In 1908, the University opened its doors as a Faculty of Arts and Science. That year, we had 45 students and four professors in English, modern languages, history and mathematics.

Today, the Faculty of Arts has a key role in the University’s commitment to the people of Alberta and of Canada. Arts is the largest faculty in the University and the third largest English-speaking Arts faculty in the nation. The Faculty’s scholarship and creative work in the humanities, social sciences and fine arts are recognized nationally and internationally. Arts students and professors benefit from one of the top library collections in Canada.

Each year, the Faculty of Arts is entrusted with the education in the liberal and the fine arts of nearly 6,000 undergraduate students, with the specialized advanced education of nearly 800 graduate students, and with the general education of students from other faculties. The effect of the Faculty’s work is apparent across Canada and in other countries where our graduates work and flourish.

An Arts education at the U of A gives our students the opportunity to develop skills enduringly associated with liberal arts education:

• Analytical, critical and creative thinking
• Effective oral and written expression, and familiarity with other communication
• Critical and reflective reading
• The ability to identify and solve problems
• The ability to pose questions that advance understanding and foster investigation
• The ability to conduct original research and to organize complex information
• The skills associated with learning how to learn; the exercise of independent judgment and ethical decision making
• The experience of setting personal goals, managing time, and developing the self-confidence necessary for success
• A sensitivity to individuals and tolerance of cultural differences in groups
• The desire to cooperate with others in team projects
• An informed openness to the information technologies

Our graduates learn to listen, to hear, to think critically and rationally, to communicate effectively, to work independently and in teams, and to make reasoned value judgments. They are knowledgeable about the past and prepared to examine the future. They approach the dynamic global culture with experience in other languages and in the study of societies and cultures. Our graduates discover their special talents, abilities and values, helping them to lead satisfying lives.

Your minor can be chosen from the Faculty of Arts as listed above, or from the Faculty of Science (excluding Computing Science) see §42.3(5).

42.2 General Program Information

Courses that are requirements of one program only are listed under the particular degree or certificate program in §§42.3–42.12 and 43.

(1) Course Definitions

a. Units of Course Weight: A unit of course weight indicates the instructional credit assigned to a course and is designated by the ★ symbol after the course number and name. Units of course weight form a part of the degree requirements and are also used in calculating a student’s Grade Point Average (GPA).

b. Two-term Course: A two-term course is a course with a course weight of ★8 that normally extends over two consecutive University terms.

c. Term Course: A term course is a course with a course weight of ★3 that normally extends over one University term.

d. Junior Course: Effective September 1990, all courses offered by the Faculty of Arts numbered 199 or lower are junior-level courses. Before that, all courses offered by Arts numbered 299 or lower were junior-level courses. For courses in all other faculties, the course numbering in effect in that faculty at the time the course was taken will apply.

e. Senior Courses: Those courses numbered 200 to 599.

f. Normal Course Load: A normal full academic course load is ★30 during the Fall/Winter.

g. Courses Extra to the Degree: Courses successfully completed while registered in a program in the Faculty of Arts which are not being used for degree credit are known as courses extra to the degree. Such courses are, however, included in the assessment of academic standing (see §44.6).

h. Minimum Passing Grade: The minimum passing grade in undergraduate courses is a 4.0.

(2) Options

a. Arts or Science Options: The term “option” where it appears in programs means an Arts or Science course chosen by the student if the necessary prerequisite requirements have been met. An "approved option" in all programs is an option approved by the department directing the program of the students concerned. Also refer to point b.

b. Non-Arts or Non-Science Options (i.e., courses not offered by the Faculties of Arts or Science): Students registered in programs in the Faculty of Arts will normally select their courses from those offered by the Faculties of Arts or Science, including the Arts and Science courses offered by Faculté Saint-Jean. Students registered in any program other than the BFA or BMus may take up to ★18 (as options) in Faculties other than Arts and Science. These courses, when taken for credit toward the Arts degree, are subject to the following restrictions:

1) The courses may not be used to satisfy the requirements of a junior English course.
2) The courses may not be used to meet the requirements of a major.
3) Their inclusion in a program is subject to Faculty limitations on the number of junior courses and non-Arts courses that may be offered for credit.
4) The courses must, in each case, carry a minimum unit of course weight of three (★3). Two courses in the same faculty, each with a weight of ★1.5, will be accepted as the equivalent of one course with a weight of ★3.

Students in the BDes, BFA or BMus programs should refer to the specific program requirements in §§42.6, 42.7, 42.8, and 42.9 for regulations regarding non-Arts or non-Science options permitted (if any) in those programs.

c. Courses in Christian Theology offered by St Joseph’s College and St Stephen's College may be taken as Arts options in all Arts programs.

(3) Restricted Enrollment Courses: The Faculty of Arts strives to accommodate all students wishing to enrol in a given course when it is appropriate to their program. However, courses in some courses must, for academic reasons, be restricted in size. If such a course is found to be oversubscribed, priority in registration will be given to those students whose programs may require it (e.g., majors and/or minors) and then to other students as space permits.

(4) Junior Courses: No more than ★48 may be taken at the junior level except for the BMus program for which the maximum permitted junior level courses are outlined in §42.9.

(5) Junior English Requirement: Normally, no more than ★8 in junior English may be offered for credit in an undergraduate program.
42.3 Bachelor of Arts (BA)

This degree is designed to provide students with a diversified education and specialization in at least one subject. Also see §43 for Major and Minor Requirements.

**Residence Requirement:** The BA degree is a program of ★120 of which:
- a. a minimum of ★66 must be in courses offered by the Faculty of Arts;
- b. ★60 must be in courses taken at the University of Alberta;
- c. a minimum of ★30 must be taken while registered as a student in the Faculty of Arts; and
- d. a minimum of ★6 must be taken in courses offered by the Faculty of Science.

**Course Load Requirements:** Students will normally complete ★30 in each two-term period and will normally complete the program in four academic calendar years.

**Program Requirements:** The BA degree requires students to successfully complete ★120 including the following:
- The core program (★42)
- A Canadian Content Coordinate course(s) (★6)
- A major subject of concentration
- A minor subject of concentration

(1) **First Year:** Each year consists of ★30 credited to the program. Within the first ★30, students should complete junior courses from the core program including ENGL 100 or 101.

To prepare for the Major, students should enrol, if possible, in a course in the Major Subject in first year. Students are also encouraged to obtain required prerequisite courses early in the program. Students in the BA degree should seek advice and program approval from the advisor in the Department of their major concentration.

(2) **Core Program Requirements:** (See Arts Chart 1.)

The Core Requirements (★42) are designed to give the foundations of a Liberal Arts education, and students are strongly advised to complete the Core in the first two years of their program.

**Note:** Courses used to meet one core requirement cannot be used to meet another core requirement. However, courses used to satisfy a core requirement may be used to satisfy the Canadian Content requirement (if listed in Arts Chart 2). Senior-level courses in the area of major or minor which meet a core requirement will also be counted toward the major or minor requirements.

(3) Canadian Content Courses: (See Arts Chart 2.)

Canadian Content Courses: Courses used to meet the Canadian Content requirement may also be used to satisfy a core requirement. Senior-level courses in the area of the major or minor that are used to satisfy the Canadian Content requirement will also be counted toward the major or minor. (See full course descriptions in §201, Course Listings.)

(4) Major: Students must have a major consisting of a minimum of 30 to a maximum of 48 at the senior level (i.e., additional courses in the subject of concentration may not be taken as options). At least 12 must be at the 400-level; some departments may require more than 12 at the 400-level.

Senior-level courses in the major subject taken as part of the core program requirements or to satisfy the Canadian Content requirement must also count toward the major.

Students must declare their major to the Student Programs Office following the accumulation of the 60th unit of course weight of their BA program.

See below for the special conditions applying to Language Majors taking two languages other than English in the same department.

The Faculty of Arts will accept courses and/or subjects listed in the chart (§42.1) as a major.

Approved subject combinations are found in the department listings in §43, and advice is available from respective department advisors.

(5) Minor: Students are required to have a minor consisting of a minimum of 12 to a maximum of 42 at the senior level in an approved subject outside the major. At least 6 must be at the 300- or 400-level as specified by the department; some departments require 400-level courses.

The maximum units of course weight may not be exceeded (i.e., additional courses in the minor may not be taken as options). Senior-level courses in the minor, taken as part of the core program requirements or to satisfy the Canadian Content requirement, must also be counted toward the minor.

The Faculty of Arts will accept courses and/or subjects listed in the chart in §42.1 as a minor.

In addition to the Arts disciplines noted in §42.1, students may also select as their minor an area or discipline from the Faculty of Science, as follows. Students must meet the minor requirements of the Faculty of Science (see §163.1(3)(3)) as well as those of the Faculty of Arts; therefore, the requirements are a minimum of 24 to a maximum of 36 in the minor subject(s), with no more than 12 at the junior level and at least 6 at the 300- or 400-level. A Science minor may consist of Science courses taken from a single department or of courses within an area of concentration.

