62 General Information

The Faculty of Education provides professional preparation for teachers and opportunities for graduate study for those interested in more advanced work in education. Undergraduate degree programs are available in preschool, elementary, secondary, or postsecondary/adult education.

Each Bachelor of Education degree program allows for certification as a teacher in Alberta. Teaching Certificates are granted by the Minister of Education, on the recommendation of the Faculty of Education.

Student Visitors (persons on student visas) will not be recommended for certification.

All inquiries should be addressed to the Office of the Associate Dean (Undergraduate Student Services), Faculty of Education, University of Alberta, Edmonton, AB T6G 2G5.

63 Faculty Regulations

63.1 Speech Competency

Students entering the Faculty expecting to complete teacher certification requirements must demonstrate competent speaking ability in English.

(1) Students demonstrating weakness in voice, fluency, or articulation may be referred to the Speech Centre in the Faculty of Education for evaluation.

(2) Students requiring remediation of oral communication must continue working toward improvement as specified by the Director of the Speech Centre until the necessary improvement has been achieved.

(3) Speech competence is a prerequisite for enrolment in Field Experience courses. Students who have not achieved the necessary level of competence may not register for these courses.

63.2 Registration Requirements

63.2.1 Bachelor of Education; Bachelor of Arts (Native Studies)/Bachelor of Education Combined Degree; Bachelor of Music/Bachelor of Education Combined Degree; Bachelor of Physical Education/Bachelor of Education Combined Degree; Bachelor of Science (Human Ecology)/Bachelor of Education Combined Degree; Bachelor of Education (After Degree)

(1) Course Load: The normal full course load for each term of Winter Session is ★15. Permission to take more than ★15 each term may be granted under special circumstances. Students should contact the Undergraduate Student Services Office for more information.

   Note: Students registered in the Introductory or the Advanced Professional Term are restricted to the maximum load of ★15 per term.

(2) Full-Time and Part-Time Registration: Much of the degree program may be taken on a part-time basis; however, students are expected to register full time while doing their student teaching during the Introductory Professional Term and the Advanced Professional Term.

(3) Maintaining Registration: Students who wish to interrupt their program without having to compete for admission may apply for permission to “stop out.” Permission is granted only to students in good standing and only for a specified period. Information regarding a stop out is available from Undergraduate Student Services.

63.2.2 Bachelor of Education/Bachelor of Science (Specialization in Science and Education) Combined Degree

(1) A student in the combined program is not granted the privilege of repeating a failed course more than once during the program except with the permission of the Dean of Education and the Dean of Science. A student is not permitted to repeat a course in which a grade of 4.0 or more has been received except with the permission of the Dean of Education and the Dean of Science.

(2) Courses with prerequisites may only be used for credit if the prerequisite requirements have been met. A grade of 4.0 is the minimum grade acceptable in a course to be used as a prerequisite.

(3) Normally, no more than ★42 at the 100-level are permitted in the combined program.

(4) A full-time student in the combined program should normally register in ★30 during Winter Session of each year of the program.

(5) A student may be permitted to complete the requirements for the combined program over a longer period than five years on approval by the Dean of Education and the Dean of Science.

63.2.3 Field Experience Courses (Student Teaching)

(1) Registration in Field Experience courses is a two-part process. Students must first register in EDFX courses using the Telephone Registration system. Students must then report to Undergraduate Student Services, 1-107 Education North, to personally complete a Student Teaching Registration Card.

(2) Students with problems related to health, speech, or any other disability should consult the Professional Officer (Field Experiences).

(3) Because of the intensity of the workload during student teaching, and the expectation of the schools for full involvement, students must not exceed the ★15 maximum or register in any evening courses while enrolled in their Introductory or Advanced Professional Term.

(4) Students are not permitted to register in Field Experience courses while on Academic Warning.

(5) A student who has been assigned a grade of “W” or “F” in a Field Experience course is entitled to a second registration in this course. See also 522.1.3 (Reregistration in Courses). Notwithstanding 522.1.3, if a student receives a “W” or “F” in the second attempt of a Field Experience course, he/she is required to withdraw from the Faculty of Education.

(6) Any student who has withdrawn from a Field Experience course must receive the approval of the Professional Officer (Field Experiences) to reregister in the course.

(7) Although special services are provided on campus to assist disabled students, these same services may not be available for off-campus placements.

(8) The Faculty of Education is committed to a Regional placement program in which students are encouraged to complete field experiences in rural Alberta. Students wanting rural placements should apply in early April for Term 1 and in early November for Term 2.

