Located on a picturesque residential campus in the small city of Camrose, 90 kilometers southeast of Edmonton, Augustana’s primary focus is undergraduate teaching and learning. Augustana enrolls more than 1,000 students, drawn from across Alberta, Canada and the world, in distinctive degree programs in arts, sciences, music and management. It awarded its first U of A degrees in spring 2005. In addition to the Faculty’s statement of identity and mission below, please consult the Augustana website at www.augustana.ualberta.ca for further information.

Identity and Mission

Established in 1910 by Norwegian settlers, under the name Camrose Lutheran College, Augustana is still inspired by convictions that are part of its pioneer legacy: that personal wholeness emerges from a liberal education, that the proper end of leadership is service to others, and that the spirit of cooperation so crucial to rural life invigorates human endeavour. As a Faculty of the University of Alberta, Augustana continues to build on its reputation for high-quality teaching in a friendly, caring, residence-based setting. In doing so, it provides a distinctive small-campus undergraduate experience within one of Canada’s leading universities. Augustana remains mindful of its heritage, open to a diversity of perspectives and backgrounds, and responsive to the rural region in which it is located.

Augustana Faculty is characterized by a lively, collegial academic culture of research, creativity, and public engagement in which students are invited to participate. It values interdisciplinary inquiry, teaching, and learning. Augustana offers the opportunity of a memorable, life-changing education through small classes, personal attention from professors, a challenging, innovative curriculum founded on the liberal arts and sciences, experiential learning in wilderness and international environments, and a range of campus-life programs. In this academic community, students are more than narrow specialists, spectators, or strangers.

Augustana aspires to educate the whole person in an intimate, small-campus setting so that students and mentors alike are capable of engaging life with intellectual confidence and imaginative insight, equipped for leadership and service, and committed to the betterment of their world.

52.2 General Program Information

The following terms, definitions, and abbreviations are used throughout the Augustana Faculty section of the Calendar.

(1) Unit of Course Weight: A unit of course weight indicates the instructional credit assigned to a course and is designated by the symbol after the course number and name. Units of course weight form a part of the degree requirements and are also used to calculate a student’s Grade Point Average (GPA).

(2) Junior-level Courses: Courses numbered 100-199.

(3) Senior-level Courses: Courses numbered 200-499.

(4) Term: The instructional periods are from September to December (Fall Term), January to April (Winter Term), May/June (Spring Term), and July/August (Summer Term).

(5) Single-term Course: A term course is a course with a course weight of 3 that normally extends over one University term. Certain courses are offered over a single term with weights of ★1, ★1.5, and ★2.

(6) Two-term Course: A two-term course is a course with a course weight of 6 that normally extends over two consecutive University terms. Certain courses are offered over Fall/Winter with weights of ★2, ★3, and ★4.

(7) Year Status: Each student who has been admitted to a degree program at Augustana is classified according to year status as follows:
   a. ★0-23 earned: first-year standing. First-year students are normally not eligible to take courses numbered 200 or higher.
   b. ★24-53 earned: second-year standing.
   c. ★54-83 earned: third-year standing.
   d. ★84 or more earned: fourth-year standing.

(8) Course load
   a. The normal full course load is ★30 for the academic year.
   b. Course overload: A student must receive special permission from his or her Academic Adviser to carry more than ★17 in any one term.

(9) Minimum Passing Grade The minimum passing grade in University of Alberta undergraduate courses is a D. The minimum final grade for transfer courses from other postsecondary institutions is C-.

(10) Common degree requirements: All students in a degree program in the Augustana Faculty, with the exception of those registered in a BMus program, are required to complete a set of common liberal arts and sciences requirements, consisting of ★21 in Breadth categories, and ★15 in the Augustana Core. Breadth requirements are fulfilled by completing ★6 in courses designated by Augustana as Humanities, Science, and Social Sciences, and ★3 in Fine Arts; for the actual classification of Augustana courses in these categories, see §55.2. The Augustana Core consists of five categories, in which a student must complete ★15 from three of the five categories with no more than ★6 in any one category; for more detail, see §52 – Augustana Chart 1. These categories, and commonly used abbreviations for each, are: Creative & Imaginative Process (CIP); Diversity and Global Studies (DGS); Environmental Sustainability (ES); Experiential Learning (EL); and Integrating Knowledge (IK).