Departments (courses from a single department)
- Biological Sciences
- Chemistry
- Earth and Atmospheric Sciences
- Physics

Areas of Concentration (courses from those listed for the area)
- Biological Sciences
- Biochemistry
- Genetics
- Pharmacology
- Biology
- Microbiology
- Physiology
- Botany
- Palaeontology
- Zoology
- Entomology
- Physical Sciences
- Astronomy
- Chemistry
- Mathematical Physics
- Biochemistry
- Geophysics
- Physics
- Mathematical Sciences
- Applied Probability
- Mathematics
- Statistics
- Computing Science
- Earth Sciences
- Geophysics
- Palaeontology

Students with a major in the Department of Earth and Atmospheric Sciences are not permitted to complete a minor in the same department as their major.

(6) Cross-Listed Courses: Courses listed in more than one program are known as cross-listed courses.

The use of cross-listed courses is especially common in interdisciplinary programs (Canadian Studies; East Asian Studies; Film and Media Studies; Globalization; Middle Eastern and African Studies; Native Studies; Society, Science and Technology; Women’s Studies) which use courses from a number of departments. It also implies that a cross-listed course taken in a particular department may be applied either to a major or minor in the discipline of that department or toward a major or minor in an interdisciplinary program. However, certain restrictions apply when a major or minor in a departmental discipline is combined with an interdisciplinary major or minor. When this occurs, the cross-listed courses will be applied to the departmental discipline, and students will be required to select another course toward their interdisciplinary subject. For example, a student with a major in Political Science and a minor in Canadian Studies is not permitted to apply Political Science courses to the Canadian Studies minor. Similarly, a student with a major in Women’s Studies and a minor in History is not permitted to apply courses in History to the major in Women’s Studies.

For further details on cross-listed courses, see the entries for interdisciplinary programs §43.1 to 43.29.

(7) Junior Courses: No more than 18 at the junior level are permitted for credit to the program. Students should complete 30 at the junior level before registering in senior-level courses.

(8) Double Majors in Languages Other Than English: Double majors are not generally offered in the BA program. The only exceptions are specified languages other than English in which students may select two related languages which can be combined as their major subject; a valid minor subject is still required. The following double language majors are offered: Greek and Latin, Chinese and Japanese, German and Scandinavian, French and Italian, French and Spanish, Italian and Spanish, Russian and Polish, Russian and Ukrainian, Ukrainian and Polish. The following conditions apply:

a. Students selecting a double language major should take two languages other than English in the first year, deferring another Core Requirement other than ENGL 101 to do so.

b. Students majoring in two languages other than English must take a minimum of 12 at the senior level in each language and normally must include a minimum of 3 in each language at the 400-level. In all other respects, the requirements for a major in §42.3(4) apply.

(9) Non-Arts or Non-Science Options: A maximum of 18 may be taken outside the Faculties of Arts and Science as long as the courses do not duplicate courses already offered by these two Faculties (see §42.2(2)). Courses offered by the School of Native Studies will be counted as Arts courses (see §42.2(2) and 43.19).

(10) Interdisciplinary (INT D) Courses: Unless otherwise indicated in the course description, an INT D course may be applied toward either the major or the minor if it appears under the department’s course listings in §201.

Note: Normally, a maximum of 3 at the 400-level in INT D may be applied toward the minor requirement, unless otherwise specified by the Department.

Academic Performance

(1) Academic Performance for Graduation: Students must present credit (with a minimum grade of 4.0 or equivalent) in 120, which satisfy program requirements; present a graduation average of at least 5.0; and present Satisfactory Standing. The graduation average is the quotient of (a) the total number of grade points earned by students in courses credited to the degree, and (b) the total weight of those courses. (Also refer to Academic Standing regulations described in §44.6.) In the case of students who attempted, as part of their program, courses at an institution for which the grades are not precisely equivalent to those of this university, the degree is awarded at the discretion of the Faculty.

(2) Degrees With Distinction: Degrees With Distinction shall be awarded to students who achieve an average of at least 7.5 or better on the last 60 of their programs completed at the University of Alberta, including failed courses but excluding any courses not credited to the degree.

42.4 BA (Criminology)

Admission Requirements: See §15.2.3.

Program Focus: This quota program, based in the Department of Sociology, coordinates several disciplines to provide a more thorough analysis of the causes of criminal behavior and the variety of social responses to such conduct. It is a program of 120, with Sociology as the principal subject of concentration. The second subject of concentration is composed of a combination of approved courses from the Departments of Anthropology, Economics, Educational Psychology, History, Native Studies, Philosophy, Political Science, and Psychology. The program is for students with career interests in the criminal justice system and includes two field placements for supervised work experience.
Registration

(1) Criminology students are required to consult the Program Director to review proposed coursework before registration for each academic year and in advance of any changes to approved registration.

(2) Students initially admitted into the BA program or transferring from other faculties or other postsecondary institutions effective Fall/Winter 1988 must successfully complete the **42** core program of the BA program as part of the **120** requirement for the BA (Criminology) program.

(3) Normally, students are expected to enrol full time (**30** per year), although exceptions may be considered by the Program Director.

(4) Students must obtain permission of the Director in advance if they wish to interrupt their program but retain their status in the BA (Criminology) program.

Curriculum

(1) Students seeking admission to Criminology should include ENGL 101, SOC 100, PSYCO 104 and 105, and a language other than English in the first year of their postsecondary program.

(2) **Subjects of concentration**: The principal subject is Sociology in which a minimum of **30** is required; a maximum of **48** is permitted. The following Sociology courses must be included in the program: 100 or 103, 225, 327, 399, 499; any of the three of the following: 321, 420, 421, 422, 423, 424, 425, 426, 428, 429. The second subject is compulsory to a multidisciplinary combination of courses and requires a minimum of **27** to a maximum of **39**. No more than **18** from any second subject department is allowed. The following courses must be included in the program: ENDP 442; PSYCO 104 and 105; 2 courses of the following: PSYCO 223, 233, 281, 339, 438; any of four of the following: ANTHR 250; ECON 350, 378; HIST 364, 372; INT D 394; NS 210, 211; PHIL 316, 382, 473; POL S 222, 328, 410, 425, 426, 429, 451.

(3) Other coursework required to reach **120** is made up of options and non-Arts and Science options.

(4) The final two years of the program must include the successful completion of SOC 399 and 499. These courses are required as part of the principal subject of concentration and will involve supervised work experience. Students must obtain a minimum grade of 6.0 in each component of SOC 399 and 499 or repeat the entire course.

Students should be aware that under the Alberta Protection of Persons in Care Act they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

Promotion

To be promoted in each academic year, students must have

(1) maintained a full-course load of **30** unless advance permission was granted for a reduced course load;

(2) attained a minimum grade point average of 6.0;

(3) attained a minimum grade of 6.0 in SOC 399 and 499 as required during the final two years of the program; and

(4) been recommended by the Department of Sociology.

Non-Promotion

(1) Failure to be promoted for academic reasons is cause for removal from the program.

(2) Affected students may transfer to another program in the Faculty if they meet admission requirements of such a program. All other requirements for the new program must be completed after transferring.

Academic Performance

(1) Academic Performance for Graduation: To qualify for a BA (Criminology), students must have completed all program requirements, achieved a minimum GPA of 6.0 in each academic year of the program, and be recommended by the Department of Sociology.

(2) Degrees With Distinction: See §42.3.

42.5 BA (Honors)

This degree provides specialization in the chosen subject(s), with study in greater depth than is provided in the BA program, and demands a higher standard of performance. Also see §43 for Major and Minor Requirements.

Residence Requirement: The BA Honors degree is a program which normally requires a minimum of **120** (some departments may require more) of which

(1) a minimum of **66** must be in courses offered by the Faculty of Arts;

(2) a minimum of **60** must be in courses taken at the University of Alberta;

(3) a minimum of **30** must be completed while registered in the honors degree program.

Course Load Requirements: Honors programs will usually be completed in four consecutive years of study during Fall/Winter. Students in an Honors program are normally required to complete a minimum of **30** each Fall/Winter. However, with the prior approval of the Honors Advisor, a reduced course load may be permitted in extenuating circumstances if a minimum course load of at least **9** per term in each Fall/Winter is completed, unless otherwise noted in §§43.1 to 43.29. Advisors must notify the Faculty Office in all such cases. Requests to be permitted to continue in Honors while completing a course load of less than **9** per term in Fall/Winter may be considered by the Honors Executive Committee in exceptional circumstances; however, students will not normally be permitted to continue in an Honors program if less than **9** per term in Fall/Winter are completed. All degree requirements must normally be completed within five academic years of commencing the program.

Program Requirements

The BA Honors degree requires the successful completion of **120** (or more if specified by the department). In each year, Honors students’ programs, and every change of registration, must be approved by the Departmental Advisor signifying the approval of the Department.