(9) Students must purchase a Field Experience Handbook from the University Bookstore before the beginning of each EDFX course. This handbook provides specific information about student teaching and outlines what is expected of student teachers.

(10) Students in schools during the field experience are expected to conduct themselves according to the Alberta Teachers’ Association Code of Professional Conduct and the University of Alberta Code of Student Behavior: Conduct and Discipline. Student teachers shall

   a. recognize and accept that the welfare of the students is of ultimate concern and that the cooperating teacher has the final responsibility for what occurs in the classroom; and

   b. maintain an ethical and professional attitude toward all members of the school community. Become familiar with the Alberta Teachers’ Association Code of Professional Conduct. This code will be a guideline for your behavior in the school community.

   Students are held accountable to these standards and answerable to the Assistant Dean (Field Experiences) and the Dean of Education.

(11) Access to transportation is not considered in making placements in the Edmonton area. Placements can be made anywhere in the Greater Edmonton area, including Devon, Fort Saskatchewan, Leduc, Morinville, St Albert, Sherwood Park, Spruce Grove and Stony Plain.

(12) Field Experience courses other than EDFX 475/476 are not normally offered during Intersession.
63.2.4 Important Dates

63.3 Student Advising

**Undergraduate Student Services (USS)**

USS staff assists with admission, readmission, program requirements, field experiences, and any other issues related to a student’s degree or diploma program.

USS maintains the official Faculty record of each student’s academic program as well as the student teaching reports. These records are held for three years after graduation.

All queries can initially be handled by USS staff; if necessary, students will be referred to the appropriate University department for a final resolution.

**Associate Dean (Undergraduate Student Services)**

The Associate Dean is responsible for the overall administration of all matters related to the undergraduate program. The Associate Dean works with the Registrar’s Office, other faculties and departments, the Assistant Dean (Field Experiences), the Assistant Dean (Programs), and the Assistant Dean (Student Services) on program-related concerns and any other problems arising in administering Faculty policies and regulations.

**Assistant Dean (Field Experiences)**

The Assistant Dean (Field Experiences) is responsible for all matters related to student teaching and field experience courses. Field Experiences staff arrange for cooperating teachers, university facilitators, and faculty consultants who work with students regularly during the Introductory and Advanced Professional Terms.

**Assistant Dean (Programs)**

Applicants who require extra information related to admission to undergraduate programs should consult the Assistant Dean (Programs).

**Assistant Dean (Student Services)**

Students who encounter special difficulties should make an appointment with the Assistant Dean (Student Services) who assists students having problems related to their degree program or other problems of an individual nature. Students must obtain approval for certain special requests and must consult the Assistant Dean before submitting a formal appeal to the Faculty Academic Appeals Committee.

63.4 Academic Standing and Promotional Standards

**Bachelor of Education; Bachelor of Education (After Degree); BA (Native Studies)/Bachelor of Education Combined Degree; Bachelor of Physical Education/Bachelor of Education (Elementary and Secondary Routes) Combined Degree; Bachelor of Science in Human Ecology/Bachelor of Education (Combined Degree)**

(1) Academic standing is assessed based on a sessional grade point average (GPA). Students are expected to maintain a minimum GPA of 5.0. Students who do not maintain this level of academic performance may be permitted to continue under Academic Warning or may be required to withdraw.

A review of academic performance is conducted for each student at the end of each Winter Session (September to April) and Intersession (May to August), covering the previous session’s work.

The assignment and reassignment of categories of academic standing are based on a student’s performance in a minimum of 18. If, at the time of review, the student has attempted fewer than 18 since the last assignment of a category of academic standing, the review will be deferred and the academic standing assigned at the last review will remain in effect until the next review.

(2) **Grade Point Average (GPA)**: A sessional measure of academic performance. Rules for computing the GPA are in §23.4(5).

The GPA is printed on the official transcript and the Statement of Results which is issued after each session.

Three categories of academic standing are determined for each student based on the GPA.

- **Satisfactory Standing**: Students with a GPA of 5.0 or greater may continue in the program.
- **Marginal Standing**: Students with a GPA of 4.5 to 4.9 inclusive are placed on Academic Warning.
- **Unsatisfactory Standing**: Students with a GPA of 4.4 or less are required to withdraw from the Faculty.

63.4.1 Academic Warning

(1) A marginal student placed on Academic Warning is bound by the following requirements:

a. A student must complete 30 credits with a GPA of 5.0, calculated on these 30; or complete a minimum of 24 credits with a GPA of 5.5, calculated on these 24.