(11) Overlapping Options
   a. A course that fulfills more than one requirement on a major or in a major/minor combination;
   b. A course that fulfills a requirement in both the core and within a specific program.

(12) Non-Overlapping Options
   a. A course that is not allowed to count towards more than one requirement within a major;
   b. No course may be counted towards more than one core requirement.

(13) Supporting Course A course from outside a particular major which generally complements the study of that major; it is a requirement for the completion of the major, but is not used in calculating the major GPA.

(14) Option The term “option” where it appears in programs means a course chosen by the student from offerings by the Augustana Faculty if the necessary prerequisites have been met, and which is not a specific program requirement.

(15) Arts Courses/Options Courses offered by the Augustana Faculty which are classified as “Arts” courses (see §55.2) for which the student is eligible and which meet degree requirements.

(16) Music Courses/Options Courses offered by the Augustana Faculty which are classified as “AUMUS” courses (see §231) for which the student is eligible and which meet degree requirements.

(17) Science Courses/Options Courses offered by the Augustana Faculty which are classified as “Science” courses (see §55.2) for which the student is eligible and which meet degree requirements.

(18) Specialized Professional Courses Courses offered by the Augustana Faculty which are classified as neither “Arts” nor “Science” courses (see §55.2) for which the student is eligible and which meet degree requirements.

52.3 General Regulations Governing Course Selections

(1) Junior-level courses (numbered 100-199) should be taken as early as possible. A first-year student is normally not permitted to take senior-level courses (numbered 200 and higher).
52.4 Bachelor of Arts (BA)

52.4.1 Overview

The Bachelor of Arts degree consists of 120 arts and science, including at least 55 arts (see 55.2 Classification of Courses). The 120 in the program are made up of common liberal arts and sciences requirements, a major subject, an optional minor, and options, as follows:

(1) Liberal arts and sciences common requirements

The liberal arts and sciences common requirements consist of two areas: 21 in Breadth and 15 in the Augustana Core. The same credit may not be counted twice in courses that relate to more than one category within these areas; that is, a total of 36 different credits must be earned to fulfill these requirements.

The 21 Breadth requirements consist of four different categories; credits counted towards these categories may not overlap with a student’s first major:
- 3 Fine Arts
- 6 Humanities
- 6 Science
- 6 Social sciences

For the actual classification of Augustana courses within these categories, see 55.2.

The Augustana Core requirements consist of five different categories. A student must complete 15 from at least three of the five categories with no more than 6 in any one category; courses which satisfy these requirements may overlap with a student’s major:
- Creative & Imaginative Process
- Diversity and Global Studies
- Environmental Sustainability
- Experiential Learning
- Integrating Knowledge

For more detail on which courses may be counted towards these categories, see 52 – Augustana Chart 1.

(2) Major subject: 42-60 in one discipline (with the minimum number of credits specified by the discipline), including no more than 12 at the junior level (except when required in a discipline with a performance component or in an interdisciplinary program that requires junior courses from several different disciplines) and including a minimum of 9 at the 300- and 400-level, of which at least 3 must be at the 400-level. Normally no more than 60 in one discipline will be credited toward the degree. In some cases, a major may also require courses in one or more disciplines outside the major; these may be prerequisites for specific courses in the major and/or courses supporting the major in a more general way (up to a maximum of 24).

Note: A student should be aware that it may not be possible to complete certain combinations of majors, or combinations of majors and minors, without extending the time required to earn the degree.

(3) Optional minor: A minimum of 18 in one discipline or approved interdisciplinary area, including at least 12 at the senior level.

(4) Options: 3-21 (or more, depending on the amount of overlap between the core and the requirements for the major, and/or minor) of the student’s choice (see 52.3). A student may choose to use options to work toward a minor, or second major but should be aware that a double major normally requires more than 120 in the degree program.