(1) **Common Requirements of All Honors Programs**

English 101 or equivalent; **6** in a language other than English; **3** chosen from the Humanities; **3** chosen from the Social Sciences; **3** chosen from the Fine Arts; a further **3** chosen from the Humanities, Social Sciences, or Fine Arts; **6** in Natural Science or Formal Studies; **6** from the approved list of Canadian Content courses for the BA degree.

a. Courses chosen to meet these requirements should be selected from the core requirements lists for the BA degree (see Arts Charts 1 and 2).

b. The Humanities requirement is not satisfied by English 101 or the language other than English, but may be satisfied by subsequent courses in these areas.

c. Courses in the “Social Context of Science and Technology” are not applicable toward the Natural Science or Formal Studies requirement noted above.

(2) **Junior Courses**: No more than **48** at the junior level are permitted for credit in the program.

(3) **Non-Arts or Non-Science Courses**: A maximum of **18** in non-Arts or non-Science courses may be taken outside the Faculties of Arts or Science, as long as the courses do not duplicate courses already offered by these two Faculties.

(4) **Requirements in the Major Subject**: An Honors program in a single discipline will normally require a minimum of **48** in the major subject, as defined by the Department. A minimum of **36** must be at the 400-level; however, some departments may require more. Normally, no more than **60** may be presented in the major subject unless otherwise specified by the Department. Where a maximum has been specified, it may not be exceeded (i.e., additional courses in the subject of concentration may not be taken as options).

(5) **Requirements in Combined Honors**: For Combined Honors programs, the minimum number of courses in each subject of concentration will be decided through consultation with the Departments concerned in planning the total program; however, a minimum of **36** at the junior and senior level in each discipline will be required in all Combined Honors programs. At least **30** in each discipline must be at the senior level. More than this may be required in some disciplines to meet specific program requirements. For further information on the requirements of a particular program, see the appropriate Department Calendar statement in §43.

Students should be aware that a Combined Honors program may not qualify them for direct admission to a graduate program in one of the disciplines. Further coursework in one of the disciplines may be required for Graduate Studies.

(6) **Minor Subject**: Most Honors programs do not have a minor subject requirement; however, where a minor subject or related subjects are required, these will be specified in the individual department requirements
in §§43.1 to 43.29. Those programs which do not require a minor normally do permit some options.

(7) Honors Essay: Some departments require the completion of an Honors Essay in addition to specific course requirements. In the case of Combined Honors programs, students may be required to complete an Honors Essay in one or both disciplines, depending on specific departmental requirements. Where both departments require an Honors Essay, students will complete one for each department or may, on special request, be permitted to write a Combined Essay INT D 520 which will meet the requirements of both departments. Students should refer to the specific department entries in §43 to determine which departments offer combined honors programs and require an Honors Essay. Where a Combined Essay is permitted, this will be noted in the Department Calendar entry, and in such cases the following conditions will apply:

a. A combined essay is applicable only to students in combined honors programs.

b. It is applicable only when both departments require an essay and only when both departments agree to a combined essay.

c. The combined essay INT D 520 will meet the essay requirements of both departments.

d. The combined essay will be supervised by, and graded jointly by, the cooperating departments; a single final grade will be submitted.

e. The essay will address the subject matter in both departments equally and in a way that emphasizes the interaction between the two disciplines.

(8) Cooperative Work Option Within Honors Programs: Cooperative education is based on the principle that, for some students, periods of appropriate employment outside the University, when integrated with their academic studies, enhance the benefits students obtain from their academic programs. The work should be of a type that students can reasonably hope to obtain after they graduate, or be suitably related to the content of their academic programs. Cooperative work experience will be wholly additional to and not a substitute for academic courses; it is a valuable enrichment for some students but is not an alternative to normal course work. Accordingly, the existing requirement for ★120 will be maintained, with a no-credit course number for the evaluation of a report or project resulting from the work experience. Students should be aware that under the Alberta Protection of Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

a. Admission Requirements: See §15.2.

b. Program Selection: Two forms of cooperative work are available:

1) Full-time employment for not less than three months and not more than one year. Such periods, integrated into the normal academic program, are “work terms.”

2) Part-time employment equivalent in working hours to no less than ★3: such employment is a “work assignment.”

Regulation: Work terms and work assignments must be approved in advance by the Department concerned and the Dean’s office. Retroactive approval will not be granted.

d. Withdrawal: Students may withdraw from a cooperative program on completion of a work term or work assignment, or at any time during a normal academic term, and may continue in the academic Honors program of their department without penalty if the requirements of these programs have been met. Further information may be obtained from departments offering such programs.

Promotion and Graduation

(1) Promotion Requirements: Promotion from year to year and successful completion of the final year in Honors requires a minimum grade point average of 6.5 on all courses taken during the Fall/Winter or Spring/Summer and the recommendation of the department concerned whose required grade point average for promotion may exceed the Faculty minimum. Where an individual department’s requirements vary from the Faculty minimum, this will be specified in each individual department entry in §43.

(2) Graduation Requirements: In most departments, graduation with Honors requires a graduation average of at least 6.5 with an average of at least 7.0 in all courses in the major subject; however, individual Department recommendations for graduation with Honors may exceed these minimum Faculty requirements. Where an individual department’s requirements vary from the Faculty minimum, this will be specified in each individual department entry in §43. To be eligible to graduate, students must also meet the final year promotion requirements as specified in point (1) above. The graduation average is the quotient of (a) the total number of grade points earned by students in courses credited to the degree, and (b) the total weight of those courses.

(3) Graduation with First-Class Honors: Departments shall choose one of the following options as their policy for determining First-Class Honors:

a. A minimum average of 8.0 on all senior-level courses in the major, and an average of at least 7.5 on all courses in the final year. The final year shall be defined as the last ★30.

b. A minimum average of 8.0 on all courses in the two final years in the major and an average of at least 7.5 in all courses in the two final years. The two final years shall be defined as the last ★60. Refer to Departmental entries §§43.1 to 43.29.

(4) Students who fail to attain the standard necessary to continue in Honors will be required to withdraw from Honors but may transfer to another program in the Faculty if they meet the requirements for that program. After such transfer, they must complete all requirements.

(5) Students who are not recommended for graduation with Honors at the end of their fourth year (i.e., after successfully completing ★120) may be granted the BA degree if they have successfully completed ★120 which include ENGL 101; ★6 from each of the core areas for the BA; the Canadian Content coordinate requirement, and the required minor subject for the BA (see §42.3). In no case shall more than ★60 in the major subject be counted as part of the required ★120. Students deficient in any respect may be required to take one or more courses.

The Department of Music and the Faculty of Education offer a five-year integrated program of ★162 leading to the degrees of Bachelor of Music and Bachelor of Education.

Program Requirements

(1) Music: Applied Music ★54; Music History ★12; Music Theory ★18; Music Option ★3.

(2) Education: ★45 in core Education courses that are required for teaching certification.

(3) Minor: ★18 in a Minor teaching subject, in accordance with the requirements outlined in Education Chart 3.

(4) Other: ★6 in English and ★6 in a language other than English.

(5) Piano Proficiency Examination: Students entering the BMus/BEd Combined Degree program who are not electing a keyboard instrument as a first practical subject will be asked to take a keyboard proficiency examination covering basic technical material and sight-reading (approximately Grade IV Western Board). Students who choose not to take the examination or are unable to pass the examination can satisfy this requirement by successfully completing MUSIC 129 in the first year. The keyboard proficiency requirement must be met by the beginning of the second year of the program.

This degree consists of ★162 overall. The first three years (★99) are taken in the Faculty of Arts and the last two years (★63) are taken in the Faculty of Education (see §65.7).

Promotion in the BMus/BEd Combined Degree Program

(1) To be eligible to continue in the program, students will normally be required to have a minimum cumulative grade point average of 5.5. The cumulative grade point average will be calculated on all courses taken in the program.

(2) Successful completion of the program requirements includes a cumulative grade point average of 5.5 on all courses completed in the program.

(3) Students are required to complete at least ★33 during each Fall/Winter in every year except Year 4 where ★30 is required. A reduced course load to ★24 requires only the approval of the Department of Music; a course load of less than ★24 requires the approval of both Faculties and is based on a recommendation from the Department of Music.

(4) Students who fail to meet the requirements for promotion are required to withdraw from the BMus/BEd Combined Degree program. Such students may transfer to another program in the Faculty of Arts, the Faculty of Education or another Faculty, if entrance and promotion requirements for such a program are met. After transfer, all requirements for the new program must be met.

(5) Students who fail to meet the fifth-year requirements in the program are permitted to fulfill those requirements only with the approval of the Faculty of Arts and the Faculty of Education upon the recommendation of the Department of Music. Otherwise, students must withdraw from the program, and, if so desired, transfer to another program in the Faculty of Arts or Education for which they are able to meet entrance and promotion requirements.