**Note**: Students are not required to complete these minimum number of units of course weight in one Winter Session.

b. A student on Academic Warning must maintain a GPA of at least 5.0 for each session in which the student is enrolled.

c. Registration in the Introductory or Advanced Professional Term will not be permitted while on Academic Warning. If special circumstances warrant, permission must be obtained from the Associate Dean (Student Services).

d. Students must maintain continuous registration during each Winter Session they are on Academic Warning by registering in at least 3 during the September–April period. Students who do not maintain continuous registration will be required to compete for readmission.

e. Students are not normally permitted to take courses at another institution while on Academic Warning.

(2) **Failure to Meet Academic Warning Requirements**

a. Students cannot be placed on Academic Warning more than once after failing to meet Academic Warning requirements.

b. Students who fail to meet the standards and requirements of Academic Warning are required to withdraw from the Faculty and to compete for readmission.
63.4.2 Academic Standing for Bachelor of Education/Bachelor of Science (Specialization in Science and Education) Combined Degree

(1) Continuation in the Bachelor of Education/Bachelor of Science (Specialization in Science and Education) program requires a Cumulative Grade Point Average (CGPA) of at least 5.5. A student who does not meet the requirement to continue in the combined degree program must withdraw from the combined program and may apply for admission to either a BEd program or a BSc program, if eligible. Refer to 63.5 or $162.7 for academic standing regulations for admission to the BEd or BSc General programs.

(2) Cumulative Grade Point Average (CGPA): The Cumulative Grade Point Average is the weighted average over all courses attempted while registered in this faculty (in all sessions including Intersession) since first admission to this faculty (or the effective date of these regulations, whichever is later). The only exception is that for students who have been required to withdraw from the Faculty and who are subsequently reenrolled based on work done elsewhere, the CGPA is computed only on courses taken following readmission. The calculation of the CGPA is also subject to the following rules:
  a. An alphabetic grade of ABF counts as a numeric grade of 1.0 in the computation of the CGPA.
  b. An alphabetic grade of WF counts as a grade of 1.0 in the computation of the CGPA.
  c. Grades of Credit/No Credit and Pass/Fail are not included in the computation of the CGPA.
  d. The CGPA is rounded to the nearest decimal place using standard rounding rules—that is, it will be rounded up with a value of 5.0 or greater in the first nonsignificant place and rounded down with a value of 4.0 or less in the first nonsignificant place.

63.4.3 Academic Standing for the Bachelor of Music/Bachelor of Education Combined Degree

(1) Continuation in the BMus/BEd Combined Degree program requires a minimum Cumulative Grade Point Average (CGPA) of at least 5.5. The cumulative grade point average will be calculated on all courses taken in all sessions completed in the program.

(2) Successful completion of the program requirements include a CGPA of 5.5 on all courses completed in the program.

(3) Students must complete at least 33 during each Winter Session in every year except Year 6 where 30 is required. A reduced course load to 24 requires only the approval of the Department of Music; a course load of less than 24 requires the approval of both Faculties and is based on a recommendation from the Department of Music.

(4) Students who fail to meet the requirements for promotion as outlined in (1) above will be required to withdraw from the BMus/BEd Combined Degree program. Such students may transfer to another program in the Faculty of Arts, the Faculty of Education or another Faculty, provided the entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be met.

(5) Students who fail to meet the fifth-year requirements in the program will be permitted to fulfill those requirements only with the approval of the Faculty of Arts and the Faculty of Education upon the recommendation of the Department of Music. Otherwise, students must withdraw from the program and, if so desired, transfer to another program in the Faculty of Arts or Education for which they are able to meet entrance and promotion requirements.

(6) The BMus/BEd Combined Degree program may be interrupted only with the prior consent of the Department of Music, the Faculty of Arts, and the Faculty of Education. Readmission and continuation will be subject to any conditions, including reauditioning and new program requirements, that may be specified by the Department of Music, the Faculty of Arts, and the Faculty of Education.

Notes on the Cumulative Grade Point Average (CGPA): The Cumulative Grade Point Average is the weighted average over all courses attempted while registered in this faculty (in all sessions including Intersession) since first admission to this faculty (or the effective date of these regulations, whichever is later). The only exception is that for students who have been required to withdraw from the Faculty and who are subsequently reenrolled based on the basis of work done elsewhere, the CGPA will be computed only on courses taken following readmission.