52.4.2 Residence Requirements

Normally, 60 for the BA degree, including 54 of the final 60, must be taken at Augustana Faculty. However, language or other study abroad may, with special permission of the Associate Dean, Academic Programs, count toward the residence requirement.

52.5 Bachelor of Management in Business Economics (BMgt)

52.5.1 Overview

The four year Bachelor of Management in Business Economics consists of 120 arts, science and professional (see 55.2 Classification of Courses) including 66 in the Business Economics program and the credits required for the common liberal arts and sciences requirements. Because of the possibility of overlap between the credits required for a portion of the common liberal arts and sciences requirements and those required for the Business Economics program, a student may also include options or an optional minor as follows:

(1) Business Economics Program: 15 in Economics Foundation courses, 27 in Management Foundation courses, 9 additional senior credits in Economics courses at least 6 of which must be at the 300-level or above, and 9 additional senior credits in Economics or Management at the 300-level or above.

(2) Liberal arts and sciences common requirements

The liberal arts and sciences common requirements consist of two areas: 21 in Breadth and 15 in the Augustana Core. The same credit may not be counted twice in courses that relate to more than one category within these areas; that is, a total of 36 different credits must be earned to fulfill these requirements.

The 21 Breadth requirements consist of four different categories; credits counted towards these categories may not overlap with a student’s first major:
- 3 Fine Arts
- 6 Humanities
- 6 Science
- 6 Social Sciences

For the actual classification of Augustana courses within these categories, see 55.2.

The Augustana Core requirements consist of five different categories. A student must complete 15 from at least three of the five categories with no more than 6 in any one category; courses which satisfy these requirements may overlap with a student’s major:
- Creative & Imaginative Process
- Diversity and Global Studies
- Environmental Sustainability
- Experiential Learning
- Integrating Knowledge

For more detail on which courses may be counted towards these categories, see 52 – Augustana Chart 1.

(3) Optional minor: A minimum of 18 in one discipline or approved interdisciplinary area, including at least 12 at the senior level. A student should be aware that it may not be possible to complete certain combinations of majors and minors without extending the time required to earn the degree.

(4) Options: 3-21 (or more, depending on the amount of overlap between the core and the requirements for the major, and/or minor) of the student’s choice. A student may choose to use options to work toward a minor, or second major but should be aware that a double major normally requires more than 120 in the degree program.

52.5.2 Residence Requirements

Normally, 60 for the BMgt degree, including 54 of the final 60, must be taken at Augustana Faculty. However, language or other study abroad may, with special permission of the Associate Dean, Academic Programs, count toward the residence requirement.
(2) An exception to this requirement may be granted to students already holding a BA or BSc who can transfer sufficient credits from their first degree to be able to complete the requirements of the Bachelor of Management degree in Business Economics degree in fewer than 150. Normally in such cases at least the final 45 must be completed at Augustana.

### 52.6 Bachelor of Music (BMus)

#### 52.6.1 Overview

The Bachelor of Music program consists of 122, including 65 of core music requirements, 24 in one of the five Bachelor of Music majors, and 33 of non-music requirements. In two of these majors, Liturgical Arts and Musical Arts, a minor is required; in the other three majors, Piano, Voice, and Comprehensive, a minor is optional. The minor consists of a minimum of 18 in one discipline in an approved interdisciplinary area, including at least 12 at the senior level. A student should be aware that it may not be possible to complete certain combinations of majors and minors without extending the time required to earn the degree.

### 52.6.2 Residence Requirement

Normally, 60 for the BMus degree, including 54 of the final 60, must be taken at Augustana Faculty. However,

1. Language or other study abroad may, with special permission of the Associate Dean, Academic Programs, count toward the residence requirement
2. An exception to this may be granted to students already holding a BA or BSc who can transfer sufficient credits from their first degree to be able to complete the requirements of the Bachelor of Music degree in fewer than 60. Normally in such cases at least the final 45 must be completed at Augustana.