(6) The BMus/BEd Combined Degree program may be interrupted only with the prior consent of the Department of Music, the Faculty of Arts, and the Faculty of Education. Reassignment and continuation will be subject to any conditions, including reauditioning and new program requirements, that may be specified by the Department of Music, the Faculty of Arts, and the Faculty of Education.

(7) All qualified Year 3 BMus/BEd Combined Degree students will be promoted to Year 4 in the Faculty of Education provided that:

a. a minimum AGPA of 5.5 has been achieved, and

b. a minimum of ★99 applicable to this program has been successfully completed.

Students in Year 3 must submit an Application for Readmission On-Campus Transfer form to the Faculty of Education by March 1.

Note: Students in Year 3 who have completed less than ★99 toward the BMus/BEd Combined Degree but have achieved an AGPA of at least 5.5 may select one of two alternatives:

(1) remain in Year 3 of this program in the Faculty of Arts for one additional year;

(2) apply to enter one of the other Bachelor Music routes.

(8) A student who has been assigned a grade of “W” or “F” in an Education Field Experience course is entitled to a second registration in this course. See also §22.1.3 Reregistration in Courses. Notwithstanding §22.1.3, if a student receives a “W” or “F” in the second attempt of a Field Experience course, he/she will be required to withdraw from the Combined Degree program.

Residence Requirements

(1) Students proceeding toward the BMus/BEd Combined Degree program must normally have credit in at least ★96 offered by the University of Alberta.

(2) Students who take part of their final ★60 at another postsecondary institution must seek the approval of the Department of Music, the Faculty of Arts, and the Faculty of Education.

Graduation Requirements

(1) To qualify for the Bachelor of Music/Bachelor of Education Combined Degree, students must successfully complete relevant curriculum requirements, meet the promotion, final year and residence requirements, and receive the recommendation of the Department of Music, the Faculty of Arts, and the Faculty of Education.

(2) Degrees With Distinction shall be awarded to students who achieve a grade point average of 7.5 or more, both on all of the units of course weight credited to the program and on all of the units of course weight in Music. In the case that transfer or other students have attempted, as part of their program, courses at another institution, the Degree "With Distinction" will be awarded at the discretion of the Faculties.

42.11 After Degree Programs

42.11.1 BA After Another Undergraduate Degree (other than Bachelor of Arts)

Applicants having a first undergraduate degree other than a Bachelor of Arts may be admitted to the BA After Degree programs. All requirements for the degree must be met (see §42.3). The total number of required units of course weight in the After Degree program will vary depending on the degree held and the BA program sought; however, a minimum of ★60 will always be required. In some cases, more than ★60 may be required depending on the number and applicability of Arts and Science courses completed as part of the first degree.
(2) Courses outside the Faculties of Arts or Science are not normally permitted in a BA Honors after a previous degree.

(3) The major subject of concentration may be the same as in the first degree if it is an Arts subject. Where a department has indicated a maximum total units of course weight permitted in the major, courses in that subject taken as part of the first degree will be included. However, depending on the remaining program requirements, not all courses in the major subject will necessarily be recognized from the previous program if doing so will exceed the maximum.

(4) Students applying to a third undergraduate degree will receive no reduction in the course weight requirements.

(5) The course requirements in an After Degree program are subject to the approval of the Associate Dean (Student Programs).

42.11.3 BFA, BDesign, or BMus After Another Undergraduate Degree

Applicants having a first undergraduate degree may be admitted to the BFA, BDesign, or BMus After Degree programs. All requirements for the degree, as detailed in §§42.6, 42.7, 42.8 or 42.9, must be met. The total number of units of course weight in the After Degree program will vary depending on the previous degree held and the After Degree sought. The total required number of units of course weight in a BFA (Drama–Acting) program will normally be ★98, but in no case will less than ★72 be required. The required number of units of course weight in a BFA (Drama–Design) program will normally be ★103, but in no case will less than ★82 be required. The required number of units of course weight in a BMus After Degree program will normally consist of either ★99 in the General or School Music routes, or ★96 in the Performance Music route, but in no case will last less than ★72 be required.

Notes
(1) Any deficiency in a matriculation requirement or a prerequisite to a program requirement must be cleared before admission to the degree program.
42.12 Cooperative Education (Work Experience) Program

Interested students should contact their Department Office to determine if the department is participating in this program. For those Departments that are participating, students may consult the Department Coordinator, Cooperative Education (Work Experience) for further information on the program including admission requirements. In participating Departments, the Cooperative Education (Work Experience) Program provides students who have completed their third year of study in the Faculty of Arts an opportunity to apply for an extended, paid work experience. The program lasts for 12 to 16 months, and after completing the reporting requirements, a student can receive university credit for the experience. Academic requirements to be met by students wishing to participate may vary by Department but a minimum Faculty Grade Point Average of at least 5.5 is always required. Possession of the minimum FGPA requirement may not be sufficient to qualify for participation. Additional requirements (i.e., an interview) may also be required at the discretion of the participating Department.

Students should be aware that under the Alberta Protection of Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

A student must successfully completed WKEXP 801, 802, and 803 and the final year of their academic program to graduate with the Cooperative Education (Work Experience) Program designation. Students are not permitted to register for any academic courses during the period of work experience, but are considered to be full-time students at the University of Alberta for the periods in which they are enrolled in WKEXP courses.

Student participation in the program is voluntary; however, it is not possible to guarantee that all students wishing to participate are able to do so, as participation is dependent on the availability of suitable work placements. Participating Departments will make every effort to assist in finding suitable employment for those students wishing to take part in the program, but ultimately the responsibility for obtaining suitable employment rests with the student who wishes to participate.

Students choosing to participate should also be aware that participation in the program may result in difficulties in selecting courses for their program, as participating Departments may not have the flexibility to offer desired courses or terms suitable to all students. If particular courses or terms are required or strongly desired, students must plan work terms around the availability of such courses.

Following is the normal sequence of required courses in the Cooperative Education Program:

With special permission, a Combined Honors Essay may also be allowed in lieu of ART H 416 (see §42.5(7)). Consult the Honors Advisor for further information.**
3. **3 at the 400- or 500-level in Art History.**
4. **A further *9 in Art History, including a maximum of *6 at the junior level.**

**Promotion and Graduation Requirements**

In a combined Honors program, students must meet the promotion and graduation standards of each discipline. The requirements in Art History are outlined in §43.2.1.

### 43.2.3 Major and Minor in Art and Design

**Degree of BA**

The Department of Art and Design offers areas of concentration in the studio disciplines (Painting, Printmaking, Sculpture, Industrial Design, Visual Communication Design) as well as in the History of Art and Design. The program allows for concentration in any of these areas, as well as for different combinations of them. For information relating to courses in Art and Design, consult §201. The Department of Art and Design also offers a BDesign (*42.6), a BFA degree (*42.7) and a BA Honors in Art History (*43.2.1), in addition to graduate programs.

See §42.3.

A major in Art and Design requires a minimum of *30 to a maximum of *48 at the senior level, of which at least *6 must be at the 400-level.

A minor in Art and Design requires a minimum of *12 to a maximum of *42 at the senior level, of which at least *6 must be at the 300- or 400-level.

Students wishing to major in Art and Design should contact the Department Student Advisor. Those wishing to concentrate in Studio should take ART 131 in the first year as the Fine Arts core requirement to have access to senior courses in Year 2.

For the degree of BFA in Art and Design, see §42.7.

For the degree of BDes, see §42.6.

### 43.3 Canadian Studies

Students seeking credit in CANST 386, or in any CANST courses at the 400-level or above, should consult the Canadian Studies Advisor before registering.

#### 43.3.1 Honors in Canadian Studies

Students planning to apply for admission should consult §15.2.2 for admission requirements.

See §42.5 for Faculty regulations concerning the Honors program.

The BA Honors in Canadian Studies can be designed around a single disciplinary specialization, or a specialization in two disciplines, or a multidisciplinary topical specialization (e.g., Alberta studies, northern studies).

Specialization in a single discipline, especially History, Political Science, English, French, or French-Canadian, permits a Combined Honors degree in that discipline and Canadian Studies; this pattern should be elected in the first year.

Honors in Canadian Studies requires a minimum of *34 at the senior level in CANST courses, including at least *6 at the 400-level. Required courses are

a. CANST 100 (*3), 353 (*3), 354 (*3), 450 (0.5);

b. *3 at the senior level in Canadian History (HIST);

c. *6 at the senior level in Canadian History (HIST);

d. *3 at the senior level in Canadian Literature (selected from courses in English (ENGL), French or French-Canadian (FREN or FR CA), or Comparative Literature (C LIT));

e. *6 at the 400-level in unspecified CANST or Canadian Content courses;

Language Requirement: Students are encouraged to take French or an Aboriginal language.