The calculation of the CGPA is also subject to the following rules:
  a. An alphabetic grade of ABF will be counted as a numeric grade of 1.0 in the computation of the CGPA.
  b. An alphabetic grade of WF will be counted as a grade of 1.0 in the computation of the CGPA.
  c. Grades of Credit/No Credit and Pass/Fail are not included in the computation of the CGPA.
  d. The CGPA will be rounded to the nearest decimal place using standard rounding rules—that is, it will be rounded up with a value of 5.0 or greater in the first nonsignificant place and rounded down with a value of 4.0 or less in the first nonsignificant place.

63.4.3.1 Residence Requirements

(1) Students proceeding toward the BMus/BEd Combined Degree program must normally have credit in at least 96 offered by the University of Alberta.

(2) Students who take part of their final 60 at another postsecondary institution must seek the approval of the Department of Music, the Faculty of Arts, and the Faculty of Education.

63.5 Appeals

63.5.1 Bachelor of Education; Bachelor of Arts (Native Studies)/Bachelor of Education; Bachelor of Music/Bachelor of Education; Bachelor of Physical Education/Bachelor of Education; Bachelor of Science (Human Ecology)/Bachelor of Education; Bachelor of Education (After Degree)

Faculty decisions regarding academic standing or standing in an individual course can become the subject of an appeal. A student wanting to appeal an academic decision must attempt to resolve the issue first with the professor concerned (if applicable), then with the Department Chair, and, if still unresolved, with the Assistant Dean (Student Services). For appeals relating to academic standing, students should first see the Assistant Dean (Student Services) and, if necessary, the Associate Dean (Undergraduate Student Services). If the matter remains unresolved, students may then appeal to the Faculty Academic Appeals Committee. A written statement of appeal must be submitted to the Chair of the Faculty Academic Appeals Committee by the following deadlines:

March 1 for first-term courses
June 30 for second-term and full-session courses
September 30 for Intersession courses

These deadlines apply to appeals of grades and academic standing. Further details of the Faculty’s appeal procedures are available from the Assistant Dean (Student Services) or the Associate Dean (Undergraduate Student Services), 1-107 Education North. Certain decisions of the Faculty Academic Appeals Committee may be appealed to the General Faculties Council Appeals Committee. See §23.8.

63.5.2 Bachelor of Education/Bachelor of Science (Specialization in Science and Education) Combined Degree

(1) A student in the Bachelor of Education/Bachelor of Science (Specialization in Science and Education) program seeking a review of a decision on academic standing must first consult the Associate Dean (Undergraduate Student Services) in the Faculty of Education and submit a written statement pertaining to the specific decision affecting the student’s academic standing. This statement should include related documents on which an appeal can be based and must be made within 30 days of the original decision on academic standing. The Associate Dean of Education consults the senior Associate Dean of Science, and they decide on the appeal and inform the student.

(2) If the student is not satisfied with the decision, the student may appeal, in writing, to the Dean of Education. The Dean of Education consults the Dean of Science. They decide on the appeal and inform the student. An appeal to the Dean must be made within 15 days of receiving the written decision from the Associate Dean.
(3) If the student is still not satisfied, the student may appeal, in writing, to the Bachelor of Education/Bachelor of Science (Specialization in Science and Education) Program Appeals Committee on Academic Standing. An appeal to this committee must be made within 30 days of receiving the written decision from the Deans.

(4) If the latter appeal decision is not satisfactory, the student has the right to appeal to the GFC Academic Appeals Committee. An appeal to this committee must be made within 30 days of receiving the written decision from the Combined Program Appeals Committee.

63.6 Reexamination

See §23.5.5.

63.7 Graduation

63.7.1 Bachelor of Education and Bachelor of Education (After Degree)

(1) To receive the Bachelor of Education degree, students must

a. successfully complete at least 160 of their Bachelor of Education degree program at the University of Alberta;

b. obtain a graduation GPA of 5.0 calculated on the last 160 on their program for the Bachelor of Education or the last 45 on their program for the Bachelor of Education/After Degree; and

c. successfully complete all field experience requirements.

Notes

(1) The graduation GPA for the Bachelor of Education degree is based on the most recent 160 for which a student has earned a grade other than W; for the Bachelor of Education/After Degree, the graduation GPA is based on the most recent 45 for which a student has earned a grade other than W.

(2) Students must complete at least 12 in addition to those required for the degree program to raise their graduation GPA to the required level of 5.0.

(3) Students who take part of their final 160 at another postsecondary institution must seek approval of the Associate Dean (Undergraduate Student Services).

(3) To qualify for the notation “With Distinction” on their parchment, students must have achieved a graduation GPA of 7.5.

(4) For students expecting to convocate at Spring Convocation, all course requirements must be completed by April 30. Those completing degree requirements during Intercession will be eligible for Fall Convocation.