### 52.6.3 General Information

Five majors are available in the Bachelor of Music degree program: Piano, Voice, Comprehensive, Liturgical Arts, Musical Arts:

1. **Piano**
   - A student whose primary career interest is to perform and teach piano or voice would choose one of these majors. Professional employment as, for example, a soloist, chorister, accompanist, chamber musician, or teacher, is a possibility grad student seeking a career as a music performer. Along with independent freelance career opportunities, a degree with either of these majors can also lead to a career as professor in music performance in a college, university, or conservatory. These majors require high artistic standards, include courses specific to piano and voice in literature and pedagogy, and provide for a broadly-based music education with advanced studies in music theory and music history. Four years of ensembles (choral/ instrumental and chamber) are required.

2. **Voice**
   - A student whose primary career interest is to perform and teach piano or voice would choose one of these majors. Professional employment as, for example, a soloist, chorister, accompanist, chamber musician, or teacher, is a possibility grad student seeking a career as a music performer. Along with independent freelance career opportunities, a degree with either of these majors can also lead to a career as professor in music performance in a college, university, or conservatory. These majors require high artistic standards, include courses specific to piano and voice in literature and pedagogy, and provide for a broadly-based music education with advanced studies in music theory and music history. Four years of ensembles (choral/ instrumental and chamber) are required.

3. **Comprehensive**
   - A student who seeks intensive studies in an instrument or voice, variety in music options, and advanced studies in music theory, voice, voice, and voice, should consider this major. It may be suitable for the student desiring to prepare himself or herself for a career as, for example, a professional wind, brass, or string player, a chorist or instrumental conductor, an arts administrator, professional librarian. Like the Bachelor of Arts degree in music, this major enables the student to enter graduate studies in more specific fields such as music theory, music history, ethnomusicology, and popular music studies. If the student enrols in third- and fourth-year recital courses, this degree may facilitate entry into performance-based graduate programs as well.

4. **Liturgical Arts**
   - A student considering professional employment as a church musician, or considering graduate studies, may designate this major at the end of the second year of full-time studies (or part-time equivalent). The major emphasizes performance-oriented study in organ, piano, or voice, advanced music history and theory, ensembles, and advanced conducting skills. Studies in liturgical arts, work-experience practica, a required minor in Religion, and other courses from the liberal arts and sciences, provide for a scholarly understanding of and a creative approach to ritual.

5. **Musical Arts**
   - A student desiring a performance-intensive emphasis in an instrument or voice and wishing to prepare for innovative, emerging research areas and musical professions, would choose this major. It provides for a liberalized curriculum that combines the strong performance emphasis and scholarly breadth of a Bachelor of Music, the requirements for a minor in another discipline, and interdisciplinary research on the relationships between the two disciplines. This is the most unique and “cutting-edge” of the Bachelor of Music majors. A student may apply for this major at the end of two-years - full-time study or part-time equivalent.

### 52.6.4 Admission Requirements

See §15.3. Each student must complete the Music Theory Placement Exam (MTPE); a student who scores lower than 70% must register in AUMUS 100. For further information about entrance into the Music program, contact the Department of Fine Arts, Augustana Faculty.

### 52.6.5 Program Requirements

The minimum of 122 required during the program is drawn from three areas: Core Music Requirements, Additional Music Requirements According to Major, and Non-Music Requirements.

1. **Core Music Requirements** (65)
   - A common core of music courses and requirements is required of every student enrolled in the Bachelor of Music program.
   a. Music Performance (24)
      i. Applied Music, solo and/or voice (18): at least 16
      ii. Choral Ensembles (6): The Augustana Choir, Sangkor, or encore.
   c. Theoretical and Analytical Studies, Musicianship Skills (21.5) credits:
      - AUMUS 199 (or 299) 160, 162, 290, 261, 262, 263, 361, 369/469.
   d. Music Studies and Information Literacy (1.5): AUMUS 226.
e. Passing grade in the Keyboard Skills Proficiency Examination (KSPE).
f. Successful completion of the Recital Attendance Requirement (RAR).