Notes

(1) See §42.3(6) for regulations applicable to cross-listed courses. Cross-listed courses may not overlap the student’s minor subject. Where the courses in the minor appear on the list of Canadian Content courses, these courses may not be applied to the major in Canadian Studies; they will be applied only to the minor, and courses from other disciplines on the Canadian Content list must be selected to fulfill the requirements in the major.

(2) If the minor selected overlaps requirements noted in points (2) b. c or d. the requirement must be met; however, the course(s) selected will count only toward the minor, and the student will be permitted to substitute an additional *6 in CANST or Canadian Content courses in lieu of that requirement for the major to fulfill the minimum *30 requirement for the major.

(3) A minor in Canadian Studies requires a minimum of *18 at a maximum of *42 at the senior level in CANST courses. Required are

a. CANST 100 (*3) (or an approved equivalent);

b. *6 in CANST at the 200-level;

c. *6 in CANST at the 300- or 400-level;

d. *6 at the senior level in unspecified CANST courses.

43.6 Drama

43.6.1 Honors in Drama

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements.

See §42.5 for Faculty regulations concerning the Honors program.

The Honors program offers the exceptional student an opportunity for intensive study in Drama. Because the performed play is the object of exploration, knowledge of dramatic literature, theatre and aesthetics is as essential as familiarity with the creative process of theatre art. The program is therefore flexible enough to embrace both components. Students are encouraged to participate in departmental productions.

Honors in Drama requires a minimum of ★6, maximum of ★70 in Drama (at the junior and senior levels) including DRAMA 102/150, 353, 379, 508 and 509; and the following Honors core courses: DRAMA 304, 408, 409, and 505 (Tutorial and Essay) which, under the supervision of a full-time Faculty member of the Department, will start in the spring of the third year and continue through the fourth. The Honors seminars DRAMA 405 and 503 are required in addition to normal course requirements. The Honors program in Drama does not have a minor requirement. Due to the nature of the Honors in Drama program, a combined honors program in Drama is not normally offered.

Note: The following courses have been approved for cross-listing as applicable to the Honors program in Drama (see §42.3(6)): JAPAN 416, SCAND 353, and SCAND 354.

Promotion Requirements
Promotion from year to year requires a minimum GPA of 6.5 with a grade of 7.0 or better in the Honors core Drama courses and the Honors seminars.

Graduation Requirements
Graduation with Honors in Drama requires a graduation average of at least 6.5 with an average of at least 7.0 in all Drama courses. Graduation with First Class Honors requires a minimum average of at least 8.0 on all Drama courses in the last two years and an average of 7.5 or better on all courses in the two final years (last ★60).

43.6.2 Major and Minor in Drama

Degree of BA
See §42.3.

Drama as a Major
The minimum Faculty requirement for a major concentration is ★6 at the 400-level. However, students wishing to concentrate in Drama are required to complete an additional ★6 at the 400-level to fulfill the departmental requirement.

A major in Drama requires DRAMA 102 and 150 as foundation courses which should be taken in the first year and which fulfill the requirements for a Fine Arts Core Requirement. At the senior level, the Department requires a minimum of ★30 and a maximum of ★48 (at least ★12 of which must be at the 400-level or above). The program requires core courses in Theatre History (DRAMA 304), Acting (DRAMA 353), and Production (DRAMA 379). All these courses (★12) should be taken in the second year, with completion of BA core requirements in the third year. Further courses are available in acting, design, directing, improvisation, oral communication, playwriting, technical theatre, theatre history, and youth drama. Students may select Drama options to obtain broad exposure to theatre, or may focus on specific areas of interest.

The sequential nature of the BA (Drama) program requires careful planning of third- and fourth-year choices. As students must obtain prior consent from the Department of Drama each year to register in certain BA Drama courses, students should consult a BA Drama Advisor as early as possible to obtain assistance in selecting their courses.

Drama as a Minor
See §42.3(5).

A minor in Drama requires at least ★12 at the senior level, of which ★6 must be at the 400-level. Most 400-level Drama courses have specific prerequisites and need Departmental consent. Students interested in a minor in Drama should take DRAMA 102 and 149 as their Fine Arts Core Requirement and should obtain registration approval from the Department before registering in any Drama course.

Note: The following courses have been approved for cross-listing as applicable to a major or minor in Drama (see §42.3(6)): JAPAN 416, SCAND 353, and SCAND 354. If these courses are in the same subject area as the student’s other area of specialization, they will apply only to the requirements in that discipline, and other courses must be selected to meet the requirements in Drama.

For the degree of BFA in Drama, see §42.8.

43.7 East Asian Studies

43.7.1 Honors in East Asian Studies

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements.

Graduation Requirements
Graduation with Honors in East Asian Studies requires a graduation average of at least 6.5 with an average of at least 7.0 in all departmental courses. Graduation with First Class Honors requires an average of at least 8.0 on all departmental courses taken in the last two years and an average of 7.5 or better on all courses in the two final years (last ★60).

43.7.2 Combined Honors in East Asian Studies

Two Combined Honors programs are offered by the Department of East Asian Studies. The common requirements in these Combined Honors programs are the same as for other Honors programs (refer to §42.5).

In a Combined Honors program, students must meet the promotion and graduation standards of each Department. The requirements in East Asian Studies are outlined in §43.7.1.

43.7.3 Major and Minor in Chinese, Japanese, or East Asian Studies

Degree of BA

Students with a background in one of the languages should consult the Department before selecting courses. All prospective students are asked to contact the Department for information, advice, and program planning. Students intending to major in Chinese or Japanese should begin with the Department before selecting courses. All prospective students are asked to consult §42.3.

(1) See §42.3

(2) Major Requirements

a. A major in either Chinese or Japanese requires a minimum of 30 to a maximum of 68 at the senior level in the language chosen, which must include a minimum of 6 in Literature in translation, and a minimum of 6 at the 400-level in language.

Notes:

(1) For Chinese majors, CHINA 341 and 342 are required.

(2) Students majoring in Chinese or Japanese who also select East Asian Studies as a minor may not count any courses in the language toward the East Asian Studies minor; they will count only toward the major.

b. A combined major in Chinese and Japanese requires a minimum of 30 to a maximum of 68 at the senior level in the two languages combined, which must include a minimum of 12 at the senior level in each language; a minimum of 6 in Literature in translation; and a minimum of 6 at the 400-level, normally consisting of 3 at the 400-level in each language.

Notes:

Students who select a combined languages major, and also select East Asian Studies as a minor, may not count any courses in the languages toward the minor in East Asian Studies; they will be counted only toward the major.

c. A major in East Asian Studies requires a minimum of 36 to a maximum of 68 at the senior level in East Asian content cross-listed courses which must include the following:

Notes:

(1) The list of approved cross-listed East Asian Content courses is available from the Department of East Asian Studies.

(2) Cross-listed courses may not overlap the student’s minor subject. (See §42.3(6)). For example, if a minor of Political Science is selected, none of the cross-listed Political Science courses may be counted toward the East Asian Studies major; they will be counted only toward the minor in Political Science. 43.8 Economics

43.8.1 Honors in Economics

Students planning to apply for admission to the Honors program should consult §15.2.2 for admission requirements. See §42.5 for Faculty regulations concerning the Honors program.

Honors in Economics requires a minimum of 54 and a maximum of 60 in Economics (at the junior and senior levels). The Department offers two different routes or sets of course requirements to obtain Honors in Economics. One route includes advanced training in econometrics and mathematical economics and is appropriate for students contemplating continuing their studies in economics at the graduate level. The other also leads to a specialized degree in economics and requires completion of an honors essay; it is more appropriate for students with different career objectives or contemplating studies in related disciplines after graduation. Students should consult the Department advisor to determine which route to select. Requirements for the two alternatives follow:

Honors Route for Graduate Study in Economics

- ECON 101/102; MATH 113 (or 114 or 117); MATH 120 (or 127); ECON 281/282; STAT 141 and ECON 299 (or STAT 265/266); ECON 384/385; 386/387; 407/408; and 481/482. (ECON 407/408 and ECON 481/482 should be taken in Year 4).

Honors Essay Route

- ECON 101/102; MATH 113 (or 114 or 117); MATH 120 (or 127); ECON 281/282; STAT 141 and ECON 299 (or STAT 265/266); ECON 384/385; 386, 399, and 400 (Honors Essay); at least one of ECON 441, 482, 485 or 422; at least one of ECON 421, 431, 453, 455, 471, 472, or 481; and at least one of ECON 410, 412, 414, or 418.

This program does not have a minor.

Additional courses in mathematics (especially MATH 115 and 121), statistics, and computing science are recommended as options. ECON 401/402 are also highly recommended.

Promotion Requirements

Promotion from year to year requires a GPA of at least 6.5 with an average of at least 7.0 in all Economics courses.