63.7.2 Bachelor of Arts (Native Studies)/Bachelor of Education Combined Degree

(1) Graduation requirements include an overall grade point average of 5.0 on all courses completed in the 150 program, and a GPA of 5.3 on all courses completed in the Native Studies major.

a. 100-level courses: For the purpose of the combined degree program normally no more than 160 at the 100-level may be taken for degree credit.

(2) To qualify for the Bachelor of Native Studies and the Bachelor of Education degrees, students must successfully complete relevant program requirements, have met the promotion, final year and residence requirements, and have received the recommendation of the School of Native Studies Council and the Faculty of Education.

(3) Degrees with Distinction shall be awarded to students who achieve a graduation grade point average of 7.5 or higher on the last 90 taken at the University of Alberta. In cases where a student has taken courses at another institution as part of these 90, the Degree with Distinction will be awarded at the discretion of the School and the Faculty.

Student Advising: Students will be jointly advised regarding program and course requirements by designated advisors in both the School of Native Studies and the Faculty of Education.

63.7.3 Bachelor of Education/Bachelor of Science (Specialization in Science and Education) Combined Degree

(1) To receive the Bachelor of Education/Bachelor of Science degree, a student must complete all requirements of the combined program and must achieve a graduation GPA of at least 5.5 on all courses with numeric grades credited to the combined program (calculated on the last 90 credited to the degree). In addition, a GPA of at least 6.0 must be attained in all courses in the major Subject or Area of Concentration.

Notes

(1) Only successfully completed courses applicable to the students’ Bachelor of Education/Bachelor of Science (Specialization in Science and Education) degree will be used to calculate the graduation GPA.

(2) Students will be allowed to take up to 12 in addition to those required for the degree program to raise their graduation GPA to the required level of 5.5.

(2) Students who take part of the final 60 at another postsecondary institution must seek approval of the Associate Dean (Undergraduate Student Services).

(3) To qualify for the notation “With Distinction” on their parchment, students must achieve a graduation GPA of 7.5.

63.7.4 Bachelor of Music/Bachelor of Education Combined Degree

(1) To qualify for the Bachelor Music/Bachelor of Education Combined Degree, students must successfully complete relevant curriculum requirements, the promotion, final year and residence requirements, and receive the recommendation of the Department of Music, the Faculty of Arts, and the Faculty of Education.

(2) Degrees With Distinction shall be awarded to students who achieve a grade point average of 7.5 or more, both on all of the units of course weight credited to the program and on all of the units of course weight in Music. In the case that transfer or other students have attempted, as part of their program, courses at other institution, the Degree “With Distinction” will be awarded at the discretion of the Faculties.

63.7.5 Bachelor of Physical Education/BEd Bachelor of Education Combined Degree

Regulations are the same as those for the Bachelor of Education degree (see §63.7.1).

63.7.6 Bachelor of Science in Human Ecology/Bachelor of Education Combined Degree Program

Regulations are the same as those for the Bachelor of Education degree (see §63.7.1)

63.8 Special Faculty Regulations

(1) Transfer from One Route to Another: Students who wish to change their route should consult Undergraduate Student Services. Route changes are possible, but students must meet all the requirements of the new route, which may involve additional coursework. Admission to the new route is on a competitive basis. Students wishing to change their Route must submit an Application for Readmission/On-Campus Transfer form to the Office of the Registrar and Student Awards.

(2) Advance Credits for Certified Teachers: Normally one year’s credit in the four-year program is given for basic teacher education programs.

(3) Review of Inactive Programs: A student whose degree program has been inactive for three years, or who has failed to complete the degree in 15 years, may have the program reviewed and, if necessary, rearranged according to prevailing requirements.

(4) Attending Another Institution as a Visiting Student: Continuing students who wish to receive credit for coursework completed at another postsecondary institution must obtain a letter of permission from Undergraduate Student Services before attending the other institution as a Visiting Student.
63.9 Teaching Certification

Alberta Teaching Certificates are issued by the Minister of Education and the Registrar, Teacher Certification and Development, Alberta Education. The Faculty of Education recommends for certification those students who have completed the necessary requirements.

Student Visitors will not be recommended for certification.

To be recommended for an Alberta Teaching Certificate without completing the Bachelor of Education degree, a student must obtain a GPA of at least 5.0 on all courses credited toward the degree program. Note: This provision applies to Secondary Route/After Degree students only.

Students completing certification requirements in December who want to receive a recommendation before the Faculty of Education Records Review Committee meets in late January should contact Undergraduate Student Services.