Every student is required to attend a minimum of 10 recitals or concerts held at Augustana each year, with a minimum of 40 recitals or concerts required for graduation.

g. A student who fails to achieve at least a C+ standing in a primary instrument or voice at the end of an academic year will be required to withdraw from the Bachelor of Music program. Each student’s progress will be reviewed annually.

h. A student beyond first year who fails to achieve an academic average of at least 2.3 will be required to withdraw from the Bachelor of Music program. Each student’s progress will be reviewed annually.

52.6 Additional Information for Students

A student considering graduate studies is encouraged to take option courses that examine cultural and critical theory.

52.7 Bachelor of Science (BSc)

52.7.1 Overview

The Bachelor of Science degree consists of ★120 arts and science, including at least ★68 science (see §55.2 Classification of Courses). The ★120 in the program are made up of common liberal arts and sciences requirements, a major subject, an optional minor, and options, as follows:

(1) Liberal arts and sciences common requirements

The liberal arts and sciences common requirements consist of two areas: ★21 in Breadth and ★15 in the Augustana Core. The same credit may not be counted twice in courses that relate to more than one category within these areas; that is, a total of 36 different credits must be earned to fulfill these requirements.

The ★21 Breadth requirements consist of four different categories; credits counted towards these categories may not overlap with a student’s first major:

★3 Fine Arts

★3 Humanities

★3 Science

★3 Social Sciences

For the actual classification of Augustana courses within these categories, see §55.2.

The Augustana Core requirements consist of five different categories. A student must complete ★15 from at least three of the five categories with no more than ★6 in any one category; courses which satisfy these requirements may overlap with a student’s major:

• Creative & Imaginative Process

• Diversity and Global Studies

Please note that Augustana guarantees consideration for transfer of credits only to courses explicitly identified in the Visiting Student Authorization letter. Credits to be transferred from the other institution are judged on the same basis as transfer credits granted at the time of admission.

54.2 Residential Requirement

Augustana is a residential institution, and living in residence is a valuable part of the total educational experience. Living on campus provides maximum opportunity to benefit from university life. The residence hall program is specifically designed to provide an environment that promotes the development of the whole person.

The policy requiring all students to live in residence for at least one year is an indication of Augustana Faculty’s commitment to this enriching experience. The requirement to live on campus does not apply to:

- part-time students.
- married students.
- students who are 21 years of age or older at the time of their registration for subsequent years of studies.
- married students.
- students living with family in the Camrose area.
- students whose medical needs cannot be met by Augustana Faculty.

Students with special circumstances not indicated in the exemptions listed above may appeal the requirement to live on campus, in writing, to the Housing Review Committee.

54.3 Registration

General regulations for students regarding Registration are contained in §22.

1. Deadlines: Students should familiarize themselves with the deadlines pertaining to registration, as outlined in §11, and be aware that these deadlines are strictly enforced.

2. Student Responsibility: Students are responsible for familiarizing themselves with program requirements and limitations as specified in the Calendar and for ensuring their programs are properly planned in accordance with degree specifications. Please read the Calendar carefully before registering in courses, and if you are in doubt about any regulations pertaining to your program, consult the Office of the Registrar, Augustana Faculty, for clarification.

3. Academic Advice: A student is encouraged to consult an Admissions Counsellor when selecting courses for the first year of university studies. Academic advice is provided by Academic Advisers to assist a student in registering for subsequent years of studies.

4. Failure to ‘drop’ a course: Students who do not formally withdraw from a course but who are absent from the final examination without excuse (see §23.5.6) will be given a mark of zero (0) on the final examination. The final
grade in the course will then be determined by combining the appropriately weighted terms and the assigned zero in the final examination, the mathematical result rounded to the lowest whole number. Students who register in a course but do not attend and do not formally withdraw will receive a grade of F1.

(5) **Change in program:** A student who wishes to change from one major, minor, or degree program to another within the Augustana Faculty must consult with his or her Academic Adviser. A student wishing to change degree program, or transfer into another Faculty, should also consult $15.3.6(2)$ for requirements on readmission and internal transfer.