Graduation Requirements

Graduation with Honors in Economics requires a graduation average of at least 6.5 with an average of at least 7.0 in all Economics courses. Graduation with First Class Honors requires an average of at least 8.0 on all senior level Economics courses and a GPA of 7.5 or better on all courses in the final year (last 30).

43.8.2 Combined Honors Programs

Students may also pursue a combined program in Economics and another discipline. The common requirements in a Combined Honors program are the same as for other Honors programs (see §42.5).

A Combined Honors program in Economics and another discipline requires a minimum of 36 (at the junior and senior levels) in Economics and a minimum of 36 in the other discipline. Requirements in Economics for all Combined Honors programs in Economics except Economics and Mathematics are the same as listed in §43.8.1.

Students in the Combined Honors program in Economics and Mathematics may not receive credit for ECON 386/387, and should select further mathematics courses from MATH 336, 372, 373, 417, 472, 486.

Each Combined Honors program must have the approval of the Department of Economics and the other discipline. Economics does not require an Honors Essay.

Promotion and Graduation Requirements

In a Combined Honors program, students must meet the promotion and graduation standards of each department. Requirements in Economics are outlined in §43.8.1.
43.8.3 Major and Minor in Economics

Degree of BA

See §42.3.

For students majoring in Economics, the following courses are required: ECON 101/102, MATH 113 or equivalent, STAT 141 or equivalent, ECON 299, ECON 281/282 and ECON 384/385, and either ECON 399 or ECON 407/408.

Notes

(1) To have the greatest possible flexibility in their choice of the 300- and 400-level courses required to complete a concentration in Economics, students should complete all the departmental requirements earlier rather than later in their programs. In particular, students should complete the ECON 101/102, MATH 113, STAT 141, ECON 299 and ECON 281/282 requirements as part of their first 160. Students are urged to take MATH 113 as soon as possible, preferably in their first year.

For students taking Economics as a minor, the following courses are required: ECON 101, 102, 281 and 308 at the 200-level or above, of which at least 6 must be at the 300-level or above. Also see §42.3(5).

If students majoring in Economics select Mathematics as their second subject, they should include MATH 113/115, MATH 120/121, and MATH 214/215 in their course selection. For advice on other courses at the 300- or 400-level, students may consult an advisor in the Department of Economics.

If students majoring in Economics select Statistics as their minor, they should include STAT 265/266 and one of STAT 361 and 377 in the courses they select. For advice on other courses at the 300- or 400-level, students may consult an advisor in the Department of Economics.

43.9 English

43.9.1 Honors in English

Students planning to enter the Honors program should consult §15.2.2 of the Calendar for admission requirements. The normal requirements of the program follow. Variations in the program (including directed reading courses) need the permission of the Undergraduate Programs Advisor.

See §42.5 for Faculty regulations concerning the Honors program.

In the second, third, and fourth years of the program a minimum of 36 at the 400-level, students may consult an advisor in the Department of Economics. If students majoring in Economics select Mathematics as their second subject, they should include MATH 113/115, MATH 120/121, and MATH 214/215 in their course selection. For advice on other courses at the 300- or 400-level, students may consult an advisor in the Department of Economics.

Promotion Requirements: Promotion from year to year requires a minimum of 36 at the 400-level, or an overall average of at least 7.5 in all English courses completed in the last 90 of the program. Graduation with First Class Honors requires a GPA of at least 8.0 in all senior level English courses, and an overall GPA of at least 7.5 on the last 90 completed.

43.9.2 Combined Honors in English

Students may pursue a Combined Honors program in English and another discipline. However, students should be aware that a Combined Honors program may not qualify them for admission to a graduate program in English.

The common requirements are the same as for other Honors programs (see §42.5).

A Combined Honors program in English and another discipline requires a minimum of 36 at the senior level in English and a minimum of 36 in the other discipline. English requirements follow:

(1) ENGL 216 (6). Note: ENGL 216 is not to be taken by students with credit in ENGL 520

2. POL S 499 Honors Essay, required in fourth year.
3. A 6 in Canadian politics, normally met with POL S 220. In special cases, an alternative course may be approved by the Department Advisor.
4. A 6 at the 400-level (in addition to POL S 499).
5. A minimum of 3 in each of the two following fields: comparative politics and international relations. Refer to the current “Political Science Course Guide” (available from the Department) for field designations for Political Science courses.

Also recommended is the third year Honors Seminar POL S 399. Students should also take a Social Science-oriented Statistics course because competence in statistical analysis/understanding is useful.

Note: Students should consult the Honors Advisor in choosing their courses.

Promotion Requirements

Promotion from year to year requires a GPA of at least 6.5 with an average of at least 7.0 in all Political Science courses in the Fall/Winter.

Graduation Requirements

Graduation with Honors in Political Science requires an average of at least 7.0 in all Political Science courses taken in the last two years and an average of at least 6.5 or better on all courses in the two final years (last 60). Graduation with First Class Honors requires an average of at least 8.0 on all Political Science courses taken in the last two years and an average of at least 7.5 or better on all courses in the two final years (last 60).

43.21.2 Combined Honors in Political Science

Students may pursue a Combined Honors program in Political Science and another discipline.

The common requirements in a Combined Honors program are the same as for other Honors programs (refer to 42.5).

43.22 Psychology

43.22.1 Honors in Psychology

Students planning to apply for admission to the Honors program should consult 43.22.2 for admission requirements. See 42.5 for Faculty regulations concerning the Honors program.

The Department offers courses leading to the degrees of BA and BSc with Honors in Psychology. Departmental requirements for the two degrees are identical. However, students wishing to emphasize the humanities and social sciences should enrol in the BA program; those wishing to emphasize the physical, biological, and mathematical sciences should enrol in the BSc program. Either program is appropriate for students considering postgraduate training in psychology or in other fields that require these research skills.

Although admission into the Honors Psychology program is permitted only in the second or third year, students are expected to take 6 during the Fall/Winter of each year of study, including the first and second years. Once admitted to the Honors program, exceptions to this requirement must have the prior written approval of the Department and the Faculty. The student’s program of courses must be approved in advance each year by the Honors Psychology Advisor.

A minimum of 48 (but no more than 60) must be taken in Psychology, including the following:

1. PSYCO 104 and 105 (6, normally taken in the first year)

A minimum of an additional 12 must be taken in one or more disciplines relevant to Psychology, e.g., Anthropology, Biology, Chemistry, Computing Science, Economics, Genetics, Linguistics, Mathematics, Neuroscience, Pharmacology, Philosophy, Physics, Physiology, Political Science, Sociology, Statistics and Applied Probability, and Zoology. These courses may not overlap those used to fulfil the Department’s Computing/Mathematics/Statistics, Natural Science, and Social Science requirements listed above.
Under the supervision of a faculty member in the Department, students undertake a year-long research apprenticeship (PSYCO 390) during the third year, and conduct research and write an empirical thesis (PSYCO 490) during the fourth year. Third-year students present their thesis research proposals, and fourth-year students present the results of their thesis research, at the annual Honors Psychology Conference in April.

Promotion Requirements

Promotion from year to year requires a GPA of at least 7.0 with an average of at least 7.0 in all Psychology courses in the Fall/Winter.

Graduation Requirements

Graduation with Honors in Psychology requires a graduation average of at least 7.0 with an average of at least 7.0 in all Psychology courses. The requirements in Psychology are the same as described above in §43.22.1, including the specified courses from other departments. Careful planning is required, and consulting the Honors Advisors in both departments is mandatory. The third-year research apprenticeship (PSYCO 390) is also required; however, with special permission, a Combined Honors Essay (INT D 520) may be substituted for the Honors Thesis (PSYCO 490). See §42.5(7) for further information.

Promotion and Graduation Requirements

In a Combined Honors program, students must meet the promotion and graduation standards of each Department. The requirements in Psychology are outlined in §43.22.1.

43.22.3 Major and Minor in Psychology

Degree of BA

See §42.3.

The Department of Psychology offers courses leading to BA and BSc degrees. Students who want to emphasize the humanities and social sciences in their programs should register for the BA and follow one of the sequences suggested in the Faculty of Arts section. Students wishing to emphasize the biological sciences should register for the BSc. However, to ensure a well-rounded background in psychological inquiry, students in the BA program must take Psychology courses from both the Faculties of Arts and Science.

Students selecting Psychology as a major are required to take the following:

(1) PSYCO 104 and 105
(2) STAT 151 (prerequisite Mathematics 30)
(3) ★6 from PSYCO 223, 233, 241, 258
(4) ★6 from PSYCO 267, 275, 281
(5) ★3 from CMPUT, MATH or STAT (not including STAT 151)
(6) ★6 at the 300- or 400-level must be from the courses offered by Arts
(7) ★6 at the 300- or 400-level must be from the courses offered by Science
(8) At least ★6 must be at the 400-level

Students selecting Psychology as a minor are required to take the following:

(1) PSYCO 104 and 105
(2) STAT 151 (prerequisite Mathematics 30)
(3) ★3 from PSYCO 223, 233, 241, 258
(4) ★3 from PSYCO 267, 275, 281
(5) ★3 of 300- or 400-level courses offered by Arts
(6) ★3 of 300- or 400-level courses offered by Science

Note: Because STAT 151 is a prerequisite or corequisite for several senior courses, it should be taken in Year 1 or 2.