All persons applying for certification as a teacher in Alberta will be subject to the following restrictions on eligibility:

Except where the Minister of Education decides otherwise, the Registrar for Alberta Education shall not issue a teaching certificate to

1. a person who has been convicted of an indictable offence under the Criminal Code; or
2. a person whom the Registrar has reason to believe should not be issued a certificate.

Applications for a teaching certificate shall be directed to the Registrar. As part of the application process, applicants will be asked whether they possess a criminal conviction. If the response is yes, the nature of the conviction and when and where they were convicted must be detailed.

The Registrar shall refuse to issue a teaching certificate to any applicant possessing an indictable criminal conviction. The Registrar may refuse to issue a teaching certificate to an applicant possessing a criminal conviction of a nature deemed unsuitable for teaching children or for any other reason.

Applicants may appeal the decision of the Registrar to a Certification Appeal Committee established by the Minister. Appeals must be made in writing within 30 days of being advised of the Registrar’s decision not to issue a certificate.

64 Professional Standards

While student teaching in the school, students are expected to observe and be guided by the Code of Professional Conduct as published by Member Services, the Alberta Teachers’ Association.

65 Programs of Study

65.1 Degree of Bachelor of Education

Underlying Principles

The following principles underlie all teacher preparation programs:

1. The education of a teacher is a continuous, life-long process. In addition to emphasizing basic or fundamental preparation, the initial pre-service experience should aid the development of attitudes that encourage self-evaluation and improvement, and the acquisition of knowledge and skills that facilitate life-long learning.

2. All teacher preparation degree programs provide intending teachers with essential practical skills, a knowledge of theory and its relationship to practice, liberal studies, and subject-matter competence.

3. The Faculty of Education is committed to providing quality teacher preparation programs and recognizes the importance of continuously monitoring, evaluating and refining its offerings to adequately reflect changes in society and advances in knowledge.

4. The Bachelor of Education degree consists of a minimum of 120, of which at least 24 are taken before admission to the Faculty of Education.

Program Planning

The Faculty of Education provides students with an official program outline when they are admitted. Using this, students are expected to be able to identify remaining course requirements for their particular degree program.

Students are responsible for being acquainted with all applicable regulations and meeting the requirements for the degree as outlined. Any exceptions to the requirements must be approved in writing by the Associate Dean (Undergraduate Student Services) with one copy to be placed in the student’s file and one to be given to the student.

Note: The program details listed in the following three sections apply only to students registered in the 1+3 Bachelor of Education degree program.

Students enrolled in the Bachelor of Education (After Degree) should consult 186 for program details.

65.2 Adult Education Route

65.2.1 General Information

The Adult Education Route in the Bachelor of Education degree is a continuing professional education program for adult educators and trainers instructing in various settings.

65.2.2 Components of the Program

Courses may be taken at various times in a student's program depending on individual plans for attending university. Normally, the minimum requirement of one year of full-time attendance occurs toward the end of a student’s program.

Courses in the Preprofessional Year (★30)

The following courses represent the minimum ★24 of Transfer Credit granted to successful applicants:

EDAE 223 (★3) EDAE 423 (★3)

65.3 Elementary Education Route

65.3.1 General Information

The Department of Elementary Education prepares teachers to teach all subjects and to facilitate the learning of all children at the elementary school level within our multicultural society. Teaching proficiency depends on knowledge of subject matter, pedagogy, critical thinking and problem-solving skills, professional ethics, sensitivity to and respect for children and the sociocultural contexts in which they live, and an understanding of schooling in their social/political/economic environment. Developing attributes, fostering a sense of community, and developing a strong professional commitment reflected in a personal philosophy of education are the intent of the Department of Elementary Education.

65.3.2 Components of the Program

All students in the Elementary Route are enrolled in a Generalist program that prepares prospective teachers in the required elementary school subjects. This degree consists of 120 overall, of which 30 are normally taken in a Minor, which prepares prospective teachers in the required elementary school subjects.

Program Requirements (120)

1. 27 in Non-Education Elements—to be chosen from the following eight subject areas:
   - Element I: Language/Literature 6 chosen from Classics, Comparative Literature, English, or Linguistics.
   - Element II: Mathematics 3 chosen from Mathematics; PHIL 125; SOC 210; or STAT 141.
   - Element III: Social Science 3 chosen from Anthropology, Economics, History, Political Science, or Sociology.
   - Element IV: Natural Science 3 chosen from Astronomy, Biology, Chemistry, Earth and Atmospheric Sciences (Science), Environmental and Conservation Sciences, Forestry, Physics, Plant Science, or Soil Science.
   - Element V: Fine Arts 3 chosen from Art; Art History; Dance; Design; Drama; Film Studies; Music; or Textiles, Clothing and Culture.
   - Element VI: Computing 3 chosen from Computing.
   - Element VII: Physical Education 3 chosen from PEDS 292, 293.
   - Element VIII: Health Education 3 chosen from FAM 215, 222; HE ED 110; or NURS 102.