(6) **Withdrawal from Augustana:** A student who wishes to withdraw from Augustana must first discuss the matter with the Assistant Registrar, Augustana Campus. At the discretion of the Assistant Registrar, Augustana Campus, the student may be referred to the University Counsellor and/or the Director, Student and Residence Services. If appropriate, the Assistant Registrar, Augustana Campus, will receive a report from the personnel specified above before issuing the “Withdrawal Form”. All deadlines related to withdrawals are strictly enforced; students should consult §§11 and 22.1.

(7) **Auditing courses:** Students interested in registering to audit one or more courses in the Augustana Faculty should refer to $22.1.10$.

### 54.4 Attendance, Evaluations and Grading

Since presence at lectures, participation in classroom discussions and projects, and the completion of assignments are important components of most courses, students will serve their interests best by regular attendance. Those who choose not to attend must assume whatever risks are involved. Students should pay close attention to any further requirements on attendance and class participation indicated on course outlines (see §23.4). As well, students should refer to §23.5.6 for specific regulations regarding exams.

Every student’s performance will be evaluated at least two times per term in each course. The evaluations may take the form of tests, essays, and/or other assignments. The results of at least one evaluation in each course will be available to students no later than the eighth week of the term. For further information on evaluations, grading, and exams, see §§23.4 and 23.5.

The deadline for the last assignment valued at more than 10% of the final grade (5% in two term Fall/Winter courses) shall be no later than five instructional days before the last class of the Fall or Winter term.

No examination valued at more than 20% of the final grade (10% in two term Fall/Winter courses) shall be scheduled during the last ten instructional days of the Fall or Winter term.

No student shall be required to write three final exams in one day (i.e., in the morning, afternoon, and evening exam periods). Should a student have three exams scheduled in one day, the student should contact the Office of the Registrar at Augustana as soon as possible for assistance in rescheduling one exam to another time within that final examination period.

### 54.5 Policy on Academic Dishonesty

For information on Academic Dishonesty, including definitions, potential sanctions, the discipline process, and procedures for appeal, a student should consult the University of Alberta Code of Student Behaviour. Copies of the Code may be found in the Augustana Faculty Student Handbook, Appendix A of the University of Alberta Calendar, the University of Alberta Governance website at [www.ualberta.ca](http://www.ualberta.ca) or by contacting University of Alberta Governance directly.

### 54.6 Academic Standing and Graduation

#### 54.6.1 Determination of Academic Standing

Academic standing is assessed based on a student’s GPA. (Rules for computing the GPA are listed in §23.4.) Students are expected to maintain a 2.0 minimum GPA. Students who do not maintain this level of academic performance may be permitted to continue under academic warning or may be required to withdraw.

The assignment and reassignment of academic standing is based on a student’s performance in a minimum of $\star 12$. If, at the time of review, the student has attempted fewer than $\star 12$ since the last assignment of academic standing, there will be a program review, but the assessment of academic standing will be deferred and the academic standing assigned at the last review will remain in effect until the next review.

A review of academic performance is conducted for each student at the end of each Fall/Winter, based on all courses completed during Fall/Winter. In addition, any courses taken during the preceding Spring/Summer will be included in the review. Students whose assessment was deferred at the last review will be assessed on the cumulative results of all courses completed since their last academic standing assignment.

#### 54.6.2 Implications of Academic Standing

##### (1) First-Class standing and the Dean’s List:

First-class standing in a given year is awarded to any undergraduate student who obtains a GPA of at least 3.5, the GPA to be computed on a minimum of $\star 24$ taken during Fall/Winter. Students who attend in only one term of the Fall/Winter are eligible if they complete at least $\star 12$ with a minimum GPA of 3.5. This designation is given to students who achieve a GPA of at least 3.7 on a minimum of $\star 18$ in Fall/Winter. Students who attend for only one term of Fall/Winter are eligible if they complete at least $\star 9$ with a minimum GPA of 3.7.

##### (2) Satisfactory Standing:

Satisfactory standing is given to a student who achieves a GPA of at least 2.0. Students with satisfactory standing are academically eligible to continue studies in Augustana Faculty.