43.22.4 Cooperative Education (Work Experience) Route

The Cooperative Education (Work Experience) Route gives students who have completed their third year of study in the Department of Psychology, and who present a Cumulative Grade Point Average of at least 5.5, an opportunity for extended, paid work experience. The program lasts for 12 or 16 months, and, after completing the reporting requirements, a student can receive university credit for the experience.

A student must successfully complete WKEXP 961, 962, 963 and PSYCO 411, and the final year of their academic program to graduate with the Cooperative Education (Work Experience) Route designation. Students are not permitted to register in any academic courses during the work experience, but are considered to be full-time students at the University of Alberta for the periods they are enrolled in WKEXP courses.

Students should be aware that under the Alberta Protection of Persons in Care Act, they can be required to satisfy a criminal records check before being allowed to serve a period of internship/practicum placement/work experience placement. Refer to §23.8.3.

Student participation in the program is voluntary; however, it is not possible to guarantee that all students wishing to participate are able to do so, as participation depends on the availability of suitable work placements. The Department will make every effort to assist in finding suitable employment for those students wishing to take part in the program, but ultimately the responsibility for obtaining suitable employment rests with students who wish to participate.

Students choosing to participate should also note that participation in the program may result in difficulties in selecting courses for their program, as the Department may not have the flexibility to offer desired courses in terms of availability to all students. If particular courses are required or strongly desired, students must plan work terms around the availability of such courses.

Following is the normal sequence of required courses in the cooperative education route:

44 Regulations for Students

Students should review the regulations of the Faculty of Arts in conjunction with the University Regulations and Information for Students §§11 to 27, inclusive.

44.1 Important Dates

(1) Admission to the Faculty of Arts

Refer to §12.6.

(2) Transfer to the Faculty of Arts from Another Faculty in the University

Refer to §12.6.

First-year students who registered in September in another faculty may not transfer for January admission, but may complete an Application for Readmission or On-Campus Transfer form to transfer to the Faculty of Arts for a subsequent Fall/Winter.

Other students transferring at mid-year (January) can be accepted only under special circumstances. Even though formal transfer cannot be approved, changes in program can sometimes be arranged to maximize transferable credits for later use.

(3) Course Add, Drop, Withdrawal Deadlines

Refer to §11.

(4) Application to Receive a Degree

Fall Convocation: September 1
Spring Convocation: February 1

(5) Other Important Deadlines

Refer to §11.

44.2 Admission and Transfer

The admission and transfer requirements of the Faculty of Arts are in §15.2 with additional general admission information in §§13 to 14.

(1) Preprofessional Programs: There are no preprofessional programs, as such, in the Faculty of Arts. Students admitted to a Faculty of Arts program who plan to transfer later to a professional program in another faculty must satisfy Faculty requirements while they are registered in this faculty. Students planning to transfer should consult the Calendar or Counsellors of the relevant faculty for advice concerning courses which satisfy the requirements of both programs.

(2) Residence Requirement: Students taking a ★120 program in the Faculty of Arts must have credit in at least ★60 offered by the University of Alberta. Students in a ★123 or ★126 program must have credit in at least ★60 offered by the University. Those in a ★129 or ★132 program must have credit in at least ★66 offered by the University of Alberta. Also refer to §23.2, and the specific program requirements in §42.

(3) Letter of Permission: Following initial admission, students are expected to complete all requirements at the University of Alberta. However, under academically justifiable special circumstances, students may apply to the Dean for permission to take courses at another institution for application to their program here if
   a. they are degree program students of the Faculty of Arts;
   b. they have already completed a minimum of ★24 of their program at the University of Alberta;
   c. they present “Satisfactory” academic standing (i.e., a FGPA of 5.0 or greater).

Approval will not, however, be granted for requests where the student has already received the maximum allowable transfer courses (★60). Requests to take a senior course in the student’s major subject of concentration will be considered only with the written approval of the Department advisor. There is no obligation to grant transfer credit unless
prior permission has been obtained. Qualified students should contact
the Student Programs Office, 6-7 Humanities Centre, to obtain
the necessary forms.

(4) Exchange Programs: For students already admitted to a degree
program in the Faculty of Arts who are participating in approved international
exchange programs, credit will be considered on a credit-fail (CR-F) basis
only. Therefore, grades achieved in such courses will not normally be
included in promotion or graduation average calculations unless the
students declare before participating in the exchange program that they
wish these grades to be included. Credit may be granted if a passing
grade is achieved.

### 44.3 Registration Information

Students register in all programs in the Faculty of Arts using the telephone
registration system. The Registration Procedures book distributed with this
Calendar contains instructions for using this system. Please note as well the
following:

- **(1) Check deadlines carefully as they are strictly enforced. See §11.2 and 22.1.**

- **(2) Student Responsibility:** Students are responsible for familiarizing
themselves with program requirements and limitations as specified in the
Calendar and for ensuring their programs are properly planned in
accordance with degree specifications. Please read the Calendar carefully
before registering in courses, and if you are in doubt about any
regulations pertaining to your program, consult the Student Programs
Office (6-7 Humanities Centre) for clarification.

- **(3) Course Load Requirement:** Normally, students in the Faculty of Arts take
a full course load of 15 per term during Fall/Winter and may take up to
16 per term in Spring/Summer. However, it should be noted that in the
BA program, there is no requirement that a full course load must be
taken; students in that program may elect to carry a reduced course load
without Faculty approval. Students in other Arts programs should consult
the relevant department entry in §42.4 through 42.11 as well as their
Department Advisor for advice on minimum course load requirements
for those programs. A student is considered to be a full-time student
when carrying a course load of 9 per term. Students are expected to
select an appropriate course load taking into consideration work, family
responsibilities, or other outside commitments, as well as regulations
pertaining to eligibility for University and Faculty Awards.

In exceptional circumstances, and following completion of the first
30, acceleration to the maximum of 18 per term during Fall/Winter and
9 per term during Spring/Summer may be permitted by the Faculty;
however, requests to accelerate are not granted to students who are not
in Satisfactory Academic Standing (see §4.4.6).

As well, students who are not in Satisfactory Academic Standing are
normally required by the Faculty to carry a reduced course load (i.e. less
than 15 per term) during the Fall/Winter and may be prohibited from
taking Spring/Summer courses until their academic performance improves
and satisfactory standing is attained.

Students who have outstanding Fall/Winter deferred examinations to
be written during the July deferred examination period (see §23.5.6(5))
are also normally not permitted to register in any Summer-Term courses.
The successful completion of the outstanding deferred examination(s)
must be the priority.

- **(4) Failure to “drop” a course:** Students who do not formally withdraw from
a course but who are absent from the final examination without excuse
(see §23.5.3) will be given a mark of zero (0) on the final examination.
The final grade in the course will then be determined by combining the
appropriately weighted term grade and the assigned zero in the final
examination, the mathematical result rounded to the lowest whole number.
Students who register in a course but do not attend and do not formally
withdraw will receive a grade of 1.0.

### Faculté Saint-Jean

Many Arts courses are also offered in French at Faculté Saint-Jean.
Faculté Saint-Jean allows students to pursue university studies in a French
environment. The University thus hopes to foster French culture in Alberta
and to allow more students to master the two official languages of Canada.
For further information, consult the Faculté Saint-Jean section of the Calendar
and Course Listings.

### 44.4 Advanced Placement

Students who do not hold credit in prerequisite courses, but who feel
they have sufficient knowledge, may be permitted registration in a senior-
level course on successful completion of a placement test. For further particulars, contact the department offering the senior-level course. These
tests are normally conducted for language courses. Also refer to §22.1.4 and
44.5(2)e.

### 44.5 Credit by Special Assessment

**Note:** See also §14.2.5.

Credit by Special Assessment permits students to receive degree credit
in specified courses without actually registering in and taking courses if the
student can demonstrate an acceptable level of mastery of the course content.

