terms of three main criteria:

• coherence of the theme and the set of proposed courses;
• significant difference from any existing program at this University;
• the student’s overall academic record.

In their proposals, students may suggest possible members for their committees. Any changes subsequent to approval of the program must be approved by a student’s Committee and the Associate Dean.

Students must complete a minimum of ★30 toward their degrees after a program of study for an individualized major or minor has been approved. Thus, students who have completed more than ★90 may not apply for this program unless they declare some credits extra to their degrees.

44.24 Psychology

44.24.1 Honors in Psychology

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements. Admission into the Honors program is permitted only at the end of the second year (after completion of ★60). Final acceptance into the Honors program is dependent upon obtaining written approval from a potential research supervisor prior to August 7.

See §43.5 for Faculty regulations concerning the Honors program.

The Department offers courses leading to the degrees of BA and BSc with Honors in Psychology. Departmental requirements for the two degrees are identical. However, students wishing to emphasize the humanities and social sciences should enrol in the BA program; those wishing to emphasize the physical, biological, and mathematical sciences should enrol in the BSc program. Either program is appropriate for students considering postgraduate training in psychology or in other fields that require these research skills.

Although admission into the Honors Psychology program is permitted only in the third year, students are expected to take ★30 during the Fall/Winter of each year of study, including the first and second years. Once admitted to the Honors program, exceptions to this requirement must have the prior written approval of the Department and the Faculty. 3. ★6 from BIOL, CHEM, PHYS
4. ★6 from ANTHR, ECON, LING, POL S and/or SOC

A minimum of an additional ★12 must be taken in one or more disciplines relevant to Psychology, e.g., ANTHR, BIOL, CHEM, CMUPT, ECON, GENET, LING, MATH, NEURO, PHIL, PHYS, PHYSL, PMCOL, POL S, SOC, STAT, ZOOL. These courses may not overlap those used to fulfill the Department’s Computing/ Mathematics/Statistics, Natural Science, and Social Science requirements listed above.

Under the supervision of a faculty member in the Department, students undertake a year-long research apprenticeship (PSYCO 390) during the third year, and conduct research and write an empirical thesis (PSYCO 490) during the fourth year. Third-year students present their thesis research proposals, and fourth-year students present the results of their thesis research, at the annual Honors Psychology Conference in April.

Promotion Requirements

Promotion from year to year requires a GPA of at least 3.3 with an average of at least 3.3 in all Psychology courses in the Fall/Winter.

Graduation Requirements

Graduation with Honors in Psychology requires a graduation average of at least 3.3 with an average of at least 3.3 in all Psychology courses. 44.24.2 Combined Honors in Psychology

Students may pursue a Combined Honors program in Psychology and in another discipline. The common requirements in a Combined program are the same as for other Honors programs (see §43.5).

The requirements in Psychology are the same as described above in §44.24.1, including the specified courses from other departments. Careful planning is required, and consulting the Honors Advisors in both departments is mandatory. The third-year research apprenticeship (PSYCO 390) is also required; however, with special permission, a Combined Honors Essay (INT D 520) may be substituted for the Honors Thesis (PSYCO 490). See §43.5(7) for further information.

Promotion and Graduation Requirements

In a Combined Honors program, students must meet the promotion and graduation standards of each Department. The requirements in Psychology are outlined in §44.24.1.

44.24.3 Major and Minor in Psychology

Degree of BA

See §43.3.

The Department of Psychology offers courses leading to BA and BSc degrees. Students who want to emphasize the humanities and social sciences in their programs should register for the BA and follow one of the sequences suggested in the Faculty of Arts section. Students wishing to emphasize the biological sciences should register for the BSc. However, to ensure a well-rounded background in psychological inquiry, students in the BA program must take Psychology courses from both the Faculties of Arts and Science.