##### (3) Marginal standing:

Marginal standing is given to a student who achieves a GPA of 1.7 to 1.9. Students with marginal standing will be placed on academic warning and will normally have one period of assessment to return to satisfactory standing. Students failing to return to satisfactory standing will be required to withdraw from Augustana Faculty. Students with marginal standing will also be required to withdraw if they have previously had unsatisfactory or marginal standing at the end of any period of assessment. Students with marginal standing at Augustana Faculty or have previously been required to withdraw from Augustana Faculty, another Faculty, or another postsecondary institution.

##### (4) Unsatisfactory standing:

Unsatisfactory standing is given to a student who obtains a GPA less than 1.7. Students with unsatisfactory standing will be required to withdraw from Augustana Faculty.

#### 54.6.3 Other regulations related to academic standing

##### (1) A student who has been required to withdraw from Augustana or any other Faculty, or from another postsecondary program, will not be considered for readmission until at least one full year has elapsed.

##### (2) A student who has been required to withdraw from Augustana or any other Faculty after having previously been required to withdraw from Augustana, another Faculty, or from another postsecondary institution will not be considered for readmission except by special permission of the Associate Dean, Academic Programs.

### 54.6.4 Documentation of Academic Standing

At the end of each academic year, a statement of grades is available on Bear Tracks ([https://www.beartracks.ualberta.ca](https://www.beartracks.ualberta.ca)).

### 54.7 Graduation

#### 54.7.1 Grades Required in Courses Presented for the Bachelor’s Degree

##### (1) Courses presented for the Bachelor’s degree are limited to those in which a grade of at least D has been attained. If a student has successfully completed more than the number of credits required for the degree, the courses presented to satisfy all the requirements are chosen to the student’s advantage.

##### (2) A student must achieve a Graduation Grade Point Average (GGPA) of at least 2.0 to be eligible for a bachelor’s degree. The GGPA is based on the last $\star 90$ presented for the degree (whether earned at Augustana Faculty, University of Alberta or elsewhere).

##### (3) A student must achieve a GPA of at least 2.0 in each declared area of study. Each GPA major or minor is calculated over all presented courses that apply to the area of study, including those courses contributing to the first $\star 30$.

##### (4) The degree is awarded “with distinction” to a student who achieves a GGPA (as defined in item 2, above) of at least 3.5.
54.7.2 Graduation Requirements

(1) Students wishing to receive an Augustana Faculty degree at an upcoming convocation must apply for graduation on Bear Tracks (https://www.beartracks.ualberta.ca) in accordance with the deadlines specified in §11. Also see §23.7. The University of Alberta Augustana faculty will hold one convocation ceremony each year at Augustana campus, normally scheduled in May. Students registered in Augustana Faculty who are eligible to graduate in the fall season may attend the fall convocation held on North campus.

(2) In order to graduate, a candidate must fulfill all program requirements and satisfy the grade point average and residence requirements specified above.

(3) If a graduand has not paid all outstanding fees and accounts, the degree parchment and transcripts will be withheld until all amounts owing are paid in full.

54.8 Time Limit for Completion of Previous Augustana Degree Programs

54.8.1 Augustana University College Three-Year BA and BSc Degrees

As part of the merger with the University of Alberta, Augustana Faculty will cease admitting new students into three-year BA and BSc degree programs after the 2004-2005 academic year. Students currently registered in these programs must complete their degrees by the end of the 2010-2011 academic year. Students continuing in a three-year BA or BSc program may consult the 2004-2005 Augustana University College Calendar and its Addenda for the degree requirements pertaining to their program. Excerpts of the relevant portions of the 2004-2005 Calendar, along with sections providing guidance to students in the specific concentrations, may also be obtained from the Office of the Registrar, Augustana Campus.

54.9 Grievances and Appeals

A copy of the Augustana Faculty regulations regarding appeals on grades and academic standing may be obtained from the Augustana Faculty Academic Appeals Committee. See §23.8. Certain academic standing decisions made by the Augustana Faculty Academic Appeals Committee may be appealed to the General Faculties Council Academic Appeals Committee. See §23.7.

Note: Deadlines exist for submission of appeals. Contact the Faculty for details.