2. 3 in Non-Education Options.

(1) *27 in Non-Education Elements—to be chosen from the following eight subject areas:

(6) Minor Courses (18–21)

All Elementary Route students must select a Minor to help develop further competence in an area of school instruction, or integrate knowledge from several disciplines. Some Minors may be completed more efficiently by taking specific courses in the Preprofessional Year. Students should examine the specific course requirements of each Minor when considering their choices.

(7) Non-Education Courses (18–21)

Select any courses from outside the Faculty of Education. Students should enrol in courses that develop additional strengths for classroom teaching. Courses related to the teaching Minor or additional courses from the Elements are recommended.

(8) Open Option (3)

Select any courses from any faculty.

Note: A minimum of 18 in Non-Education courses (Elements, Minor, Options) must be at the 200-level or higher. Of these 18, at least 6 must be from the Minor.

65.4 Secondary Education Route

65.4.1 General Information

The Secondary Education route includes 14 weeks of student teaching. In addition to EDFX 200, students enrol in the Introductory Professional Term (6 weeks of student teaching) and the Advanced Professional Term (9 weeks of student teaching).

Students in the Introductory Professional Term usually teach in their Minor subject specialization, while students enrolled in the Advanced Professional Term usually teach in their Major subject specialization.

For those students who have subject specializations composed almost entirely of full-year courses, e.g., Art, Drama, Music, Second Languages, it may be necessary to take both Professional Terms during the same academic year.

For these students, full-year courses should be taken as early as possible in their program.

65.4.2 Components of the Program

All students in the Secondary Route must choose a Major teaching subject (★18) and a Minor teaching subject (★21) which prepares them for teaching in specific subjects of school instruction. Available Majors are listed in Education Chart 2, and available Minors are listed in Education Chart 3. Students planning to enter the Secondary Route are strongly encouraged to take as part of their Preprofessional Year ★6 in Language/Literature, ★3 in Computing, ★12 in the Major teaching subject, ★6 in the Minor teaching subject.

65.6 Bachelor of Education/Bachelor of Science (Specialization in Science and Education) Combined Degree

65.6.1 General Information

The Faculties of Education and Science have implemented a combined degree program that is more highly structured and provides less flexibility in course choice and sequencing because it is designed to meet the minimum requirements of both degrees in five years. In addition, it must meet teacher certification requirements.

To accommodate the variety in subject studies needed in secondary school teaching, students in the combined program will select a major/minor from the following areas:

**Biological Sciences:** Biochemistry, Botany, Biology, Entomology, Genetics, Microbiology, Pharmacology, Physiology, Zoology.

**Physical Sciences:** Astronomy, Biochemistry, Chemistry, Geophysics, Mathematical Physics, Physics.

### Physical Sciences Major/ Biological Sciences Minor (150)

**Core Program Requirements**
- **Education**: 45
- **Major**: 42
- **Minor**: 27

**Graduation Requirements:****
- **CGPA of 5.5 on all courses**
- **CGPA of 6.0 on Major courses**

**Area “B”**
- BIOL 107, BIOL 108, CHEM 101, CHEM 102
- ENGL 101
- MATH 113 or 114
- MATH 115
- PHYS 100

**Area “C”**
- ASTRO 310, CHEM 331, 332, PHYS 301, 302, 307, 309, 319

**Notes:**
- Courses 1 through 5 above constitute the Introductory Professional Term and must be taken concurrently.
- Courses 6 through 9 above constitute the Advanced Professional Term and must be taken concurrently.

### Physical Sciences Major/ Mathematical Sciences Minor (150)

**Core Program Requirements**
- **Education**: 45
- **Major**: 42
- **Minor**: 27

**Graduation Requirements:****
- **CGPA of 5.5 on all courses**

### 66.2 Advanced Study in Education

#### 66.2.1 Bachelor of Education for Holders of Approved Degrees Who Also Hold the Alberta Professional Certificate

1. Holders of approved degrees who have not completed the Professional Diploma of the University of Alberta must complete a minimum of 10 full-course equivalents (60 credits) to qualify for the Bachelor of Education Degree.