Students admitted to a degree program in the Faculty of Arts may receive
degree credit in a limited number of courses for knowledge or skill obtained
in a non-university context or by private study. “Non-university context” may
include work completed at institutions not accredited for degree purposes or
may refer to periods of work experience that bear relationship to university
courses. The following conditions apply:

- **(1) Basis of Application**
  a. Students may apply for Credit by Special Assessment on the basis of
knowledge gained in a “non-university context” following admission
to a degree program.
  b. Students may apply for Credit by Special Assessment on the basis of
knowledge gained in “private study” following the successful completion
of a minimum of 24 in their degree program.
(2) Limits
a. Departments are not required to offer Credit by Special Assessment in all courses. Courses which have a significant practical component, such as laboratory or studio work, or courses requiring substantial writing may not be eligible for Credit by Special Assessment.
b. A maximum of $12 may be obtained through Credit by Special Assessment, of which no more than $6 may be in language-other-than-English courses. In the case of language-other-than-English courses, only those numbered 150 or higher are open to Credit by Special Assessment. Where language-other-than-English courses at the 300- or 400-level (or higher) have already been completed, a student may not subsequently attempt by Special Assessment any courses at a lower (e.g., 200- or 300-) level.
c. Students may attempt Credit by Special Assessment only once in each course.
d. The number of attempts to obtain Credit by Special Assessment is restricted to a maximum of $12. Note: This limits the number of courses that may be challenged, regardless of results. Cancelled applications are considered an attempt to obtain credit and will be included in this maximum.
e. Students seeking credit in a prerequisite to a course in which they intend to register must complete the Credit by Special Assessment examination before the start of classes in the advanced course. Similarly, in cases where "advance placement" in a prerequisite course has been given, students may also seek Credit by Special Assessment in the prerequisite course, but must also complete the special assessment examination before the start of classes in the advanced course.
f. Graduate courses and Honors courses (i.e., those open only to Honors students and specified as such in the Calendar) cannot be attempted by Special Assessment.
g. Courses which have previously been audited, or in which the student has withdrawn, may not subsequently be attempted by Special Assessment.

(3) Deadline for Completion: The deadline for completion of the examination and assessment is one month from the date of approval of the application for Credit by Special Assessment. Students who fail to complete assessment requirements by the specified deadline will be considered to have cancelled their application.

(4) Grading
a. In a course attempted by special assessment, the results will be recorded, either as a numeric grade or pass/fail according to the practice in the regular course.
b. All grades obtained in attempts by special assessment, including failures, will be recorded on the transcript of the students concerned and will be computed into the student academic record (i.e., academic standing, promotion, and graduation requirements).
c. Students may not appeal the results in a course attempted by special assessment.

(5) Transfer of Credit by Special Assessment: Students who have obtained credits by special assessment (or similar means) while enrolled in another university, college, faculty, or school, will be given advance credit in such courses if the course is applicable within the requirements and limitations of the Arts program.

(6) Fee: A fee is required for each course in which credit by special assessment is sought, and must be paid before the department concerned undertakes the special assessment. Refer to $22.2 for fee information. Note: Amount of this fee is subject to change.

44.6 Academic Standing and Graduation

Academic Record
Students should be aware that their academic record (transcript) is continuing in nature, and that all matters relating to courses, grades, academic standing, academic warning, probation, etc., will permanently appear on the academic record.

(1) Academic Standing: For all programs in the Faculty of Arts except BA (Criminology), BDesign, BFA Art and Design, BFA Drama, BMusic, BMusic/BEd and BA Honors, academic standing is assessed on the basis of a Faculty grade point average (FGPA). For the above programs which do not use the Faculty grade point average as the basis for assessing academic standing, the academic standing, promotion and graduation regulations will be found in the program descriptions in §§42.4 to 42.11. Academic Standing for all students in Arts is assessed on the basis of the FGPA. Students are expected to maintain a 5.0 minimum FGPA. Students who do not maintain this level of academic performance may be permitted to continue under academic warning or may be required to withdraw.

The initial assessment and subsequent reassessment of academic standing is based on students' performance in a minimum of 9. If, at the time of review, students have attempted fewer than 9 since the last assessment of academic standing, the review is deferred and the academic standing assigned at the last review remains in effect until the next review.

An assessment of academic performance is conducted for each student at the end of the student's registration in a Fall/Winter period. This means, for example, that if a student is registered in the Fall (September to December) Term only in the Fall/Winter, the assessment of academic standing for that student will take place at the end of that term, providing at least 9 have been completed since the last assessment. As well, academic standing is assessed at the end of each student's program. In this circumstance, it will be assessed even if less than 9 have been taken since the last review.

(2) Terms Used in Assessing Academic Standing
a. Grade Point Average (GPA): A measure of academic performance. Rules for the computation of the GPA are listed in §§23.4(7).
b. Faculty Grade Point Average (FGPA): A cumulative measure of a student's weighted average obtained by dividing the total grade points earned by the total units of course weight attempted by the student while registered in the Faculty of Arts (in any degree program) since Spring 1989, using the computational rules found in §§23.4(7).

The GPA is printed on the University of Alberta transcript. Both averages, GPA and FGPA, are printed on the Statement of Results which are mailed to students at the end of each Fall/Winter.

c. Categories of Academic Standing: There are three categories of academic standing which are determined for each student based on the FGPA:
1) Satisfactory: FGPA of 5.0 and above.
2) Marginal Standing: FGPA between 4.5 and 4.9 inclusive.
3) Unsatisfactory Standing: FGPA of 4.4 and below.

(3) Assessment of Academic standing
a. Satisfactory Standing (FGPA 5.0 and above): Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty of Arts.
b. Marginal Standing (FGPA 4.5 to 4.9 inclusive): Students receiving the first assessment of marginal standing are permitted to continue, under academic warning, until the next assessment of academic standing in order to raise the FGPA to 5.0 or higher. At the time of the next assignment of academic standing, such students:
1) who raise their FGPA to at least 5.0 may continue their studies with satisfactory standing,
2) whose FGPA is less than 5.0, and whose average on the courses taken since the last review is less than 5.0 will be required to withdraw.
3) whose FGPA is less than 5.0 but who have, during the period since the last review, achieved an average of at least 5.0 on all courses attempted, will be permitted one further registration (under academic warning) in order to raise the FGPA to 5.0. If the FGPA is not raised to 5.0 at the next assessment, the student will be required to withdraw.

Note: Students under academic warning are only permitted to interrupt their programs with the prior, written permission from the Associate Dean, Student Programs. If students on academic warning interrupt their programs for more than 12 months without prior approval, readmission will normally not be granted unless the student meets the current readmission criteria.
c. Unsatisfactory Standing (FGPA 4.4 and below): Students receiving an unsatisfactory standing are required to withdraw from the Faculty of Arts. See §§44.7 for information on academic appeal regulations.

Students who are required to withdraw the Faculty at the end of Fall/Winter cannot register for the following Spring/Summer. Students who register for the Summer Term of Spring/Summer prior to the requirement to withdraw will have their registration cancelled without penalty. Those students who have already registered in Spring Term of Spring/Summer prior to receiving notification of the requirement
44.7 Appeals and Assistance

For students who have difficulties, the Faculty and the University have a number of policies to identify and resolve the issues. Copies of grade appeal and academic appeal procedures and regulations are available from the Student Programs Office, Faculty of Arts. The following advice is provided for students who have difficulties in the following areas:

(1) Academic skills development: Tutoring assistance in study skills, writing skills or mathematics proficiency is available. Contact the Academic Support Centre regarding Learning Resources, Effective Writing and Computer Resources Programs, see §25.1.7.

(2) Grade Evaluation in a particular course—appeals process: Appeals regarding students’ standing in a particular course must first be directed to the instructor concerned. Frequently, the issue can be resolved at this level. If not, the appeal must then be directed to the Chair of the Department offering the course. Final recourse is available to the Faculty of Arts Grade Appeal Committee which acts as the Faculty’s Academic Appeals Committee. If a final grade is in dispute, in whole or in part because of the grade for the final examination, the student must apply for a formal reappraisal of the exam. The deadlines to initiate a grade appeal with the instructor are February 1 for Fall courses, June 25 for Winter or two-term Fall/Winter courses, and within 30 calendar days after the publication (i.e., posting) of results in the Department for Spring/ Summer courses. Note: that these same deadlines apply for initiating a reappraisal of a final exam. In the event the issue is not resolved with the instructor or Chair, a formal Grade Appeal may be initiated with the Faculty provided the written appeal is received by the Associate Dean (Student Programs) no later than March 1 for a Fall course, July 25 for Winter or two-term Fall/Winter courses, and within 60 calendar days after the publication (i.e., posting) of results in the Department for Spring/ Summer courses.

If the above deadlines are not observed, no further recourse is available.

Copies of the complete grade appeal and academic appeal procedures and regulations are available from the Student Programs Office, Faculty of Arts.

(3) Reexamination: See §23.5.5 (reexaminations).

(4) Missed examinations: See §23.5.6 (deferred exams).

(5) Academic Standing or graduation eligibility—appeal process: Students who wish to appeal a ruling affecting their academic standing or graduation eligibility should direct their appeal in the first instance to the Associate Dean for Student Programs. Recourse is then available to the Faculty of Arts Academic Appeals Committee and the General Faculties Council Academic Appeals Committee, in that order. Further information on such appeals is available in §23.8. Also see §44.6.

(6) Academic offences: A breach of the Code of Student Behavior (for example, plagiarism or cheating) may result in serious penalties. For further information, refer to §26.