Students selecting Psychology as a major are required to take the following:

1. PSYCO 104 and 105
2. STAT 141 or 151
3. ★6 from PSYCO 223, 233, 241, 258
4. ★6 from PSYCO 267, 275, 281
5. ★6 from PSYCO 300 and 399
(5) ★3 from CMPT, MATH or STAT (not including STAT 141 or 151)
(6) ★6 at the 300- or 400-level must be from the PSYCO courses offered by Arts
(7) ★6 at the 300- or 400-level must be from the PSYCO courses offered by Science
(8) At least ★6 must be at the 400-level

Students selecting Psychology as a minor are required to take the following:
(1) PSYCO 104 and 105
(2) STAT 141 or 151
(3) ★3 from PSYCO 223, 233, 241, 258
(4) ★3 from PSYCO 267, 275, 281
(5) ★3 of 300- or 400-level PSYCO courses offered by Arts
(6) ★3 of 300- or 400-level PSYCO courses offered by Science

Note: Because STAT 141 or 151 is a prerequisite or corequisite for several senior courses, it should be taken in Year 1 or 2.

44.24.4 Cooperative Education (Work Experience) Route

The Cooperative Education (Work Experience) Route gives students who have completed their third year of study in the Department of Psychology, including successful completion of PSYCO 212 (or equivalent), and who present a Faculty Grade Point Average of at least 2.3, an opportunity for extended, paid work experience. The program lasts for 12 or 16 months, and, after completing the reporting requirements, a student can receive university credit for the experience. The Work Experience designation will appear on the degree parchments of students who have successfully completed the program.

During the program, students are considered full-time students of the University. Work experience courses have no weight and are graded credit/no credit, and recorded on the student’s transcript; students are not permitted to register in any academic courses during the Work Experience Program. The Work Experience Program Advisor maintains contact at approximately three-month intervals with the student and the person designated by the employer to be responsible for the student’s progress. This arrangement ensures satisfaction on all sides. If the review shows the situation is not satisfactory, the internship may be terminated and the student would then return to classes at the next available opportunity. The graduation requirement for the Work Experience program designation includes successful completion of at least WKEXP 961 and 962 plus PSYCO 411. PSYCO 411 must be taken in the first term immediately following completion of the WKEXP period. If required by the employer, the student’s written report and oral presentation in PSYCO 411 may be classified confidential. The employer also assesses the student’s performance during the work term. Based on the student’s written report and oral presentation, and the report from the employer, students are awarded a grade in PSYCO 411.

Students should be aware that under the Alberta Protection for Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.0.3.

Interested students should see the Work Experience Advisor in the Department of Psychology for more information.

The following certificates are available:

45.1 Certificate in Community Service Learning: available to students across the University, regardless of Faculty or program (see §45.1).

Certificate in Globalization and Governance: available to students with a major (Faculty of Arts BA or Honors) in Political Science or a minor in Political Science in the Faculty of Arts or Science (see §44.23.4).

Deadline for Application: Application for all certificates is made to the Faculty of Arts office (6-5 Humanities) by February 1 for Spring Convocation and September 1 for Fall Convocation. At present, these certificates are not available to students who have already completed their degrees, or who are not receiving a degree at the appropriate convocation.

Certificate in Community Service Learning

See §43.3(10) for general information about the Community Service-Learning Program. See §231 for information about CSL-designated courses.

Students who take part in community-based learning experiences gain specialized expertise in understanding community-based practices, combining academic and non-academic knowledge bases, linking theory and practice, honing research and leadership skills, and activating various forms of citizenship and social change. The Certificate in Community Service-Learning formally designates that a student has significantly integrated community service-learning (CSL) into his or her postsecondary education. The knowledge and experience gained through service-learning are applicable to a wide range of careers, including those in non-governmental organizations, the volunteer sector, business and government, and academic institutions.

Students wishing to pursue the Certificate in Community Service-Learning must apply through Undergraduate Student Services in the Faculty of Arts by the application deadline for convocation (see §11). The Certificate is granted on the recommendation of the Director of the CSL Program.

Students may pursue the Certificate in Community Service Learning by fulfilling existing requirements for majors, minors, or honors in their respective disciplines and by completing a minimum of 12 credits and one non-credit opportunity as follows:

1. At least 3 credits in a CSL-designated course, such as CSL 300 (see §231)
2. 9 credits from the list of academic courses approved each year by the CSL Program Office (list of courses available on the website www.arts.ualberta.ca/csl or from the CSL Program Office). Students must satisfactorily meet the CSL requirements of each course.
3. Successful completion of one non-credit opportunity. Information about non-credit opportunities that count toward the certificate is available from the CSL Program Office.

Note: No more than 6 of the 12 credits may be transfer credits from other postsecondary institutions.