2. Holders of approved degrees who also hold the Professional Diploma of the Faculty of Education and the Alberta Professional Certificate may qualify for the Bachelor of Education Degree by completing a five full-course equivalent (30 credits) program.

#### 66.2.2 Diploma of the Faculty of Education

The Faculty of Education offers a series of diploma programs to provide additional special qualifications in designated areas. Normally, admission to a diploma program requires an undergraduate degree and a professional teaching certificate. Where exceptional circumstances warrant, one or both of the above requirements may be waived. Additional requirements may be set, and quotas may be imposed on particular diploma programs.

Applicants who do not hold the MEd degree may not obtain the Diploma based on courses credited to the MEd degree program.

Courses credited toward the diploma may not also be credited toward the Bachelor of Education degree. The minimum required grade for courses to be credited toward the Diploma is 5.0. Students who fail to complete the diploma program requirements in four years from date of starting the program may have their diploma program reviewed and, if necessary, rearranged according to prevailing requirements.

Applicants who do not hold a Teaching Certificate will not receive one on completion of a Diploma program. A student wanting certification must take the basic Certification program described in §63.9.

Applicants who have never attended the University of Alberta must complete an Application for Admission and submit it along with all relevant documentation to the Office of the Registrar by the published deadline.

Applicants who have attended the University of Alberta should complete an Application for Readmission or On-Campus Transfer form and submit it to the Office of the Registrar by the published deadline.

Diploma programs currently available are listed by Department, as follows. Contact the Departments directly for more detailed information.

**Department of Educational Psychology**

(Chair: Dr. LL Stewin)
- Educational Psychology
- Inclusive Education
- Instructional Technology
- Teaching English as a Second Language

**Department of Educational Policy Studies**

(Chair: Dr. DM Richards)
- Adult Education
- Anthropology and Education
- Education Administration
- History of Education
- International/Intercultural Education
- Philosophy of Education
- Postsecondary Education
- Sociology of Education

#### 66.2.3 Graduate Degree Programs in Education

The Faculty of Education offers graduate work for the preparation of teachers, supervisors, guidance counsellors, administrators and other educational specialists, and may lead to the degrees of Master of Education, Doctor of Education or Doctor of Philosophy. Candidates for these advanced degrees choose an area of concentration corresponding to the specialization of a particular department as follows:

**Department of Educational Policy Studies**
- Administration and leadership (elementary, secondary, and postsecondary)
- Adult and higher education
- Anthropology and education
- First Nations education, history of education, international/intercultural education, philosophy of education, sociology of education

**Department of Educational Psychology**
- Counselling and school psychology, educational psychology, special education, instructional technology education

**Department of Elementary Education**
- Curriculum and instruction in kindergarten, primary, and elementary education (Grades 1–6)

**Department of Secondary Education**
- Curriculum and instruction in secondary education (Grades 7–12)

To meet candidates’ needs and interests, departments permit considerable flexibility in the programs leading to advanced degrees. In general, students pattern their courses from the offerings of the department of their choice, supplemented by approved courses from other departments. Specific requirements for graduate degrees offered by the various departments in the Faculty of Education are found in §175.

Graduate-level courses in education are offered in Winter Session and Intersession.

Students should address their preliminary inquiries to the appropriate Department Chair and, if possible, arrange for an interview.

All candidates for graduate degrees must also be formally admitted to the Faculty of Graduate Studies and Research, which administers graduate degree programs offered by the University of Alberta.

School of Library and Information Studies

The School of Library and Information Studies offers the Master of Library and Information Studies (MLIS) degree. The MLIS program is accredited by the Committee on Accreditation of the American Library Association. This accreditation is also recognized by the Canadian Library Association.

The MLIS develops the knowledge, understanding, attitudes and skills that prepare graduates for positions of responsibility in school, academic, public and special libraries, and in the information industry.

In preparing for the MLIS program, students should include courses distributed among the social sciences, biological and physical sciences, literature, and other areas of the humanities. Prior library experience can be beneficial.

The minimum requirement for the MLIS degree is either 13 single-term graduate courses and a thesis (thesis route), or 16 single-term graduate courses and a capping exercise (course-based route). Students may enrol in the School on a full-time or part-time basis. Students registered full time will normally be able to complete the degree requirements in two years. There are no residence requirements in the course-based route.

For further information, contact the School of Library and Information Studies.

School of Library and Information Studies courses are listed in §201, Course Listings, under the heading Library and Information Studies (LIS).

Employment with Separate School Boards

Students planning to seek employment in Catholic Schools in Alberta should consult St Joseph’s College early in their program about including courses in Christian Religious Education, Theology, and Philosophy in their program of study.
